

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SECURITY 9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SECURITY 9
- Manufacturer: RANSOM
- Product no.: 430119414
- Mfr. No.: 30-300-23-24
- Delivery weight: 0.907kg
- UPC: 810132582004

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER SECURITY 9

Einführung

Die GRIP INSERTS RANSOM GRIP INSERTS sind speziell für die Ruger Security 9 entwickelt worden, um die Leistung deines Master Series Ransom Rest zu maximieren. Diese Sicherheitshinweise sind wichtig, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigung.
- Lagere die Inserts an einem trockenen, kühlen Ort, um ihre Lebensdauer zu verlängern.
- Halte dich an alle Anweisungen zur Nutzung und Installation, um potenzielle Gefahren zu vermeiden.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide den Einsatz der Inserts bei extremen Wetterbedingungen, die ihre Funktion beeinträchtigen könnten.
- Bei Anzeichen von Beschädigungen oder Verschleiß, wie Rissen oder Verfärbungen, sofort die Inserts ersetzen.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts vorsichtig aus deinem Ransom Rest.
- Setze die neuen GRIP INSERTS gemäß den beiliegenden Anweisungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Nutzung der GRIP INSERTS:

- Stelle sicher, dass dein Ransom Rest richtig kalibriert ist, bevor du mit dem Schießen beginnst.
- Überprüfe regelmäßig die Position der Inserts während des Gebrauchs.
- Achte darauf, dass du die Inserts nach jedem Gebrauch auf Abnutzung überprüfst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, um eine Kontamination zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Für weitere Informationen oder Unterstützung, konsultiere bitte die Bedienungsanleitung oder wende dich an den Hersteller.

Diese Sicherheitshinweise sind wichtig, um die Sicherheit und Leistung der GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER SECURITY 9 zu gewährleisten. Befolge sie sorgfältig, um ein sicheres Schießerlebnis zu

haben.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER SECURITY 9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Security 9. These grip inserts are designed to enhance your shooting experience while ensuring safety and performance. Please read this guide carefully to understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm before use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Ransom Rest, as they can damage your firearm.
- Regularly inspect the grip inserts for wear and tear. Replace them if any damage is detected.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may harm your firearm. They do not mimic humanlike recoil, leading to inaccurate test data.
- **Correct Installation:** Ensure that the grip inserts are installed correctly to prevent any movement during use.
- **Monitor Usage:** Pay attention to the performance of the inserts during use. If you notice any unusual behavior or damage, stop using the product immediately.
- **Vibration and Recoil Management:** The inserts are designed to absorb vibration and recoil. Do not attempt to modify or alter them, as this could lead to unsafe conditions.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installing the grip inserts.
- Gather all necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip area of the firearm.
- Firmly press the inserts into place until they fit snugly. Ensure there are no gaps.

3. Usage:

- Place the firearm in the Ransom Rest according to the manufacturer's instructions.
- Begin your testing procedure while being mindful of the recoil and vibration management provided by the inserts.
- After each session, inspect the grip inserts for any signs of wear or damage.

4. PostUsage:

- Clean the inserts as necessary to maintain their performance.
- Store the grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom Grip Inserts, please contact the manufacturer or refer to the product documentation. Always ensure you have the latest information regarding safety and usage.

Thank you for your attention to these safety guidelines. Your safety and the performance of your firearm are our top priorities.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per Ruger Security 9

Introduzione

Benvenuto! Questo documento fornisce importanti istruzioni di sicurezza per l'uso dei Grip Inserts RANSOM progettati specificamente per la Ruger Security 9. È fondamentale seguire queste linee guida per garantire la tua sicurezza e quella degli altri durante l'uso del prodotto.

Linee Guida Generali di Sicurezza

- Usa sempre i Grip Inserts RANSOM secondo le istruzioni fornite.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D. Questi possono danneggiare l'arma e causare incidenti.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata dei bambini.
- In caso di incidenti o malfunzionamenti, contatta immediatamente un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Protezione dell'arma:** Gli inserti rigidi possono generare energia di rinculo distruttiva che danneggia l'arma. Utilizza solo i Grip Inserts RANSOM.
- **Assorbimento delle vibrazioni:** Gli inserti sono progettati per assorbire le vibrazioni e le armoniche, per un rinculo simile a quello umano. Assicurati che gli inserti siano installati correttamente per massimizzare questo beneficio.
- **Controllo delle forze:** Evita di utilizzare grip inserts che non controllano le forze in gioco, poiché possono causare danni all'arma e lesioni personali.
- **Attenzione ai materiali:** Non utilizzare inserti in plastica rigida o materiali non consigliati. Questi possono compromettere la sicurezza del prodotto.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che la Ruger Security 9 sia scarica e in una posizione sicura prima di procedere con l'installazione degli inserti.
2. **Installazione:**
 - Rimuovi eventuali inserti esistenti dalla tua arma.
 - Posiziona i Grip Inserts RANSOM nel telaio dell'arma, assicurandoti che siano allineati correttamente.
 - Fissa gli inserti seguendo le istruzioni specifiche fornite con il prodotto.
3. **Uso:**
 - Durante l'uso, presta attenzione al comportamento dell'arma. Se noti vibrazioni anomale o altri problemi, interrompi immediatamente l'uso e verifica gli inserti.
 - Utilizza sempre l'arma in un ambiente sicuro e controllato.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali sui rifiuti. Non gettarli in discarica senza aver verificato le disposizioni locali.
- Rivolgiti a un centro di raccolta autorizzato per il corretto smaltimento di materiali potenzialmente pericolosi.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza e l'uso dei Grip Inserts RANSOM, ti invitiamo a contattare il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a disposizione per ricevere assistenza.

Seguendo queste istruzioni, puoi garantire una maggiore sicurezza e una migliore esperienza d'uso con i Grip Inserts RANSOM per la tua Ruger Security 9. La tua sicurezza è la nostra priorità!
