

GRIP INSERTS - RANSOM GRIP INSERTS FOR INTERARMS VIRGINIA DRAGOON

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR INTERARMS VIRGINIA DRAGOON
- Manufacturer: RANSOM
- Product no.: 430119387
- Mfr. No.: 30-300-16
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132581458

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR INTERARMS VIRGINIA DRAGOON

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Interarms Virginia Dragoon! Diese Grip Inserts sind speziell entwickelt worden, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um die sichere Verwendung und den bestmöglichen Schutz zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur gemäß den Anweisungen des Herstellers verwendest.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Halte die Inserts und das Gewehr von Kindern und anderen unbefugten Personen fern.
- Verwende die Inserts nicht, wenn sie beschädigt oder defekt sind.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Vermeide es, das Gewehr ohne die entsprechenden Inserts zu verwenden, um Verletzungen zu vermeiden.
- Achte darauf, dass die Inserts korrekt installiert sind, um unerwünschte Vibrationen und Rückstoß zu minimieren.
- Sei dir bewusst, dass ein hartes Insert die Lebensdauer deines Gewehrs verringern kann.

Anweisungen für Installation und Verwendung

1. Installation der Grip Inserts:

- Entferne das Gewehr sicher aus der Schussposition.
- Überprüfe die Inserts auf sichtbare Schäden oder Abnutzung.
- Setze die Grip Inserts gemäß den Anweisungen des Herstellers in die vorgesehenen Positionen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du das Gewehr wieder benutzt.

2. Verwendung der Grip Inserts:

- Halte das Gewehr in der richtigen Position, um eine optimale Nutzung der Inserts zu gewährleisten.
- Achte darauf, dass der Rückstoß und die Vibrationen durch die Inserts absorbiert werden, bevor du schießt.
- Teste das Gewehr zunächst mit geringer Intensität, um sicherzustellen, dass die Inserts korrekt funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.

- Achte darauf, dass keine Teile der Inserts in die Umwelt gelangen.
- Wenn du unsicher bist, wie du die Inserts entsorgen sollst, kontaktiere deinen örtlichen Abfallentsorgungsdienst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle relevanten Informationen bereit hast, um eine schnelle und effektive Unterstützung zu erhalten.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, die sichere Verwendung der RANSOM GRIP INSERTS zu gewährleisten. Halte dich an die Anweisungen und sei stets vorsichtig, um ein sicheres Schießen zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR INTERARMS VIRGINIA DRAGOON

User Manual and Safety Instructions

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are designed to enhance your shooting experience by closely replicating the feel of a human hand during recoil. This manual provides essential safety instructions and guidelines to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the Ransom Rest and grip inserts.
- Always handle firearms with care and follow all safety protocols associated with shooting.
- Inspect the grip inserts before each use for any signs of wear or damage.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may cause damage to your firearm.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Never use hard grip inserts or 3Dprinted plastic inserts. These can generate destructive recoil energy that may damage your firearm.
 - Hard inserts do not replicate humanlike recoil, leading to invalid test data and potentially unsafe conditions.
- **Vibration and Recoil Control:**
 - Understand that vibration and recoil cannot be eliminated but can be controlled. The inserts are designed to absorb these forces, protecting your firearm.
 - Regularly check the condition of the inserts to ensure they are functioning as intended.
- **Potential Hazards:**
 - Be aware that using inappropriate inserts may lead to decreased barrel life and could result in injury or death.
 - Always use the inserts as intended to avoid damaging your firearm or compromising safety.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Remove any existing grip inserts from your Ransom Rest.
- Ensure that the area for the new inserts is clean and free of debris.
- Carefully place the Ransom Grip Inserts into the designated slots, ensuring they fit snugly and securely.
- Verify that the inserts are properly installed before proceeding to use the Ransom Rest.

2. Usage of Ransom Rest with Grip Inserts:

- Set up your Ransom Rest according to the manufacturer's instructions.
- Position your firearm securely in the rest, ensuring that it is stable and level.
- When firing, the inserts will absorb the initial recoil and vibration, mimicking the natural feel of shooting.
- Monitor the performance of the inserts during use and replace them if you notice any signs of wear.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste. Instead, check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the Ransom Grip Inserts, please refer to your local distributor or authorized dealer. Always ensure that you have the latest information on safety and product updates.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Ransom International Grip Inserts!

Istruzioni di Sicurezza per gli Inserti RANSOM GRIP

Introduzione

Benvenuto nel manuale degli Inserti RANSOM GRIP per il Master Series Ransom Rest. Questo documento fornisce importanti informazioni di sicurezza per garantire un utilizzo sicuro e corretto del prodotto. Si prega di leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per scopi previsti e in conformità con le istruzioni del produttore.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per segni di usura o danni. Sostituisci immediatamente qualsiasi componente danneggiato.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata di bambini e animali domestici.
- Segnala prodotti pericolosi e incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo gli inserti RANSOM progettati per il tuo Master Series Ransom Rest.
- Non tentare di modificare o riparare gli inserti. Qualsiasi modifica può compromettere la sicurezza e l'efficacia del prodotto.
- Familiarizzati con il funzionamento del Ransom Rest prima di utilizzarlo. Segui sempre le istruzioni del produttore per l'uso corretto.
- Durante l'uso, assicurati che l'arma sia ben fissata e che il Ransom Rest sia posizionato su una superficie stabile.
- Non utilizzare il prodotto in condizioni di maltempo o in ambienti non idonei.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti RANSOM:

- Rimuovi qualsiasi inserto precedente dal Ransom Rest.
- Posiziona gli inserti RANSOM nel supporto dell'impugnatura, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti tra gli inserti e il supporto.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia ben allineata.
- Regola la posizione dell'arma in modo che il barilotto sia parallelo alla superficie di tiro.
- Esegui il tuo tiro seguendo le procedure di sicurezza standard.

3. Controllo PostUso:

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.
- Pulisci il Ransom Rest e gli inserti secondo le istruzioni del produttore.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici. Segui le normative locali per lo smaltimento di prodotti di plastica e materiali sintetici.
- Contatta un centro di raccolta rifiuti locale per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriore Supporto

Per domande relative alla sicurezza del prodotto o per segnalare un problema, contatta il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Conclusione

Utilizzare gli Inserti RANSOM GRIP in modo sicuro è fondamentale per garantire la tua sicurezza e quella degli altri. Segui sempre queste istruzioni e le linee guida di sicurezza per un'esperienza di tiro positiva e sicura.
