

GRIP INSERTS - RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P-8/P10

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P-8/P10
- Manufacturer: RANSOM
- Product no.: 430119377
- Mfr. No.: 30-300-14-05
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581274

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P8/P10

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P8/P10. Diese Anleitung soll dir helfen, die Sicherheit und Effektivität deiner Grip Inserts zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt verwendest und potenzielle Gefahren vermeidest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit kompatiblen Waffen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts der DurometerHärte der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Berücksichtige, dass Vibration und Rückstoß kontrolliert, aber nicht gestoppt werden können.
- Halte die Inserts und die Waffe in gutem Zustand, um die Sicherheit zu gewährleisten.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts ausschließlich für den vorgesehenen Zweck.
- Überprüfe vor jedem Gebrauch, ob die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Bei Anzeichen von Beschädigungen oder ungewöhnlichem Verhalten während des Gebrauchs, stoppe sofort die Nutzung und überprüfe die Inserts.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen Grip Inserts vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Stelle sicher, dass die Inserts fest und stabil sind, bevor du die Waffe benutzt.

2. Nutzung der Grip Inserts:

- Halte die Waffe mit beiden Händen, um eine optimale Kontrolle zu gewährleisten.
- Achte darauf, dass du beim Schießen eine stabile Position einnimmst, um den Rückstoß effektiv zu absorbieren.
- Beobachte die ersten Millisekunden des Schusses, um sicherzustellen, dass die Inserts korrekt arbeiten und Vibrationen absorbieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts entsprechend den örtlichen Vorschriften für elektronische Abfälle oder Kunststoffe.
- Stelle sicher, dass du die Inserts nicht einfach im normalen Müll entsorgst, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen zur Sicherheit oder zur Verwendung der GRIP INSERTS RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P8/P10 wende dich bitte an den Hersteller oder einen autorisierten Händler.

Schlussfolgerung

Die Sicherheit bei der Verwendung der GRIP INSERTS ist von größter Bedeutung. Indem du diese Sicherheitshinweise befolgst, kannst du sicherstellen, dass du die bestmöglichen Ergebnisse erzielst und gleichzeitig die Sicherheit für dich und andere gewährleistest. Achte darauf, regelmäßig Informationen über Rückrufaktionen oder Sicherheitswarnungen zu überprüfen, um immer auf dem neuesten Stand zu sein.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS HECKLER & KOCH USP 9,40 COMPACT/P8/P10

Introduction

Thank you for choosing the Ransom International Grip Inserts for your firearm. This guide provides essential safety instructions to ensure the safe use and longevity of your product. It is important to follow these guidelines to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks that may not be addressed by other EU laws.
- Check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Always handle firearms and accessories with care and respect.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Hard inserts will not replicate humanlike recoil and can lead to invalid test data.
- **Monitor for Damage:** Damage from improper inserts may not be visible immediately but can accumulate over time, leading to decreased firearm lifespan and potential injury.
- **Follow Testing Protocols:** Ensure that all testing mimics human handling to avoid flawed results. Hard inserts cannot provide accurate testing conditions.

Instructions for Installation and Usage

1. Prepare the Ransom Rest:

- Ensure that the Ransom Rest is clean and free from debris.
- Inspect the machine for any signs of damage before use.

2. Install Grip Inserts:

- Carefully place the Ransom Grip Inserts into the designated area of the Ransom Rest.
- Ensure that the inserts are securely fitted and aligned correctly.

3. Using the Ransom Rest:

- Position your firearm in the Ransom Rest according to the manufacturer's instructions.
- Ensure that the firearm is stable and secure before firing.
- Always wear appropriate safety gear, including eye and ear protection.

4. Conducting Tests:

- When conducting accuracy or destructive testing, ensure that the grip inserts are functioning as intended.
- Monitor the performance of the inserts during tests and replace them if any signs of wear or

damage are observed.

5. **PostUse Care:**

- After use, clean the Ransom Rest and grip inserts to maintain their condition.
- Store the inserts in a safe, dry place away from direct sunlight or extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of plastic and other materials.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts or if you need assistance, please reach out to your local distributor or manufacturer's representative for support.

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Guida alla Sicurezza per l'Utilizzo degli Inserti Grip Ransom per Heckler & Koch USP 9,40 Compact/P8/P10

Introduzione

Grazie per aver scelto gli inserti grip Ransom per il tuo sistema di tiro. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Leggi attentamente queste istruzioni per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per il suo scopo previsto.
- Controlla il prodotto per eventuali danni o difetti prima di utilizzarlo.
- Non utilizzare inserti grip rigidi o in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Mantieni gli inserti grip fuori dalla portata dei bambini per evitare incidenti.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip Ransom sono progettati per assorbire vibrazioni e rinculo. Utilizzali solo come indicato.
- Non tentare di modificare o riparare gli inserti grip. Qualsiasi modifica potrebbe compromettere la sicurezza.
- Non utilizzare il prodotto se hai dubbi sulla sua integrità o sul suo corretto funzionamento.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che l'arma sia scarica e che non ci siano munizioni nelle vicinanze.
- Posiziona l'inserto grip Ransom sul supporto di tiro secondo le istruzioni del produttore.
- Verifica che l'inserto sia fissato correttamente e che non ci siano movimenti.

2. Uso:

- Durante il tiro, mantieni una presa salda sull'arma per garantire stabilità.
- Lascia che l'inserto grip assorba il rinculo e le vibrazioni, evitando di forzare l'arma.
- Monitorare le prestazioni dell'inserto grip e sostituirlo se necessario.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti grip nell'ambiente. Contatta le autorità locali per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare problemi, ti invitiamo a contattare il produttore o il tuo rivenditore di fiducia. Assicurati di avere a disposizione il numero di modello e altre

informazioni pertinenti sul prodotto.

Questa guida è stata redatta per garantire la tua sicurezza e per aiutarti a utilizzare gli inserti grip Ransom in modo efficace. Segui queste istruzioni e goditi un'esperienza di tiro sicura e precisa!
