

GRIP INSERTS - RANSOM GRIP INSERTS RUGER BH FLAT TOP,KBN-36/NEW BH/NEW SBH/SUPER6

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS RUGER BH FLAT TOP,KBN-36/NEW BH/NEW SBH/SUPER6
- Manufacturer: RANSOM
- Product no.: 430119402
- Mfr. No.: 30-300-23-05
- Delivery weight: 0.907kg
- UPC: 810132581809

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS RUGER BH FLAT TOP, KBN36/NEW BH/NEW SBH/SUPER6

Einführung

Herzlichen Glückwunsch zu deinem Kauf der Ransom Grip Inserts! Diese Inserts sind speziell für die Verwendung mit deinem Ransom Rest konzipiert, um die Leistung zu maximieren und die Sicherheit zu gewährleisten. Um die sichere Nutzung zu gewährleisten, lies bitte die folgenden Sicherheitsrichtlinien und Anweisungen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Ransom Grip Inserts nur gemäß den Anweisungen des Herstellers verwendest.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen, bevor du sie verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts von Kindern und schutzbedürftigen Personen fern.
- Informiere dich über Rückrufaktionen und Sicherheitsupdates über die EU Safety GatePlattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeidung von harten Inserts:** Harte Inserts können destruktive Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- **Richtige Montage:** Stelle sicher, dass die Inserts korrekt in den Ransom Rest eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- **Überprüfung vor der Nutzung:** Überprüfe vor jeder Nutzung, dass die Inserts ordnungsgemäß installiert sind und keine Risse oder Beschädigungen aufweisen.
- **Beobachtung während des Gebrauchs:** Achte während des Schießens auf ungewöhnliche Geräusche oder Vibrationen, die auf ein Problem mit den Inserts hinweisen könnten.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen Ransom Grip Inserts vorsichtig in die dafür vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegung zulassen.

2. Verwendung des Ransom Rests:

- Positioniere das Gewehr sicher im Ransom Rest.
- Stelle sicher, dass die Inserts korrekt ausgerichtet sind, um den Rückstoß zu absorbieren.
- Führe die Schüsse durch, während du die Stabilität des Ransom Rests beobachtest.

3. Nach der Nutzung:

- Überprüfe die Inserts auf Abnutzung oder Beschädigungen.
- Reinige die Inserts regelmäßig, um Schmutz und Rückstände zu entfernen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den Ransom Grip Inserts, wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle Sicherheitsrichtlinien befolgst, um eine sichere Nutzung zu gewährleisten.

Danke, dass du dich für die Ransom Grip Inserts entschieden hast! Deine Sicherheit und die deines Gewehrs stehen an erster Stelle.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS RUGER BH FLAT TOP

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS RUGER BH FLAT TOP. This product is designed to enhance your shooting experience while ensuring safety and performance. It is essential to follow the safety guidelines provided in this manual to prevent any hazards and ensure optimal use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the grip inserts.
- Use only Ransom International Grip Inserts with your Master Series Ransom Rest. Other types, such as hard or 3Dprinted inserts, may cause damage to your firearm.
- Be aware that improper use of grip inserts may lead to injury or damage to your firearm.
- Regularly inspect your grip inserts for wear and tear. Replace them if they show signs of damage.
- Follow local laws and regulations regarding the use of firearms and shooting equipment.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can generate destructive recoil energy that may damage the firearm.
- **Understand Recoil Dynamics:** The grip inserts are designed to mimic the human hand's ability to absorb recoil. Using incompatible inserts may lead to inaccurate testing results.
- **Monitor for Signs of Damage:** Be vigilant about any changes in your firearm's performance. A hard insert can decrease the life of the barrel and gun.
- **Safety First:** If you notice any unusual behavior from your firearm during use, stop immediately and inspect the equipment.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the mounting points on the Ransom Rest.
- Securely fasten the grip inserts according to the manufacturer's instructions.

2. Usage:

- Position the firearm in the Ransom Rest securely.
- Ensure that the grip inserts are properly engaged and absorbing the recoil.
- Conduct your shooting practice while monitoring the performance of the grip inserts and the firearm.

3. PostUse Care:

- After use, clean the grip inserts according to the manufacturer's guidelines.
- Store the grip inserts in a dry, safe place to prevent damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local waste disposal regulations.
- Do not throw grip inserts in regular household waste if they are made from specialized materials. Check for recycling options that may be available in your area.

Contact Information for Further Support

For any inquiries regarding the product, please refer to the manufacturer's contact details provided with your purchase. It is essential to have a point of contact for addressing any safety concerns or product issues.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and effective shooting experience with your GRIP INSERTS RANSOM GRIP INSERTS RUGER BH FLAT TOP. Always prioritize safety and proper equipment use to enhance your shooting performance.

Istruzioni di Sicurezza per gli Inserti per Impugnatura RANSOM

Introduzione

Gli inserti per impugnatura RANSOM sono progettati per garantire prestazioni superiori e proteggere la tua arma durante i test di tiro. È fondamentale seguire le istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che gli inserti siano compatibili con il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Verifica regolarmente lo stato degli inserti e sostituiscili se mostrano segni di usura.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del prodotto.
- Se noti comportamenti anomali durante l'uso, interrompi immediatamente il test e verifica il prodotto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare mai gli inserti RANSOM in condizioni di umidità o in ambienti estremi che potrebbero comprometterne l'integrità.
- Evita di utilizzare gli inserti con munizioni difettose o non conformi.
- Assicurati di avere una buona visibilità e un'adeguata ventilazione nell'area di tiro.
- Non lasciare mai l'arma incustodita mentre è montata sul Ransom Rest.
- Utilizza sempre occhiali e protezioni per le orecchie quando effettui dei test di tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi gli inserti esistenti dal Ransom Rest.
- Posiziona gli inserti RANSOM nel supporto, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti o movimenti allentati.

2. Uso degli Inserti

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Assicurati che l'arma sia in posizione di batteria abbassata e che il carrello sia bloccato.
- Esegui i test di tiro seguendo le procedure standard di sicurezza.

3. Controllo PostUso

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.
- Sostituisci gli inserti se noti crepe, deformazioni o altri danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica o materiali compositi.
- Contatta un centro di raccolta rifiuti per informazioni su come smaltire correttamente gli inserti.

Informazioni di Contatto per Ulteriori Supporto

Per domande relative alla sicurezza o per segnalare prodotti difettosi, contatta il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare la comunicazione.

Avvertenze Finali

- La sicurezza è una responsabilità condivisa. Segui sempre le linee guida di sicurezza e non esitare a contattare esperti se hai dubbi sull'uso degli inserti RANSOM.
- Ricorda che l'uso improprio degli inserti può portare a danni all'arma e potenziali infortuni. Utilizza sempre il buon senso e la cautela durante le operazioni di tiro.
