

GRIP INSERTS - RANSOM GRIP INSERTS FOR GLOCK 43X,48X,48

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GLOCK 43X,48X,48
- Manufacturer: RANSOM
- Product no.: 430119369
- Mfr. No.: 30-300-12-13
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581182

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für GLOCK 43X, 48X, 48

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS. Diese Anleitung hilft dir, das Produkt sicher zu verwenden und mögliche Risiken zu vermeiden. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um Verletzungen oder Schäden an deinem Gewehr zu vermeiden.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unbefugtem Zugriff.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Abnutzung.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety GatePlattform.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffgrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts bei extremen Temperaturen oder unter feuchten Bedingungen zu lagern.
- Bei Anzeichen von Beschädigungen oder Abnutzung solltest du die Inserts sofort ersetzen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Gewehr entladen ist und sich an einem sicheren Ort befindet.
- Reinige die Kontaktflächen des Gewehrs, um eine optimale Haftung der Inserts zu gewährleisten.

2. Installation:

- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein.
- Überprüfe, ob die Inserts fest sitzen und keine Lücken aufweisen.
- Stelle sicher, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um die Rückstoßenergie korrekt zu absorbieren.

3. Nutzung:

- Verwende das Gewehr nur mit den korrekt installierten GRIP INSERTS.
- Achte darauf, dass du beim Schießen eine sichere und stabile Haltung einhältst.
- Überwache während des Schießens die Leistung der Inserts und achte auf ungewöhnliche Vibrationen oder Rückstöße.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Achte darauf, dass du die Inserts umweltgerecht entsorgst, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, dass alle Sicherheitsanfragen über eine EUbasierte Kontaktstelle erfolgen.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner eigenen Sicherheit von größter Bedeutung sind. Halte dich an diese Anweisungen, um eine sichere Verwendung der GRIP INSERTS zu gewährleisten und mögliche Risiken zu vermeiden.

GRIP INSERTS RANSOM GRIP INSERTS FOR GLOCK 43X, 48X, 48

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions and information to help you use the product effectively and safely.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions.
- Be aware of potential hazards associated with improper use of hard grip inserts or 3Dprinted plastic inserts.
- Regularly check for any updates or recalls related to this product through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Hard inserts do not mimic the human hand and can lead to inaccurate test results.
- **Monitor for Damage:** Inspect your firearm regularly for signs of wear or damage that may result from using inappropriate inserts.
- **Use Only Recommended Inserts:** Use grip inserts that are specifically designed to match the durometer of the human hand to ensure accurate testing and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installing the grip inserts.
- Follow the manufacturer's instructions for properly fitting the inserts to your firearm.
- Ensure that the inserts are securely in place before use.

2. Usage:

- Use the grip inserts only with the intended firearm models (Glock 43X, 48X, 48).
- During testing, observe the behavior of the firearm and the inserts.
- If you notice any unusual vibrations or movements, cease use immediately and inspect the equipment.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw away the inserts in regular trash if they are hazardous or contain materials that may be harmful to the environment. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the

manufacturer's contact information provided with your product packaging. Ensure that you keep this information for future reference.

By following these guidelines, you can ensure a safer and more effective experience with your Ransom International Grip Inserts. Thank you for your attention to safety and proper usage.

Istruzioni di Sicurezza per l'Uso degli Inserti Grip RANSOM per Glock 43X, 48X, 48

Introduzione

Grazie per aver scelto gli Inserti Grip RANSOM per il tuo Glock 43X, 48X, 48. Questi inserti sono progettati per migliorare la tua esperienza di tiro, offrendo risultati precisi e ripetibili. È fondamentale seguire le istruzioni di sicurezza per garantire un utilizzo sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli inserti grip RANSOM solo con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Verifica regolarmente gli inserti per eventuali segni di usura o danni.
- Mantieni gli inserti e il tuo Glock in buone condizioni di pulizia e manutenzione.
- Non utilizzare il prodotto in condizioni meteorologiche estreme o in ambienti non adatti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di installare gli inserti grip, assicurati che l'arma sia scarica e sicura.
- Non tentare di modificare o alterare gli inserti in alcun modo.
- Assicurati che l'inserto sia correttamente posizionato e fissato prima dell'uso.
- Durante l'uso, rimani sempre concentrato e attento all'ambiente circostante.
- Se noti un malfunzionamento o un comportamento anomalo, interrompi immediatamente l'uso e controlla il prodotto.

Istruzioni per l'Installazione e l'Uso

1. Preparazione

- Verifica che l'arma sia completamente scarica.
- Pulisci la superficie di contatto dell'inserto e del Master Series Ransom Rest.

2. Installazione

- Posiziona l'inserto grip RANSOM sull'arma seguendo le istruzioni specifiche del produttore.
- Assicurati che l'inserto sia ben fissato e non si muova durante l'uso.

3. Utilizzo

- Utilizza il tuo Glock come faresti normalmente, prestando attenzione alle vibrazioni e al rinculo.
- Gli inserti grip assorbiranno le forze generate durante il tiro, migliorando la tua esperienza.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nell'ambiente. Se non sono più utilizzabili, portali presso un centro di raccolta rifiuti appropriato.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza e sull'uso degli Inserti Grip RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o a visitare il sito web ufficiale di RANSOM. Assicurati di avere a disposizione il numero di modello e la descrizione del prodotto per ricevere assistenza specifica.

Conclusione

Seguendo queste istruzioni di sicurezza, potrai utilizzare gli Inserti Grip RANSOM in modo efficace e sicuro. Ricorda sempre che la sicurezza è la priorità principale quando si maneggiano armi e accessori. Grazie per aver scelto i prodotti RANSOM e buon tiro!
