

GRIP INSERTS - RANSOM GRIP INSERTS HIGH STANDARD 102,103,104,105/MA CITATION

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS HIGH STANDARD 102,103,104,105/MA CITATION
- Manufacturer: RANSOM
- Product no.: 430119386
- Mfr. No.: 30-300-15-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581397

Sicherheitshinweise für die GRIP INSERTS RANSOM

Einführung

Willkommen zu deinem neuen GRIP INSERTS RANSOM Produkt! Diese Anleitung bietet wichtige Sicherheitsinformationen und Nutzungshinweise, um sicherzustellen, dass du die Inserts sicher und effektiv verwenden kannst. Bitte lies diese Anleitung sorgfältig, um mögliche Gefahren zu vermeiden und die beste Leistung aus deinem Produkt herauszuholen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit dem vorgesehenen Ransom Rest verwendet werden.
- Überprüfe vor der Verwendung regelmäßig auf sichtbare Schäden oder Abnutzung.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Verwende die Inserts nicht, wenn sie beschädigt oder defekt sind.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Informiere dich über die richtigen Schusspraktiken und Sicherheitsrichtlinien für den Umgang mit Feuerwaffen.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Inserts, da diese die Waffe beschädigen und die Testergebnisse ungültig machen können.
- Achte darauf, dass die Inserts die Duometrie der menschlichen Hand nachahmen, um Vibrationen und Rückstoß zu absorbieren.
- Achte darauf, dass die Inserts korrekt montiert sind, bevor du die Waffe abfeuerst.
- Halte die Waffe während des Schießens in einer stabilen Position, um unkontrollierte Bewegungen zu vermeiden.
- Achte darauf, dass du in einem sicheren und dafür vorgesehenen Bereich schießst.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die aktuellen Inserts aus deinem Ransom Rest.
- Setze die GRIP INSERTS sorgfältig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Nutzung der GRIP INSERTS:

- Halte die Waffe mit beiden Händen in einer stabilen Position.
- Überprüfe vor jedem Schuss, ob die Inserts korrekt installiert sind.
- Feuere die Waffe ab und achte darauf, dass die Inserts Vibrationen und Rückstoß absorbieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Stelle sicher, dass alle Teile der Inserts sicher und umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, dass du alle relevanten Informationen über das Produkt bereithältst, wenn du Unterstützung benötigst.

Wichtiger Hinweis

Ein harter Insert kann die Lebensdauer des Laufs und der Waffe verringern und möglicherweise Verletzungen oder sogar den Tod verursachen, wenn etwas passiert. Verwende keine harten oder 3Dgedruckten Inserts!

Bitte beachte, dass diese Sicherheitsanweisungen dazu dienen, deine Sicherheit und die Sicherheit anderer zu gewährleisten. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS HIGH STANDARD 102, 103, 104, 105/MA CITATION

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience by providing a realistic feel that mimics the human hand. However, it is crucial to follow the safety guidelines and instructions to ensure safe and effective use.

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Always treat firearms with respect and follow all safety protocols when handling them.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest, as they can damage your firearm and compromise safety.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices and safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts. They can generate destructive recoil energy, leading to potential damage to your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. Using the correct inserts helps absorb these forces effectively.
- **Inspect Inserts Regularly:** Check the condition of the grip inserts before each use. Replace them if they show signs of wear or damage.
- **Educate Users:** Ensure that all individuals using the Ransom Rest understand the importance of using the proper grip inserts to avoid flawed testing results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Carefully remove any existing inserts from the Ransom Rest.
- Select the appropriate Ransom grip insert designed for your firearm model.
- Insert the grip insert securely into the designated slot in the Ransom Rest.
- Ensure that the insert is firmly in place and does not move.

2. Using the Ransom Rest:

- Place your firearm into the Ransom Rest, ensuring it is properly aligned and secure.
- Perform a safety check on your firearm to ensure it is unloaded and safe to use.
- Conduct your shooting tests, monitoring the performance of the grip inserts during use.
- After use, remove the firearm and inspect the grip inserts for any signs of wear or damage.

3. PostUsage Care:

- Clean the grip inserts and the Ransom Rest after each use to maintain their condition.
- Store the inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Do not throw them in regular household waste.
- Check local regulations for proper disposal methods of plastic materials.
- If the product is no longer usable, consider recycling options where available.

Contact Information for Further Support

For any inquiries or further assistance regarding the Ransom Grip Inserts, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety and compliance with EU regulations.

Guida alle Istruzioni di Sicurezza per gli Inserti Grip Ransom

Introduzione

Grazie per aver scelto gli Inserti Grip Ransom per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e ottimale.

Linee Guida Generali di Sicurezza

- Assicurati di leggere attentamente tutte le istruzioni prima di utilizzare gli inserti grip.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Gli inserti grip Ransom sono progettati per assorbire il rinculo e le vibrazioni, garantendo prestazioni ottimali.
- In caso di problemi o dubbi, contatta un esperto prima di utilizzare il prodotto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo inserti grip Ransom per il tuo Master Series Ransom Rest.
- Assicurati che gli inserti siano installati correttamente e in modo sicuro prima di ogni utilizzo.
- Non utilizzare il Ransom Rest in condizioni estreme che potrebbero compromettere la stabilità del prodotto.
- Monitora l'usura degli inserti grip e sostituiscili se mostrano segni di danno.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip

- Rimuovi eventuali inserti esistenti dal Ransom Rest.
- Pulisci l'area di installazione per garantire una buona adesione.
- Inserisci gli inserti grip Ransom nel Ransom Rest, assicurandoti che siano posizionati correttamente.
- Verifica che gli inserti siano fissi e non si muovano.

2. Utilizzo del Ransom Rest

- Posiziona il Ransom Rest su una superficie stabile e piana.
- Posiziona l'arma nel Ransom Rest, assicurandoti che sia ben fissata.
- Effettua il test di tiro, monitorando la stabilità e le vibrazioni.
- Dopo ogni utilizzo, controlla gli inserti grip per eventuali segni di usura o danno.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom possono essere smaltiti nei rifiuti domestici, seguendo le normative locali sullo smaltimento dei rifiuti.
- Non gettare gli inserti grip in acqua o in luoghi non autorizzati.
- Se gli inserti sono danneggiati, considera di contattare un centro di smaltimento specializzato.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o chiarimento riguardo all'uso degli Inserti Grip Ransom, ti invitiamo a contattare il tuo rivenditore o un esperto del settore. È importante avere un supporto adeguato per garantire la sicurezza e le prestazioni del prodotto.

Conclusione

Seguendo queste istruzioni di sicurezza e utilizzando gli inserti grip Ransom come indicato, potrai garantire un'esperienza di tiro sicura e soddisfacente. Ricorda che la sicurezza è la priorità principale e che l'uso corretto del prodotto è fondamentale per evitare danni all'arma e per la tua sicurezza personale.
