

GRIP INSERTS - RANSOM GRIP INSERTS FOR PARA ORDNANCE LDA;ROCK ISLAND 1911-A1 CS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR PARA ORDNANCE LDA;ROCK ISLAND 1911-A1 CS
- Manufacturer: RANSOM
- Product no.: 430119426
- Mfr. No.: 30-300-24-01
- Delivery weight: 0.907kg
- UPC: 810132581779

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR PARA ORDNANCE LDA; ROCK ISLAND 1911A1 CS

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung soll dir helfen, das Produkt sicher zu verwenden und mögliche Risiken zu vermeiden. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die besten Ergebnisse erzielst und die Sicherheit gewährleistet ist.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Übereinstimmung mit den Anweisungen des Herstellers verwendest.
- Halte die GRIP INSERTS außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Überprüfe das Produkt regelmäßig auf Anzeichen von Beschädigungen oder Abnutzung.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten oder 3Dgedruckten Einsätzen, da diese deinem Gewehr schaden können.
- Achte darauf, dass die GRIP INSERTS gut in deinem Master Series Ransom Rest sitzen, um optimale Ergebnisse zu erzielen.
- Verwende die Einsätze nur mit den vorgesehenen Waffen, um sicherzustellen, dass sie korrekt funktionieren.
- Sei dir bewusst, dass harte Einsätze die Lebensdauer deines Laufs und Gewehrs verringern können und möglicherweise Verletzungen verursachen können.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Einsätze aus deinem Master Series Ransom Rest.
- Setze die neuen GRIP INSERTS vorsichtig an der vorgesehenen Stelle ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Lücken oder Bewegungen aufweisen.

2. Nutzung der GRIP INSERTS:

- Stelle sicher, dass dein Ransom Rest stabil auf einer ebenen Fläche steht.
- Lade deine Waffe gemäß den Sicherheitsrichtlinien und überprüfe, ob alles ordnungsgemäß funktioniert.
- Beginne mit dem Schießen und beobachte die Leistung der GRIP INSERTS. Achte auf Vibrationen und Rückstoß.

3. Nach dem Schießen:

- Überprüfe die GRIP INSERTS auf Anzeichen von Abnutzung oder Beschädigung.
- Reinige die Einsätze gemäß den Empfehlungen des Herstellers, um ihre Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass alle Teile sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den GRIP INSERTS, wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, dass du alle relevanten Informationen zu deinem Produkt bereithältst, um eine schnelle und effiziente Unterstützung zu gewährleisten.

Fazit

Die Sicherheit bei der Verwendung der GRIP INSERTS von RANSOM ist von größter Bedeutung. Befolge die oben genannten Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten. Achte darauf, dass du regelmäßig auf Sicherheitsupdates achtest und melde unsichere Produkte sofort. Viel Spaß beim Schießen!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR PARA ORDNANCE LDA; ROCK ISLAND 1911A1 CS

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance the performance of your Master Series Ransom Rest by mimicking the durometer of the human hand. This guide aims to provide you with essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product documentation.
- Always inspect the grip inserts for any signs of wear or damage before use.
- Keep the grip inserts out of reach of children and vulnerable individuals to prevent accidents.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as these can damage your firearm and render test data invalid.
- Report any unsafe products or accidents associated with this product to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts. These can generate destructive recoil energy and harm your firearm.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be stopped; they must be controlled. Using the correct inserts will help manage these forces.
- **Monitor for Damage:** Regularly check your firearm for any signs of damage or wear that may result from improper use of grip inserts.
- **Follow Testing Protocols:** For accurate testing, always use inserts that mimic humanlike recoil to ensure valid results.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installing or using the grip inserts.
- Familiarize yourself with the components of the Master Series Ransom Rest.

2. Installation:

- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the new Ransom Grip Inserts with the designated slots on the rest.
- Firmly press the inserts into place until they are securely fitted.

3. Usage:

- Position your firearm in the Ransom Rest with the grip inserts properly aligned.
- Conduct your tests while ensuring the Ransom Rest is stable and secure.
- Monitor the firearm and inserts during use for any signs of malfunction or wear.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw away the inserts in regular household waste if they are made from materials that require special disposal.

Contact Information for Further Support

For any inquiries or support regarding the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging or documentation. Ensure you have the product model and any relevant information on hand for a more efficient response.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your Ransom Grip Inserts. Thank you for your commitment to safety and responsible firearm handling.

Manuale di Istruzioni di Sicurezza per GRIP INSERTS RANSOM

Introduzione

Le GRIP INSERTS RANSOM sono progettate per migliorare le prestazioni del tuo Master Series Ransom Rest. Questo manuale fornisce importanti linee guida di sicurezza e istruzioni per garantire un utilizzo corretto e sicuro del prodotto. È fondamentale seguire queste istruzioni per evitare danni all'arma e garantire la sicurezza dell'utente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo GRIP INSERTS RANSOM. Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segui sempre le istruzioni fornite per l'installazione e l'uso.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di incidenti o malfunzionamenti, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi o in plastica stampati in 3D. Questi possono generare energia di rinculo distruttiva e danneggiare l'arma.
- Assicurati che l'inserto sia correttamente installato prima di utilizzare il Master Series Ransom Rest.
- Non tentare di modificare o riparare gli inserti. Qualsiasi modifica può compromettere la loro efficacia e sicurezza.
- Utilizza sempre il prodotto in un ambiente sicuro e controllato.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti esistenti dal Master Series Ransom Rest.
- Pulisci l'area di installazione per garantire una tenuta adeguata.
- Posiziona le GRIP INSERTS RANSOM nell'alloggiamento previsto, assicurandoti che siano ben fissate.
- Verifica che gli inserti siano allineati correttamente e non presentino spazi vuoti.

2. Uso:

- Posiziona l'arma nel Ransom Rest con le GRIP INSERTS RANSOM installate.
- Assicurati che l'arma sia in una posizione sicura e stabile prima di procedere.
- Effettua i tuoi colpi seguendo le procedure di sicurezza standard per l'uso delle armi da fuoco.
- Monitora costantemente le prestazioni del Ransom Rest e controlla gli inserti per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale rifiuto domestico.
- Contatta il tuo comune per informazioni sui centri di raccolta dei materiali pericolosi o sui programmi di riciclaggio.

Informazioni di Contatto per Ulteriore Supporto

- Per domande o ulteriori informazioni sulla sicurezza del prodotto, contatta il tuo rivenditore o un professionista qualificato.

Conclusione

Seguire queste linee guida di sicurezza è fondamentale per garantire un utilizzo sicuro delle GRIP INSERTS RANSOM. La sicurezza dell'utente e la protezione dell'arma sono priorità assolute. Assicuratevi di rimanere informato sulle migliori pratiche di utilizzo e manutenzione del prodotto.
