

GRIP INSERTS - RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9, SF9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9, SF9
- Manufacturer: RANSOM
- Product no.: 430119382
- Mfr. No.: 30-300-14-11
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581366

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für Heckler & Koch VP9, SF9

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für deine Heckler & Koch VP9 und SF9 entwickelt wurden. Diese Hinweise sollen dir helfen, das Produkt sicher zu verwenden und mögliche Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass du alle Sicherheitsanweisungen befolgst, um die sichere Verwendung der GRIP INSERTS zu gewährleisten.
- **Rückrufinformationen:** Informiere dich regelmäßig über Rückrufmeldungen auf der EU Safety Gate Plattform.
- **OnlineShopping:** Achte darauf, dass der OnlineHändler alle Sicherheitsanforderungen erfüllt.
- **Besondere Verbrauchergruppen:** Sei besonders vorsichtig, wenn das Produkt von Kindern oder anderen schutzbedürftigen Gruppen verwendet wird.
- **EUKontaktstelle:** Bei Fragen zur Produktsicherheit kontaktiere die zuständige EUKontaktstelle.
- **Schnelle Warnungen:** Halte dich über aktuelle Warnungen zu unsicheren Produkten auf dem Laufenden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffInserts, da diese deinem Gewehr schaden können.
- **Vibration und Rückstoß:** Beachte, dass Vibration und Rückstoß nicht gestoppt, sondern nur kontrolliert werden können. Die Inserts sind so konzipiert, dass sie diese Kräfte absorbieren.
- **Schutz vor Verletzungen:** Ein harter Insert kann Verletzungen oder sogar den Tod verursachen, wenn etwas schießt. Sei vorsichtig und achte auf die Verwendung des richtigen Produkts.
- **Testmethoden:** Wenn du Tests durchführst, stelle sicher, dass du die menschliche Hand nachahmst, um genaue Ergebnisse zu erzielen.

Anweisungen für Installation und Nutzung

1. **Überprüfung vor der Verwendung:** Überprüfe die GRIP INSERTS vor der Installation auf Beschädigungen oder Mängel.
2. **Installation:**
 - Entferne die alten Inserts, falls vorhanden.
 - Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
 - Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.
3. **Verwendung:**
 - Nutze die GRIP INSERTS während des Schießens, um die Rückstoßenergie zu absorbieren.
 - Achte darauf, dass die Maschine und die Inserts gut zusammenarbeiten, um optimale Testergebnisse zu erzielen.
4. **Regelmäßige Überprüfung:** Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen und ersetze sie bei Bedarf.

Entsorgungsanweisungen

- Entsorge die GRIP INSERTS gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass keine schädlichen Materialien in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für Unterstützung oder Fragen zur Sicherheit der GRIP INSERTS wende dich bitte an die zuständige Kontaktstelle in der EU.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der GRIP INSERTS zu gewährleisten. Bitte befolge sie sorgfältig, um Risiken zu minimieren und die Lebensdauer deines Gewehrs zu verlängern.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR HECKLER & KOCH VP9, SF9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Heckler & Koch VP9 or SF9. This guide provides important safety information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure safe use of the Grip Inserts to prevent damage to your firearm and avoid personal injury.
- Be aware that improper use of grip inserts, especially hard or 3Dprinted inserts, can lead to dangerous situations.
- Always follow the manufacturer's recommendations for installation and usage.
- If you encounter an unsafe product or experience an accident, report it to the appropriate authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Hard grip inserts or 3Dprinted plastic grip inserts can damage your firearm by generating destructive recoil energy.
- **Avoid Improper Engineering:** Most hard or 3Dprinted inserts fail to replicate humanlike recoil, leading to invalid test data.
- **Understand Recoil Dynamics:** Vibration and recoil cannot be stopped; they can only be controlled. Ensure that your grip inserts are designed to absorb these forces.
- **Monitor for Damage:** Damage from improper inserts may not be immediately visible but can accumulate over time with each shot.
- **Use Proper Equipment:** Always use grip inserts specifically designed to mimic the human hand to ensure accurate testing and safety.

Instructions for Installation and Usage

1. Installation:

- Carefully remove any existing grip inserts from your Ransom Rest.
- Ensure that the surface is clean and free from debris.
- Align the Ransom International Grip Inserts with the designated slots in your Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Always ensure that the firearm is unloaded before installation or adjustment of the grip inserts.
- When using the Ransom Rest, ensure that the grip inserts are properly engaged to absorb recoil effectively.
- Monitor the performance of the inserts during use; if you notice unusual vibrations or movements, cease use immediately and inspect the inserts.
- Do not exceed the recommended shooting limits to avoid excessive wear on your firearm and the grip inserts.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in household waste. Instead, contact your local waste management authority for appropriate disposal methods.

Contact Information for Further Support

For any inquiries or support related to the Ransom International Grip Inserts, please refer to the manufacturer's website or contact their customer service directly. Ensure you have the product details ready for assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Ransom International Grip Inserts. Always prioritize safety to protect yourself and your firearm. Thank you for your attention to these important safety measures.

Guida alla Sicurezza per i Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Heckler & Koch VP9 o SF9. Questo prodotto è progettato per migliorare la tua esperienza di tiro, ma è fondamentale seguire le linee guida di sicurezza per garantire un uso sicuro ed efficace. Questa guida fornisce informazioni importanti sulla sicurezza, precauzioni specifiche e istruzioni per l'installazione e l'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.
- Conserva questo manuale in un luogo sicuro per future consultazioni.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo del Rinculo:** I Grip Inserts RANSOM sono progettati per assorbire le vibrazioni e il rinculo. Non utilizzare inserti rigidi, che possono compromettere la sicurezza.
- **Attenzione ai Malfunzionamenti:** Un inserto rigido può causare malfunzionamenti pericolosi, potenzialmente causando infortuni gravi o letali.
- **Test e Comportamento Umano:** È fondamentale imitare il comportamento umano durante i test per ottenere risultati accurati. Non tentare di modificare o duplicare gli inserti.
- **Vulnerabilità:** Prestare particolare attenzione se ci sono bambini o individui vulnerabili nelle vicinanze durante l'uso del prodotto.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovere eventuali grip inserts esistenti.
- Pulire accuratamente l'area di installazione.
- Posizionare i Grip Inserts RANSOM in modo che siano saldamente fissati.
- Verificare che gli inserti siano allineati correttamente prima di utilizzare l'arma.

2. Uso:

- Utilizzare i Grip Inserts RANSOM solo in condizioni di tiro controllate e sicure.
- Monitorare sempre le prestazioni dell'arma e degli inserti durante l'uso.
- Non eseguire colpi se si notano anomalie o malfunzionamenti.

Istruzioni per lo Smaltimento

- Seguire le normative locali per lo smaltimento degli inserti e di altri materiali di scarto.
- Non gettare i Grip Inserts RANSOM nel normale rifiuto domestico.
- Contattare un centro di raccolta autorizzato per lo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, si prega di contattare il servizio clienti del produttore o consultare il sito web ufficiale. Assicurati di avere a disposizione il numero di modello e

altre informazioni pertinenti.

Conclusione

Seguendo queste linee guida di sicurezza, puoi garantire un'esperienza di tiro sicura e soddisfacente con i Grip Inserts RANSOM. Ricorda di rimanere sempre vigile e di adottare le necessarie precauzioni per la tua sicurezza e quella degli altri.
