

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 151 OR HIGHER

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 151 OR HIGHER
- Manufacturer: RANSOM
- Product no.: 430119412
- Mfr. No.: 30-300-23-14
- Delivery weight: 0.907kg
- UPC: 810132581915

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS für Ruger Security Six

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS für deine Ruger Security Six. Diese Inserts sind darauf ausgelegt, die Leistung deiner Master Series Ransom Rest zu optimieren und gleichzeitig die Sicherheit während der Nutzung zu gewährleisten. Bitte lese die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit der Ruger Security Six verwendest, die die Seriennummer 151 oder höher hat.
- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass du die Inserts regelmäßig auf Schäden oder Abnutzung überprüfst.
- Halte dich an die allgemeinen Sicherheitsrichtlinien für den Umgang mit Feuerwaffen.

Besondere Sicherheitsvorkehrungen bei der Nutzung

- Die RANSOM GRIP INSERTS sind so konzipiert, dass sie die Duometrie der menschlichen Hand nachahmen. Sie absorbieren Rückstoß und Vibrationen, um die Genauigkeit zu erhöhen.
- Vermeide es, die Inserts zu verwenden, wenn sie beschädigt sind. Beschädigte Inserts können gefährlich sein und die Testergebnisse verfälschen.
- Achte darauf, dass du während des Schießens eine sichere Umgebung hast. Halte dich an alle Sicherheitsvorschriften für den Schießstand.
- Verwende die Inserts nur in Verbindung mit der vorgesehenen Waffe und den entsprechenden Testgeräten.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne die bestehenden Inserts aus der Ransom Rest, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Positioniere die Ransom Rest auf einer stabilen Oberfläche.
- Stelle sicher, dass die Waffe sicher im Ransom Rest eingespannt ist.
- Führe deine Tests durch, während du darauf achtest, dass die Inserts korrekt funktionieren und keine Schäden aufweisen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Informiere dich über umweltfreundliche Entsorgungsmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM GRIP INSERTS kannst du dich an den Hersteller wenden. Bitte beachte, dass es wichtig ist, alle Sicherheitsvorschriften zu befolgen und bei Unsicherheiten professionelle Unterstützung in Anspruch zu nehmen.

Bitte beachte, dass die Sicherheit bei der Nutzung von Produkten wie den RANSOM GRIP INSERTS von größter Bedeutung ist. Halte dich an die oben genannten Richtlinien, um sicherzustellen, dass du und andere sicher bleiben.

Safety Instructions for GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER SECURITY SIX SN 151 OR HIGHER

Introduction

Thank you for choosing Ransom International Grip Inserts for your Ruger Security Six. These grip inserts are designed to enhance your shooting experience by mimicking the natural feel of the human hand. However, it is crucial to follow safety guidelines to ensure proper use and prevent damage to your firearm or personal injury.

General Safety Guidelines

- Ensure the product is suitable for your specific firearm model.
- Always handle firearms with care and follow all safety protocols.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts.
- Regularly inspect the product for wear and tear.
- Store the grip inserts in a safe and dry location when not in use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts as they can damage your firearm and produce invalid test results.
- Ensure that the grip inserts are properly installed before use.
- Be aware that improper use may lead to decreased firearm performance or potential injury.
- Always wear appropriate safety gear when testing or using your firearm.
- Keep the area clear of unauthorized individuals, especially children.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before beginning the installation process.
- Remove any existing grips from your Ruger Security Six.
- Align the Ransom grip inserts with the grip frame of your firearm.
- Secure the grip inserts according to the manufacturer's instructions.
- Doublecheck that the inserts are firmly in place.

2. Usage:

- Use the grip inserts in conjunction with the Ransom Rest for accurate testing.
- Monitor the performance of the grip inserts during use, looking for any signs of wear.
- Avoid using the firearm in a manner that could lead to damage or injury.
- Always follow standard firearm handling practices.

Disposal Instructions

- Dispose of any worn or damaged grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding the safety or performance of your Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to safety and proper usage.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM

Introduzione

Benvenuto nella guida di sicurezza per i Grip Inserts Ransom progettati per il Ruger Security Six (SN 151 o superiore). Questa guida ha lo scopo di fornire informazioni chiare e dettagliate per garantire un utilizzo sicuro e responsabile del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti (EU General Product Safety Regulation GPSR).

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts Ransom solo con il Ruger Security Six (SN 151 o superiore).
- Evita l'uso di grip insert rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Segui tutte le istruzioni di installazione e utilizzo fornite in questo documento.
- Informa immediatamente le autorità competenti in caso di incidenti o prodotti non sicuri.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip insert rigidi: possono generare energia di rinculo distruttiva.
- Assicurati che il Grip Insert Ransom sia installato correttamente prima di ogni utilizzo.
- Non utilizzare il prodotto se presenta segni di usura o danni.
- Se hai domande sull'uso del prodotto, consulta un esperto prima di procedere.
- Tieni i Grip Inserts lontano dalla portata dei bambini e di gruppi vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Grip Insert Ransom:

- Rimuovi il grip insert attuale dal tuo Ruger Security Six.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Posiziona il Grip Insert Ransom nell'alloggiamento designato.
- Assicurati che il grip insert sia ben fissato e non ci siano spazi vuoti.

2. Utilizzo:

- Prima di utilizzare l'arma, verifica che il Grip Insert Ransom sia correttamente installato.
- Durante il tiro, mantieni una presa salda e controllata sull'arma.
- Osserva attentamente il comportamento dell'arma durante il tiro e verifica eventuali anomalie.

3. Manutenzione:

- Controlla regolarmente il Grip Insert Ransom per segni di usura.
- Se noti danni, sostituisci il grip insert prima di utilizzare l'arma.

Istruzioni per lo Smaltimento

- Non gettare il Grip Insert Ransom insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali sintetici.
- Considera di riciclare il prodotto se le strutture locali lo consentono.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza dei Grip Inserts Ransom, ti invitiamo a contattare un esperto o un rivenditore autorizzato. Assicurati di conservare la ricevuta d'acquisto e la documentazione del prodotto per eventuali richieste di assistenza.

Grazie per aver scelto i Grip Inserts Ransom. La tua sicurezza è la nostra priorità.
