

GRIP INSERTS - RANSOM GRIP INSERTS FOR PARA ORDNANCE P13,P14,P16,P23

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR PARA ORDNANCE P13,P14,P16,P23
- Manufacturer: RANSOM
- Product no.: 430119397
- Mfr. No.: 30-300-211
- Delivery weight: 0.907kg
- UPC: 810132581700

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM Grip Inserts

Einführung

Herzlich willkommen! Diese Anleitung bietet wichtige Sicherheitshinweise und Anweisungen zur Verwendung der RANSOM Grip Inserts für Para Ordnance Modelle P13, P14, P16 und P23. Bitte lies diese Hinweise sorgfältig durch, um die sichere Nutzung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur für die vorgesehenen Para Ordnance Modelle verwendest.
- Verwende die Inserts nicht in Verbindung mit harten oder 3Dgedruckten Inserts, da diese deiner Waffe schaden können.
- Achte darauf, dass alle Sicherheitsvorkehrungen beim Schießen beachtet werden.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Handhabung.

Besondere Sicherheitsvorkehrungen für die Nutzung

- *Vermeidung von Verletzungen:* Harte Inserts können Rückstoßenergie erzeugen, die die Waffe beschädigen oder zu Verletzungen führen kann.
- *Regelmäßige Überprüfung:* Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- *Richtige Handhabung:* Achte darauf, die Inserts korrekt zu installieren und zu verwenden, um optimale Leistung zu erzielen.
- *Schutzkleidung:* Trage geeignete Schutzkleidung, wie Schutzbrille und Gehörschutz, beim Schießen.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe die Inserts auf korrekten Sitz und Stabilität.

2. Nutzung der Grip Inserts:

- Beginne mit einem kontrollierten Schießen, um die Leistung der Inserts zu testen.
- Achte auf die Rückstoßkontrolle und die Absorption der Inserts während des Schießens.
- Bei Anzeichen von Beschädigungen oder unnormalem Verhalten der Waffe, stoppe sofort den Gebrauch und überprüfe die Inserts.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Entsorgung sicher erfolgt, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM Grip Inserts, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Wichtige Hinweise

- Nutze keine harten oder 3Dgedruckten Inserts! Diese können gefährlich sein und die Leistung deiner Waffe negativ beeinflussen.
- Halte dich über Rückrufe und Sicherheitsupdates auf dem Laufenden, um sicherzustellen, dass du die neuesten Informationen erhältst.

Vielen Dank, dass du die Sicherheitshinweise beachtet hast. Viel Spaß beim Schießen mit deinen RANSOM Grip Inserts!

Ransom International Grip Inserts Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Para Ordnance firearms (models P13, P14, P16, P23). This guide provides important safety instructions and guidelines to ensure the safe and effective use of the grip inserts. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent damage to your firearm and ensure your safety.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest, as they can cause harm to your firearm.
- Always inspect the grip inserts before use to ensure they are in good condition and free from damage.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, damaging both the frame and barrel of your firearm. They fail to replicate humanlike recoil, leading to invalid test data.
- **Use Only Recommended Inserts:** The inserts are designed to match the durometer of the human hand, absorbing recoil forces effectively.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate with each shot. Regularly check your firearm for any signs of wear or damage.
- **Control Recoil:** Understand that vibration and recoil cannot be stopped but can be controlled. Ensure that the grip inserts are used to absorb these forces rather than transferring them to the firearm.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the firearm.
- Clean the grip area to ensure proper fit and adhesion.
- Insert the Ransom grip inserts according to the manufacturer's instructions, ensuring they are securely in place.

2. Usage:

- Always use the Ransom Rest with the installed grip inserts for accurate testing.
- Observe the firearm during use for any unusual vibrations or sounds that may indicate improper installation or damage.
- If you notice any issues, stop using the firearm immediately and inspect the inserts and firearm.

3. Testing:

- When conducting tests, mimic human handling to ensure accurate results.
- Avoid using hard or 3Dprinted inserts, as they will not provide valid test data.

Disposal Instructions

- Dispose of any damaged or unusable grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they contain hazardous materials; consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Your careful adherence to these guidelines will help ensure a safe and effective experience with your firearm and the Ransom International Grip Inserts.

Istruzioni di Sicurezza per i Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Ransom Rest. Questo prodotto è progettato per migliorare la precisione durante il tiro, ma è fondamentale seguirne le istruzioni di sicurezza per garantire un utilizzo corretto e sicuro. Questo manuale fornisce linee guida sulla sicurezza, precauzioni specifiche, istruzioni per l'installazione e l'uso, oltre a informazioni per lo smaltimento.

Linee Guida Generali sulla Sicurezza

- Utilizzare sempre i Grip Inserts RANSOM secondo le istruzioni fornite.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controllare regolarmente l'integrità degli inserti e sostituirli se mostrano segni di usura o danno.
- Tenere i Grip Inserts RANSOM lontano dalla portata di bambini e animali domestici.
- Segnalare eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurarsi che l'arma sia scarica prima di installare o rimuovere i Grip Inserts RANSOM.
- Non utilizzare gli inserti in situazioni di tiro estreme o in condizioni meteorologiche avverse.
- Fare attenzione ai danni: un inserto rigido può ridurre la vita della canna e dell'arma, e potrebbe causare lesioni in caso di malfunzionamento.
- Evitare di utilizzare il Ransom Rest con grip inserts non approvati, poiché ciò potrebbe invalidare i dati di test e compromettere la sicurezza dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Preparazione

- Assicurarsi che l'arma sia completamente scarica.
- Pulire l'area di lavoro per garantire un'installazione sicura.

2. Installazione degli Inserti

- Posizionare il Grip Insert RANSOM sul Ransom Rest.
- Assicurarsi che l'inserto sia fissato saldamente e che non ci siano spazi o movimenti.

3. Utilizzo

- Posizionare l'arma nel Ransom Rest con il Grip Insert installato.
- Assicurarsi che l'arma sia stabilizzata e che non ci siano movimenti durante il tiro.
- Monitorare continuamente le prestazioni e l'integrità dell'inserto durante l'uso.

4. Controllo PostUso

- Dopo ogni sessione di tiro, ispezionare il Grip Insert per eventuali danni o usura.
- Sostituire l'inserto se si notano segni di deterioramento.

Istruzioni per lo Smaltimento

- Gli inserti non più utilizzabili devono essere smaltiti secondo le normative locali riguardanti i rifiuti di plastica e materiali compositi.

- Non gettare gli inserti in natura; utilizzare i contenitori di raccolta differenziata appropriati.

Informazioni per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardo ai Grip Inserts RANSOM, contattare il produttore o un rivenditore autorizzato. È importante mantenere una comunicazione aperta per garantire la sicurezza e l'efficacia del prodotto.

Seguendo queste istruzioni e linee guida, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts RANSOM, migliorando la tua esperienza di tiro e mantenendo la tua arma in condizioni ottimali.
