

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH VP70

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH VP70
- Manufacturer: RANSOM
- Product no.: 430119380
- Mfr. No.: 30-300-14-10
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581298

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR HECKLER & KOCH VP70

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für deinen Heckler & Koch VP70 entwickelt wurden. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu nutzen und mögliche Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Die GRIP INSERTS sind für den Gebrauch mit dem Heckler & Koch VP70 konzipiert. Verwende sie nur in Verbindung mit diesem Modell.
- Achte darauf, dass du die Inserts korrekt installierst, um ihre Funktionalität und Sicherheit zu gewährleisten.
- Halte dich an die Anweisungen zur Verwendung, um Verletzungen und Schäden zu vermeiden.
- Überprüfe regelmäßig den Zustand der Inserts. Bei sichtbaren Schäden oder Abnutzung sollten sie nicht mehr verwendet werden.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts die Duometrie der menschlichen Hand nachahmen, um Rückstoß und Vibration zu absorbieren.
- Beachte, dass harte Inserts schädliche Rückstoßenergien erzeugen können, die durch den Rahmen und den Lauf des Gewehrs reisen.
- Sei vorsichtig, da ein harter Insert die Lebensdauer des Laufs und des Gewehrs verringern kann und möglicherweise Verletzungen verursacht.
- Teste die Inserts nicht unter extremen Bedingungen, die über die empfohlenen Nutzungsgrenzen hinausgehen.

Anweisungen für Installation und Verwendung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass das Gewehr entladen und sicher ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige die Halterung gründlich.
- Setze die GRIP INSERTS gemäß den Anweisungen des Herstellers ein und achte darauf, dass sie fest sitzen.
- Überprüfe die korrekte Positionierung der Inserts, bevor du das Gewehr wieder zusammenbaust.

2. Verwendung der GRIP INSERTS:

- Halte das Gewehr mit beiden Händen und achte darauf, dass dein Griff stabil ist.
- Achte darauf, dass die Inserts während des Gebrauchs nicht verrutschen oder beschädigt werden.
- Teste das Gewehr in einem sicheren und kontrollierten Umfeld.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Vermeide die Entsorgung im regulären Hausmüll, wenn spezielle Entsorgungsrichtlinien für Kunststoff

oder Metallprodukte bestehen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den GRIP INSERTS wende dich bitte an den Hersteller oder an die Verkaufsstelle, bei der du das Produkt erworben hast. Achte darauf, dass alle Anfragen in Übereinstimmung mit den geltenden Sicherheitsrichtlinien behandelt werden.

Bitte beachte, dass die Sicherheit des Nutzers und die ordnungsgemäße Verwendung des Produkts von größter Bedeutung sind. Halte dich an diese Richtlinien, um ein sicheres und effektives Nutzungserlebnis zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH VP70 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom Grip Inserts for your Heckler & Koch VP70. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide thoroughly before installation and usage to avoid potential hazards and maximize performance.

General Safety Guidelines

- Ensure safe use of the Ransom Grip Inserts by following the instructions provided in this guide.
- Be aware that improper use or installation can lead to damage to your firearm and potential injury.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform for any safety alerts regarding this product.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can damage your firearm by generating destructive recoil energy.
- Hard or poorly engineered inserts fail to replicate humanlike recoil, which can invalidate test data.
- The grip inserts are designed to match the durometer of the human hand, ensuring proper absorption of recoil and vibration.
- Using hard inserts may decrease the life of your firearm and could potentially cause injury or death.
- Always ensure that the inserts are in good condition before use. Replace any damaged or worn inserts immediately.

Instructions for Installation and Usage

1. Installation of Grip Inserts

- Ensure that your firearm is unloaded and in a safe condition before beginning the installation.
- Remove any existing grip inserts from the Master Series Ransom Rest.
- Select the appropriate Ransom Grip Inserts designed for the Heckler & Koch VP70.
- Carefully insert the grip inserts into the designated slots of the Ransom Rest, ensuring a snug fit.
- Confirm that the inserts are securely in place before proceeding to use the rest.

2. Usage of the Ransom Grip Inserts

- Place your firearm securely in the Ransom Rest with the installed grip inserts.
- Ensure that the machine is in the lowered battery position before firing.
- Observe that the first few milliseconds of shot vibration and recoil are absorbed by the inserts.
- Do not attempt to modify or alter the grip inserts in any way, as this may compromise safety and effectiveness.
- Regularly check the condition of the grip inserts and replace them as necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not dispose of inserts in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please consult your point of purchase or visit the manufacturer's website for additional resources and support.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER HECKLER & KOCH VP70

Introduzione

Le GRIP INSERTS Ransom sono progettate per migliorare le prestazioni del tuo Heckler & Koch VP70, garantendo un'esperienza di tiro più sicura e precisa. È fondamentale seguire le istruzioni di sicurezza e utilizzo per evitare incidenti e garantire la massima durata del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati sempre che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per garantire un uso corretto e sicuro del prodotto.
- Non utilizzare il prodotto in modo improprio o per scopi diversi da quelli previsti.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.

Precauzioni Specifiche per l'Uso

- Gli inserti Ransom sono progettati per assorbire il rinculo e le vibrazioni. Non cercare di modificare o adattare gli inserti.
- Durante l'uso, assicurati che l'inserto sia ben fissato e non si muova.
- Non utilizzare gli inserti in condizioni estreme come temperature molto alte o basse, che potrebbero compromettere le loro prestazioni.
- Evita di utilizzare l'inserto in ambienti umidi o bagnati, poiché l'acqua può influire sulla sua efficacia.

Istruzioni per Installazione e Utilizzo

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Rimuovi eventuali inserti precedenti o accessori non necessari.

2. Installazione:

- Posiziona l'inserto Ransom sul Master Series Ransom Rest.
- Assicurati che l'inserto sia allineato correttamente e ben fissato.
- Controlla che non ci siano spazi vuoti tra l'inserto e l'arma.

3. Uso:

- Utilizza l'inserto durante le sessioni di tiro per migliorare la stabilità e la precisione.
- Monitora attentamente il comportamento dell'arma durante l'uso per identificare eventuali problemi.

4. Manutenzione:

- Pulisci regolarmente l'inserto con un panno asciutto per rimuovere polvere e detriti.
- Controlla periodicamente l'integrità dell'inserto e sostituiscilo se necessario.

Istruzioni per lo Smaltimento

- Non gettare gli inserti nel normale rifiuto domestico.
- Segui le normative locali per lo smaltimento dei materiali plastici e degli accessori per armi.
- Se l'inserto è danneggiato o non più utilizzabile, considera di portarlo in un centro di raccolta per materiali speciali.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore.

Conclusione

Le GRIP INSERTS Ransom sono uno strumento efficace per migliorare le tue prestazioni di tiro con il Heckler & Koch VP70, ma la sicurezza deve sempre essere la tua priorità. Segui queste istruzioni e linee guida per garantire un utilizzo sicuro e soddisfacente del prodotto.
