

GRIP INSERTS - RANSOM GRIP INSERTS FOR MAKAROV

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MAKAROV
- Manufacturer: RANSOM
- Product no.: 430119393
- Mfr. No.: 30-300-209
- Delivery weight: 0.907kg
- UPC: 810132581625

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR MAKAROV

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR MAKAROV. Diese Inserts sind speziell entwickelt, um die Leistung deines Makarov zu maximieren und gleichzeitig die Sicherheit während der Nutzung zu gewährleisten. Bitte lies die folgenden Anweisungen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts nur für den vorgesehenen Zweck verwendet werden.
- Verwende die Inserts nicht in Kombination mit harten oder 3Dgedruckten Kunststoffinserts.
- Achte darauf, dass die Inserts in einwandfreiem Zustand sind, bevor du sie verwendest.
- Halte dich über Rückrufinformationen und Sicherheitshinweise auf dem Laufenden.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts nur mit dem Master Series Ransom Rest.
- Überprüfe regelmäßig, ob die Inserts Anzeichen von Abnutzung oder Beschädigung aufweisen.
- Halte die Inserts und den Ransom Rest sauber und frei von Schmutz und Ablagerungen.
- Achte darauf, dass der Ransom Rest korrekt und sicher aufgestellt ist, um ein Umkippen oder Verrutschen zu vermeiden.
- Verwende die Inserts nicht, wenn du Anzeichen von Beschädigungen oder Fehlfunktionen bemerkst.

Anweisungen zur Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest auf einer stabilen und ebenen Fläche steht.
- Setze die Grip Inserts gemäß den beiliegenden Anweisungen in den Ransom Rest ein.
- Überprüfe, ob die Inserts sicher und fest sitzen.

2. Verwendung der Inserts:

- Positioniere deine Waffe sicher im Ransom Rest.
- Achte darauf, dass du die Waffe sicher hältst und dass alle Sicherheitsvorkehrungen beachtet werden.
- Beginne mit dem Schießen, während die Inserts die Rückstoßenergie absorbieren. Achte darauf, dass du die Ergebnisse im Auge behältst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe.
- Stelle sicher, dass du die Inserts nicht einfach im Müll entsorgst, wenn sie noch funktionsfähig sind.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS FÜR MAKAROV kannst du dich an den Hersteller wenden. Bitte achte darauf, alle Sicherheitsrichtlinien und Anweisungen zu befolgen, um die Sicherheit und Effektivität der Inserts zu gewährleisten.

Vielen Dank, dass du die Sicherheitshinweise beachtet hast. Deine Sicherheit ist uns wichtig!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR MAKAROV

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Makarov firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe handling of all firearms and accessories.
- Always follow the manufacturer's instructions for your firearm.
- Use the grip inserts specifically designed for the Ransom Rest to prevent damage to your firearm.
- Be aware of the risks associated with improper use of grip inserts.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm by generating destructive recoil energy.
- **Absorption of Recoil:** The grip inserts are designed to absorb recoil and vibration similar to the human hand. Using hard inserts will not replicate this effect and can lead to inaccurate test results.
- **Check for Damage:** Regularly inspect your grip inserts for signs of wear or damage. Replace them if they show any signs of deterioration.
- **User Responsibility:** Understand that using inappropriate grip inserts can decrease the life of your firearm and may pose a risk of injury.
- **Follow Testing Protocols:** When conducting tests, ensure that you mimic humanlike handling to avoid flawed results.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom International Grip Inserts into the designated slots of the Ransom Rest.
- Ensure that the inserts fit snugly and do not move during use.

2. Usage:

- Position your firearm securely in the Ransom Rest with the grip inserts properly aligned.
- Begin your testing or shooting session, making sure to monitor the performance of both the firearm and the grip inserts.
- After each session, check the grip inserts for any signs of wear or damage.

3. PostUse Care:

- Clean the grip inserts as necessary to maintain their performance.
- Store the grip inserts in a safe and dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not incinerate or dispose of grip inserts in regular household waste if they contain hazardous materials.
- Always check local disposal guidelines for proper handling of firearm accessories.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts or safety instructions, please consult the manufacturer's website or contact their customer support.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your firearm are our top priorities.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Makarov

Introduzione

Benvenuto! Questo documento fornisce istruzioni di sicurezza importanti per l'uso degli Inserti GRIP RANSOM progettati per il Master Series Ransom Rest. È fondamentale seguire queste linee guida per garantire un uso sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti GRIP RANSOM raccomandati. L'uso di inserti rigidi o stampati in 3D può danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Non utilizzare il prodotto in condizioni non sicure o in ambienti non controllati.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi o stampati in 3D. Questi possono generare energia di rinculo distruttiva che danneggia l'arma.
- Gli inserti GRIP RANSOM sono progettati per assorbire vibrazioni e rinculo. Assicurati che siano installati correttamente per massimizzare la loro efficacia.
- Evita di utilizzare il Ransom Rest in modalità che non imitano il comportamento umano, poiché ciò può portare a risultati di test non affidabili.
- Ricorda che il danno causato da inserti inadeguati potrebbe non essere immediatamente evidente, ma si accumula nel tempo.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dal Ransom Rest.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Inserisci gli Inserti GRIP RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Verifica che gli inserti siano fissati saldamente e che non ci siano spazi vuoti.

2. Uso del Ransom Rest:

- Posiziona l'arma correttamente nel Ransom Rest.
- Assicurati che il Ransom Rest sia stabile e posizionato su una superficie piana.
- Esegui i test in un ambiente controllato e sicuro.
- Monitora attentamente il comportamento dell'arma durante il test per eventuali anomalie.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non devono essere smaltiti in modo inadeguato. Segui le normative locali per il corretto smaltimento dei materiali.
- Non gettare gli inserti danneggiati nell'ambiente. Contatta le autorità locali per ottenere informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori domande o preoccupazioni riguardanti la sicurezza degli Inserti GRIP RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore.

Seguendo queste istruzioni, puoi garantire un uso sicuro e responsabile degli Inserti GRIP RANSOM per Makarov. La tua sicurezza e quella degli altri è la nostra priorità.
