

GRIP INSERTS - RANSOM GRIP INSERTS RUGER SUPER BH HUNTER,S47N/UNITED SPORTING ARMS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS RUGER SUPER BH HUNTER,S47N/UNITED SPORTING ARMS
- Manufacturer: RANSOM
- Product no.: 430119401
- Mfr. No.: 30-300-23-06
- Delivery weight: 0.907kg
- UPC: 810132581816

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zum Kauf deiner RANSOM GRIP INSERTS für die Ruger Super BH Hunter! Diese Inserts wurden speziell entwickelt, um die Leistung deiner Ransom Rest zu optimieren und dir ein sicheres und effektives Schießvergnügen zu bieten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Verwende die RANSOM GRIP INSERTS nur für den vorgesehenen Zweck.
- Halte die Inserts von Kindern fern. Sie sind nicht für den Gebrauch durch Kinder geeignet.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Berücksichtige alle lokalen Gesetze und Vorschriften bezüglich des Schießsports.
- Melde unsichere Produkte oder Vorfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt in deiner Ransom Rest installiert sind, um optimale Leistung zu gewährleisten.
- Lass die Inserts nicht in der Nähe von extremen Temperaturen oder Feuchtigkeit liegen.
- Verwende die Inserts nicht, wenn sie Anzeichen von Beschädigungen aufweisen.
- Halte dich an die Bedienungsanleitung der Ransom Rest, um sicherzustellen, dass du die Inserts korrekt verwendest.

Anweisungen zur Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass deine Ransom Rest sauber und trocken ist.
2. **Installation:**
 - Nimm die RANSOM GRIP INSERTS aus der Verpackung.
 - Setze die Inserts sorgfältig in die dafür vorgesehenen Bereiche deiner Ransom Rest ein.
 - Stelle sicher, dass die Inserts fest und sicher sitzen.
3. **Nutzung:**
 - Platziere dein Gewehr sicher in der Ransom Rest.
 - Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um Rückstoß und Vibrationen effektiv zu absorbieren.
 - Überwache die Leistung während des Schießens und achte auf ungewöhnliche Geräusche oder Bewegungen.

Entsorgungsanweisungen

- Entsorge die RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Wenn die Inserts beschädigt sind oder nicht mehr verwendet werden können, entsorge sie sicher, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den RANSOM GRIP INSERTS kannst du dich an den Hersteller oder an den Einzelhändler wenden, bei dem du das Produkt gekauft hast. Stelle sicher, dass du alle relevanten Informationen

über dein Produkt bereithältst, wenn du Unterstützung benötigst.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, deine Sicherheit und die Sicherheit anderer zu gewährleisten. Befolge alle Anweisungen sorgfältig, um ein sicheres und effektives Schießelerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS RUGER SUPER BH HUNTER, S47N/UNITED SPORTING ARMS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides important safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure that you understand the risks associated with using nonfood products, including the potential hazards of using hard grip inserts or 3Dprinted plastic grip inserts.
- **Enhanced Recalls:** Be aware that there are standardized recall notices for dangerous products, and you should stay informed about any recalls related to this product.
- **Online Shopping:** If you purchased this product online, know that it carries the same safety protections as products purchased in physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the appropriate EUbased contact information.
- **Rapid Alerts:** Stay updated on any unsafe product alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do not use hard grip inserts or 3Dprinted plastic grip inserts:** These can damage the gun by generating destructive recoil energy that travels through the frame and barrel.
- **Understand the physics of recoil:** Every action has an equal and opposite reaction. If vibration and recoil are not properly managed, they can cause damage to your firearm.
- **Use inserts designed for humanlike recoil:** The Ransom grip inserts are engineered to replicate the durometer of the human hand, providing accurate test results.
- **Monitor for damage:** Damage from improper inserts may not be immediately visible but can accumulate over time, leading to decreased firearm lifespan and potential safety hazards.
- **Mimic humanlike testing:** For accurate testing results, ensure that you are using inserts that replicate human handling and recoil absorption.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots in the Ransom Rest.
- Securely fasten the inserts in place, ensuring there are no gaps or loose fittings.

2. Usage Instructions:

- Before using the Ransom Rest with grip inserts, ensure that the firearm is unloaded and safely positioned.
- Place the firearm in the Ransom Rest, ensuring that it is properly secured.
- Conduct your shooting tests with the understanding that the grip inserts will absorb the initial vibrations and recoil, simulating a human hand's response.

- Regularly check the condition of the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Do not throw them in general waste.
- Consider recycling options if available, or consult local regulations for proper disposal methods for plastic materials.

Contact Information for Further Support

For any inquiries or additional support regarding the Ransom International Grip Inserts, please refer to your retailer or the appropriate EU contact point.

By following these safety instructions, you can ensure the effective use of your Ransom International Grip Inserts while minimizing risks associated with improper handling and equipment failure. Thank you for prioritizing safety in your shooting practices.

Istruzioni di Sicurezza per i Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questi inserti sono progettati per migliorare la precisione e le prestazioni della tua arma. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza di tiro sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM. L'uso di grip inserts rigidi o in plastica stampata in 3D può danneggiare l'arma e causare infortuni.
- Controlla sempre il prodotto per eventuali segni di usura o danni prima dell'uso.
- Non utilizzare il prodotto in condizioni di umidità o bagnato, poiché ciò può compromettere le prestazioni.
- Conserva i Grip Inserts RANSOM in un luogo asciutto e sicuro, lontano dalla portata dei bambini.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare i Grip Inserts RANSOM con armi che non siano compatibili con il Master Series Ransom Rest.
- Assicurati che l'arma sia scarica prima di installare o rimuovere i grip inserts.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie durante il tiro.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Assicurati che l'arma sia completamente scarica.
- Controlla che non ci siano proiettili nella camera o nel caricatore.

2. Installazione dei Grip Inserts RANSOM

- Rimuovi eventuali grip inserts esistenti.
- Posiziona i Grip Inserts RANSOM nel supporto del Master Series Ransom Rest, assicurandoti che siano ben allineati.
- Fissa gli inserti seguendo le istruzioni specifiche fornite con il prodotto.

3. Utilizzo

- Posiziona l'arma sul Ransom Rest con i Grip Inserts installati.
- Esegui un controllo finale per assicurarti che tutto sia fissato correttamente.
- Procedi al tiro seguendo le normative di sicurezza.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei materiali plastici.
- Contatta il tuo comune per informazioni su come smaltire correttamente i materiali non biodegradabili.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande sui Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o a visitare il sito web ufficiale del produttore. Assicurati di avere il modello del tuo prodotto a portata di mano per ricevere assistenza specifica.

Ti ringraziamo per aver scelto i Grip Inserts RANSOM. Seguendo queste istruzioni di sicurezza, contribuirai a garantire un'esperienza di tiro sicura e di alta precisione.
