

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH P2000

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH P2000
- Manufacturer: RANSOM
- Product no.: 430119378
- Mfr. No.: 30-300-14-09
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581304

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HECKLER & KOCH P2000

Einleitung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deinen Heckler & Koch P2000! Diese GriffEinsätze sind speziell entwickelt, um die Sicherheit und Leistung deiner Waffe zu optimieren. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Verwende die Einsätze nicht, wenn sie sichtbare Beschädigungen aufweisen.
- Halte die Einsätze außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety GatePlattform.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung harter oder 3Dgedruckter Einsätze, da diese deine Waffe schädigen können.
- Stelle sicher, dass die Einsätze korrekt installiert sind, um Vibrationen und Rückstoß zu absorbieren.
- Achte darauf, dass die Einsätze der DurometerHärte der menschlichen Hand entsprechen.
- Teste die Einsätze regelmäßig auf Abnutzung oder Beschädigung.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Überprüfe die GRIP INSERTS auf sichtbare Schäden.
- Stelle sicher, dass du alle benötigten Werkzeuge zur Hand hast.

2. Installation:

- Entferne die alten GriffEinsätze, falls vorhanden.
- Setze die neuen GRIP INSERTS gemäß der mitgelieferten Anleitung ein.
- Achte darauf, dass die Einsätze fest sitzen und keine Lücken aufweisen.

3. Nutzung:

- Halte die Waffe sicher und stabil, während du schießt.
- Achte darauf, dass die Einsätze die Rückstoßenergie korrekt absorbieren.
- Überprüfe nach jedem Schuss die Einsätze auf Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Einsätze nicht in die Umwelt gelangen, um mögliche Schäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Achte darauf, dass alle Anfragen im Einklang mit den EUVorschriften zur Produktsicherheit bearbeitet werden.

Bitte beachte, dass die Einhaltung dieser Sicherheitsrichtlinien entscheidend für die sichere Nutzung deiner GRIP INSERTS ist. Deine Sicherheit und die anderer stehen an erster Stelle!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH P2000

Introduction

Thank you for choosing the RANSOM INTERNATIONAL GRIP INSERTS for your Heckler & Koch P2000. This guide provides essential safety instructions to ensure the proper use and maintenance of your product. Please read this guide carefully to understand the safety precautions and instructions for installation and usage.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Be aware that improper use may lead to inaccurate test results and potential injury.
- Always handle firearms with care and adhere to all local laws and regulations regarding firearm use and safety.
- Keep the grip inserts out of reach of children and other vulnerable individuals to prevent accidental injury.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts for your Master Series Ransom Rest.
- Understand that hard inserts can generate destructive recoil energy that may damage your firearm.
- Recognize that poorly engineered inserts can fail to replicate humanlike recoil, leading to invalid test data.
- Be cautious that hard inserts may not provide repeatable test results and could decrease the life of your firearm.
- Avoid using hard inserts as they may cause injury or death if the firearm malfunctions.
- Always ensure that the grip inserts are compatible with your firearm model.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully align the Ransom grip inserts with the designated slots in the rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage of Grip Inserts:

- Ensure that the firearm is unloaded before attaching it to the Ransom Rest.
- Position the firearm in the Ransom Rest with the grip inserts properly aligned to absorb recoil.
- Perform a test shot to ensure that the inserts absorb recoil effectively without transferring harmful vibrations to the firearm.
- Monitor the performance of the grip inserts during use, and replace them if any signs of wear or damage are observed.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.

- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the RANSOM INTERNATIONAL GRIP INSERTS, please refer to the manufacturer's contact information provided with your product.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your RANSOM INTERNATIONAL GRIP INSERTS. Always prioritize safety and proper handling of your firearm to prevent accidents and injuries. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER HECKLER & KOCH P2000

Introduzione

Le GRIP INSERTS RANSOM sono progettate per migliorare le prestazioni del tuo Ransom Rest, garantendo un uso sicuro e efficace. È fondamentale seguire attentamente le istruzioni di sicurezza per prevenire incidenti e garantire la longevità del tuo prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo le GRIP INSERTS RANSOM con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla periodicamente le condizioni delle GRIP INSERTS per eventuali segni di usura o danno.
- Segui sempre le istruzioni di installazione e utilizzo fornite con il prodotto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare le GRIP INSERTS RANSOM se noti segni di danno o usura.
- Assicurati che l'arma sia sempre in una posizione sicura prima di installare o rimuovere gli inserti.
- Evita di utilizzare il Ransom Rest in condizioni meteorologiche avverse che potrebbero compromettere la stabilità dell'arma.
- Non tentare di modificare o riparare gli inserti. In caso di problemi, contatta un professionista.

Istruzioni per l'Installazione e l'Uso

1. Installazione

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di montaggio per garantire una buona aderenza.
- Inserisci le GRIP INSERTS RANSOM nel supporto, assicurandoti che siano ben fissate.
- Verifica che gli inserti siano saldamente in posizione prima di utilizzare il Ransom Rest.

2. Utilizzo

- Posiziona l'arma sul Ransom Rest con le GRIP INSERTS installate.
- Assicurati che l'arma sia bloccata in posizione e che non ci siano ostacoli nelle vicinanze.
- Esegui i tuoi colpi seguendo le procedure di sicurezza standard per l'uso delle armi.
- Monitora le prestazioni del Ransom Rest e degli inserti durante l'uso.

Istruzioni per il Recupero e lo Smaltimento

- In caso di problemi con gli inserti, segui le procedure di richiamo standard per i prodotti pericolosi.
- Non smaltire le GRIP INSERTS RANSOM nel normale rifiuto domestico. Segui le normative locali per lo smaltimento dei materiali pericolosi.
- Se necessario, contatta un centro di smaltimento autorizzato per informazioni su come smaltire il prodotto in modo sicuro.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, controlla le risorse disponibili online e consulta i

professionisti del settore per eventuali domande o preoccupazioni.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace delle GRIP INSERTS RANSOM. Ricorda che la sicurezza è la priorità principale quando si utilizza qualsiasi attrezzatura per il tiro.
