

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SUPER REDHAWK

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SUPER REDHAWK
- Manufacturer: RANSOM
- Product no.: 430119406
- Mfr. No.: 30-300-23-11
- Delivery weight: 0.907kg

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER SUPER REDHAWK

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für den Ruger Super Redhawk entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit bei der Verwendung dieses Produkts zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Bedienungsanleitung vollständig gelesen und verstanden hast, bevor du das Produkt verwendest.
- Verwende die GRIP INSERTS nur für den vorgesehenen Zweck.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unbefugtem Zugriff.
- Überprüfe das Produkt regelmäßig auf Beschädigungen oder Abnutzung. Verwende es nicht, wenn es beschädigt ist.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten oder 3Dgedruckten Einsätzen, da diese deinem Gewehr schaden können.
- Achte darauf, dass die GRIP INSERTS korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Sei dir bewusst, dass harte Einsätze schädliche Rückstoßenergien erzeugen können, die die Funktionalität und Sicherheit deines Gewehrs beeinträchtigen.
- Bei der Verwendung der GRIP INSERTS ist es wichtig, die menschliche Rückstoßdynamik zu berücksichtigen, um wiederholbare Testergebnisse zu erzielen.

Anweisungen für Installation und Nutzung

• Installation der GRIP INSERTS:

1. Entferne die alten Griffesätze von deinem Ruger Super Redhawk.
2. Reinige die Fläche, auf der die neuen Inserts montiert werden.
3. Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein, bis sie fest sitzen.
4. Überprüfe die Installation, um sicherzustellen, dass die Inserts korrekt und sicher angebracht sind.

• Nutzung der GRIP INSERTS:

1. Halte das Gewehr immer mit beiden Händen fest, um maximale Kontrolle zu gewährleisten.
2. Achte darauf, dass du beim Schießen eine stabile Position hast, um Rückstoß und Vibrationen effektiv zu absorbieren.
3. Vermeide es, das Gewehr zu überlasten oder übermäßig zu beanspruchen, um Schäden zu vermeiden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass alle Teile des Produkts sicher und umweltfreundlich entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken bezüglich der Sicherheit und Nutzung der GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Fachhändler. Achte darauf, alle relevanten Informationen zu deinem Produkt bereitzuhalten, um eine schnelle und effiziente Unterstützung zu erhalten.

Diese Anleitung wurde erstellt, um dir eine sichere und effektive Nutzung der GRIP INSERTS RANSOM GRIP INSERTS für deinen Ruger Super Redhawk zu ermöglichen. Bitte befolge alle Sicherheitsrichtlinien und Anweisungen sorgfältig, um Risiken zu minimieren und die Lebensdauer deines Gewehrs zu maximieren.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER SUPER REDHAWK

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Super Redhawk. This guide provides essential safety instructions to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure safe use of the grip inserts to prevent damage to your firearm and ensure user safety.
- Be aware that improper use of hard grip inserts or 3Dprinted plastic grip inserts can lead to dangerous recoil and potential injury.
- Always follow the manufacturer's recommendations for grip inserts to maintain the integrity of your firearm.
- Report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Understand that hard inserts can generate destructive recoil energy that may damage your firearm.
- Be aware that hard or poorly engineered inserts fail to replicate humanlike recoil, leading to invalid test data.
- Regularly inspect your grip inserts for signs of wear or damage before each use.
- Ensure that the grip inserts are properly installed and securely attached to your firearm before use.
- Note that using hard inserts may decrease the life of your barrel and gun, and could potentially cause injury.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your firearm.
- Clean the grip area to ensure proper adhesion of the new inserts.
- Carefully position the Ransom grip inserts according to the manufacturer's guidelines.
- Ensure that the inserts are securely attached and do not move when pressure is applied.

2. Usage:

- Always use the grip inserts in conjunction with the Ransom Rest to ensure accurate testing.
- Follow the recommended testing protocols to mimic humanlike recoil for valid data.
- Avoid using hard or 3Dprinted inserts during testing to prevent damage to your firearm.
- Monitor the performance of the grip inserts during use and replace them if any signs of wear are detected.

Disposal Instructions

- Dispose of any worn or damaged grip inserts in accordance with local waste disposal regulations.
- Do not dispose of inserts in regular household waste; check for recycling programs that accept plastic

materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging. It is important to have access to support for any safety inquiries or product concerns.

Important Note: Always prioritize safety and adhere to the guidelines outlined in this document to ensure a safe and effective experience with your Ransom International Grip Inserts.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per Ruger Super Redhawk

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Ruger Super Redhawk. Questi inserti sono progettati per migliorare le prestazioni del tuo Master Series Ransom Rest, garantendo una simulazione del rinculo più realistica e sicura. È fondamentale seguire attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Non lasciare mai l'arma incustodita mentre è montata nel Ransom Rest.
- Segui tutte le normative locali riguardanti l'uso delle armi.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le forze di rinculo. Non utilizzare inserti che non replicano il comportamento della mano umana.
- Evita di testare l'arma con inserti non approvati, poiché ciò potrebbe invalidare i risultati e causare danni.
- Non utilizzare gli inserti per colpi di prova a meno che non siano stati installati correttamente.
- Se noti vibrazioni eccessive o rumori anomali durante l'uso, interrompi immediatamente l'uso e verifica l'integrità dell'inserto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi l'inserto attuale dalla tua impugnatura Ransom.
- Seleziona l'inserto GRIP RANSOM appropriato per il tuo Ruger Super Redhawk.
- Inserisci l'inserto nella posizione corretta, assicurandoti che sia ben fissato.
- Controlla che l'inserto non si muova e sia allineato correttamente.

2. Uso degli Inserti:

- Monta l'arma nel Ransom Rest seguendo le istruzioni del produttore.
- Assicurati che l'arma sia in posizione stabile prima di iniziare il tiro.
- Esegui i colpi di prova in un ambiente controllato e sicuro.
- Monitora costantemente le condizioni dell'inserto durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti secondo le normative locali riguardanti i rifiuti di prodotti in plastica e materiali compositi.
- Non gettare gli inserti nel normale rifiuto domestico.
- Contatta le autorità locali per informazioni sullo smaltimento sicuro.

Informazioni per Ulteriori Supporto

Per domande o ulteriori informazioni riguardanti gli inserti RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o a consultare il sito web ufficiale di RANSOM INTERNATIONAL. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo acquisto.

Grazie per aver scelto gli Inserti GRIP RANSOM. La tua sicurezza è la nostra priorità.
