

GRIP INSERTS - RANSOM GRIP INSERTS FOR LES.P-18

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR LES.P-18
- Manufacturer: RANSOM
- Product no.: 430119391
- Mfr. No.: 30-300-18
- Delivery weight: 0.907kg
- UPC: 810132581571

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR LES.P18

Einführung

Herzlich willkommen! Du hast die GRIP INSERTS von RANSOM erworben, die speziell für die Verwendung mit der Master Series Ransom Rest entwickelt wurden. Diese Anleitung bietet dir wichtige Informationen zur sicheren Verwendung und Handhabung des Produkts, um dein Schießerlebnis zu optimieren und mögliche Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Achte darauf, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest. Unsachgemäße Nutzung kann zu Schäden am Gewehr oder Verletzungen führen.
- **Rückrufinformationen:** Informiere dich regelmäßig über Rückrufupdates auf der EU Safety Gate Plattform, um sicherzustellen, dass dein Produkt sicher ist.
- **OnlineEinkauf:** Wenn du die Inserts online gekauft hast, stelle sicher, dass der Verkäufer alle Sicherheitsanforderungen einhält.
- **Besondere Verbrauchergruppen:** Sei besonders vorsichtig, wenn Kinder in der Nähe sind. Halte die Inserts außerhalb ihrer Reichweite.
- **EUKontaktstelle:** Bei Fragen zur Produktsicherheit kannst du dich an die zuständigen EUBehörden wenden.
- **Schnelle Warnungen:** Achte auf aktuelle Informationen über unsichere Produkte, die über das Safety GateSystem bereitgestellt werden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Verwende keine harten Grip Inserts oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- **Rückstoßkontrolle:** Berücksichtige, dass harte Inserts zerstörerische Rückstoßenergie erzeugen, die Schäden verursachen kann.
- **Langzeitwirkungen:** Beachte, dass Schäden durch unsachgemäße Verwendung sich mit jedem Schuss summieren können.
- **Physik verstehen:** Vibration und Rückstoß können nicht gestoppt, sondern nur kontrolliert werden. Achte darauf, dass die Inserts entsprechend verwendet werden, um die Rückstoßkräfte zu minimieren.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass du alle erforderlichen Werkzeuge und Materialien bereit hast.
- Überprüfe die GRIP INSERTS auf sichtbare Schäden, bevor du sie verwendest.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers in die vorgesehenen Halterungen ein.
- Achte darauf, dass die Inserts sicher und fest sitzen, um eine optimale Funktion zu gewährleisten.

3. Nutzung:

- Halte während des Schießens stets die Sicherheitsvorkehrungen ein.

- Achte darauf, dass du die Inserts nicht überlastest oder unsachgemäß verwendest.
- Überwache regelmäßig den Zustand der Inserts und wechsle sie bei Anzeichen von Abnutzung oder Beschädigung aus.

Entsorgungsanweisungen

- Entsorge die GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass du die Inserts nicht in den normalen Müll wirfst, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der GRIP INSERTS wende dich bitte an die zuständigen Behörden oder den Händler, bei dem du das Produkt erworben hast.

Diese Sicherheitshinweise sollen dir helfen, die GRIP INSERTS von RANSOM sicher und effektiv zu nutzen. Achte immer auf deine Sicherheit und die anderer, während du dein Schießerlebnis optimierst!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR LES.P18

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance the performance of your Master Series Ransom Rest by mimicking the natural recoil absorption of the human hand. This guide provides essential safety instructions to ensure the safe and effective use of this product.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest.
- Regularly inspect the grip inserts for any signs of wear or damage.
- Ensure that all components are securely fastened before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any unusual behavior or damage during use, stop immediately and assess the situation.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can damage your firearm by generating destructive recoil energy. This can lead to potential injury or death.
- **Mimic Human Recoil:** Always use inserts designed to replicate humanlike recoil to ensure accurate testing and prevent damage.
- **Inspect for Damage:** Before each use, check the grip inserts for cracks or wear, which could compromise safety.
- **Control Vibration:** The inserts are designed to absorb vibration and recoil. Ensure that they are properly installed to maximize their effectiveness.
- **Follow Testing Protocols:** When conducting tests, ensure that you are using the correct setup to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Ransom Rest is on a stable surface.
- Remove any existing grip inserts if applicable.
- Carefully insert the Ransom grip inserts into the designated slots on the rest.
- Ensure that the inserts are securely in place and do not move when the firearm is mounted.

2. Usage:

- Position your firearm in the Ransom Rest.
- Ensure that the firearm is unloaded before mounting it.
- Adjust the rest to the desired shooting position.
- Begin your testing or shooting session, observing all safety precautions.
- After use, remove the firearm and inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not throw grip inserts in regular household waste if they are made of materials that require special

disposal methods.

- Always check with your local waste management authority for proper disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of your grip inserts, please refer to the manufacturer's contact information provided with your product. It is important to have access to support for any safety inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to protect yourself and your equipment. Thank you for your attention to these guidelines.

Istruzioni di Sicurezza per l'Uso degli Inserti Grip Ransom

Introduzione

Grazie per aver scelto gli Inserti Grip Ransom per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la precisione e la sicurezza durante le sessioni di tiro. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip Ransom specificamente progettati per il tuo Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma.
- Controlla regolarmente il tuo Ransom Rest e gli inserti grip per assicurarti che non presentino segni di usura o danni.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- Segnala immediatamente eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti grip durante il tiro se noti segni di usura o danni.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti grip.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Evita di sovraccaricare il tuo Ransom Rest, poiché ciò potrebbe causare malfunzionamenti.
- Non tentare di riparare o modificare gli inserti grip o il Ransom Rest.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Rimuovi l'arma dal Ransom Rest e assicurati che sia completamente scarica.
- Posiziona gli inserti grip Ransom nel Ransom Rest seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati prima di riposizionare l'arma.

2. Uso degli Inserti Grip:

- Posiziona l'arma sul Ransom Rest con gli inserti grip installati.
- Assicurati che l'arma sia in posizione di batteria abbassata prima di iniziare a tirare.
- Monitora attentamente le prestazioni durante il tiro e verifica che non ci siano vibrazioni eccessive o danni all'arma.

Istruzioni per lo Smaltimento

- Gli inserti grip e il Ransom Rest devono essere smaltiti secondo le normative locali per i rifiuti di apparecchiature elettriche ed elettroniche (RAEE).
- Non gettare il prodotto nell'indifferenziato, ma portalo presso un centro di raccolta autorizzato.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni, domande o segnalazioni di problemi di sicurezza, ti invitiamo a contattare il servizio

clienti del produttore. Assicurati di avere a disposizione il numero di modello e tutte le informazioni relative al tuo acquisto.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro ed efficace degli Inserti Grip Ransom. Ricorda sempre di prestare attenzione alle avvertenze e di rispettare le normative di sicurezza per proteggere te stesso e gli altri durante le tue sessioni di tiro.
