

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER SECURITY 9 COMPACT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER SECURITY 9 COMPACT
- Manufacturer: RANSOM
- Product no.: 430119417
- Mfr. No.: 30-300-23-24-C
- Delivery weight: 0.907kg
- UPC: 810132582011

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER SECURITY 9 COMPACT

Einleitung

Willkommen zu den Sicherheitshinweisen für die RANSOM Grip Inserts, die speziell für die Ruger Security 9 Compact entwickelt wurden. Diese Anleitung hilft dir, die Inserts sicher zu verwenden und potenzielle Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur für den vorgesehenen Zweck verwendest.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzungserscheinungen.
- Halte die Inserts und alle damit verbundenen Produkte außerhalb der Reichweite von Kindern.
- Achte darauf, dass alle Benutzer der Waffe mit den Sicherheitsrichtlinien vertraut sind.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide den Einsatz von Inserts, die nicht von RANSOM INTERNATIONAL hergestellt wurden.
- Wenn du Anzeichen von Beschädigungen oder abnormalem Verhalten beim Schießen bemerkst, stoppe sofort die Verwendung und kontaktiere den Hersteller.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Überprüfe die Passform der Inserts, um sicherzustellen, dass sie fest sitzen.

2. Verwendung der Inserts:

- Stelle sicher, dass du die Waffe in einer sicheren Umgebung verwendest.
- Halte die Waffe mit beiden Händen fest, um den Rückstoß und die Vibrationen effektiv zu absorbieren.
- Führe Schüsse nur ab, wenn du sicher bist, dass die Umgebung sicher ist.

Entsorgungsanweisungen

- Entsorge beschädigte oder nicht mehr benötigte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass du die Inserts nicht einfach im Müll entsorgst, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zu den Grip Inserts kannst du den Hersteller kontaktieren. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst.

Schlussfolgerung

Die RANSOM Grip Inserts sind eine hervorragende Wahl, um die Leistung deiner Ruger Security 9 Compact zu optimieren. Befolge alle Sicherheitsrichtlinien und Anweisungen, um sicherzustellen, dass du die besten Ergebnisse erzielst und Risiken vermeidest. Achte darauf, regelmäßig Informationen zu Rückrufen oder Sicherheitswarnungen über die EU Safety Gate-Plattform zu überprüfen.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER SECURITY 9 COMPACT

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Security 9 Compact. These grip inserts are designed to enhance the accuracy and safety of your shooting experience. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the grip inserts.
- Ensure the firearm is unloaded before installing or adjusting the grip inserts.
- Use only the recommended grip inserts; avoid hard grip inserts or 3Dprinted plastic inserts.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts as they can damage the firearm.
- Avoid using 3Dprinted plastic grip inserts; they may not replicate humanlike recoil.
- Ensure that the grip inserts match the durometer of the human hand for optimal performance.
- Be aware that using hard inserts can lead to increased wear on the barrel and gun.
- Understand that improper use of grip inserts may result in injury or death.
- Always mimic humanlike handling when conducting tests to ensure valid results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded.
- Remove any existing grip inserts from the firearm.
- Select the appropriate Ransom grip insert that matches the firearm model.
- Align the grip insert with the grip area of the firearm.
- Securely attach the grip insert, ensuring it fits snugly and is stable.

2. Usage of Grip Inserts:

- When using the Ransom Rest, ensure that the grip inserts are properly installed.
- Monitor the performance of the grip inserts during use, checking for any signs of damage or wear.
- After each shooting session, inspect the grip inserts for any signs of deterioration.
- If any issues are noted, discontinue use and replace the grip inserts as necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding the safety or performance of the grip inserts, please refer to the manufacturer's contact information provided with your product. Always ensure you have access to support for any safety concerns.

By following these safety instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti GRIP RANSOM per Ruger Security 9 Compact

Introduzione

Benvenuto nella guida di sicurezza per gli inserti GRIP RANSOM progettati per il Ruger Security 9 Compact. Questa guida fornisce informazioni importanti per garantire un utilizzo sicuro e corretto del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare il prodotto solo come indicato nelle istruzioni.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala immediatamente qualsiasi prodotto difettoso o incidente alle autorità competenti.
- Rimani informato su eventuali richiami tramite il sistema Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti non autorizzati.
- Non utilizzare il prodotto se noti danni o usura.
- Non tentare di modificare o riparare gli inserti.
- Utilizza sempre il prodotto in un ambiente sicuro e controllato.
- Assicurati che le persone intorno a te siano a una distanza sicura durante l'uso dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi eventuali inserti esistenti dalla tua arma.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Inserisci gli inserti GRIP RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente in posizione prima di utilizzare l'arma.

2. Utilizzo degli Inserti:

- Testa sempre l'arma in un'area sicura prima dell'uso effettivo.
- Monitora il comportamento dell'arma durante il tiro per eventuali anomalie.
- Non utilizzare l'arma se noti vibrazioni eccessive o comportamenti anomali.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti usati.
- Non gettare gli inserti nella spazzatura comune. Contatta un centro di raccolta per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande relative alla sicurezza o per segnalare un prodotto difettoso, ti invitiamo a contattare il tuo rivenditore o il produttore.

Questa guida è stata redatta per garantire la tua sicurezza e il corretto utilizzo degli inserti GRIP RANSOM. Segui

queste istruzioni attentamente per ridurre al minimo i rischi e migliorare la tua esperienza di utilizzo.
