

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER MAX 9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER MAX 9
- Manufacturer: RANSOM
- Product no.: 430119431
- Mfr. No.: 30-300-23-35
- Delivery weight: 0.907kg
- UPC: 810132582066

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER MAX 9

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für Ruger MAX 9. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu nutzen, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für die vorgesehenen Zwecke verwendest.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Halte die Inserts außerhalb der Reichweite von Kindern und Haustieren.
- Informiere dich über die geltenden Gesetze und Vorschriften in deinem Land bezüglich der Verwendung von Schusswaffen und Zubehör.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Vermeide es, die Inserts bei extremen Temperaturen oder in feuchten Umgebungen zu verwenden, da dies die Materialintegrität beeinträchtigen kann.
- Teste die Inserts zunächst bei niedrigen Schusszahlen, um sicherzustellen, dass sie korrekt funktionieren.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass dein Ruger MAX 9 entladen ist, bevor du die Inserts installierst.
- Reinige den Bereich, in dem die Inserts installiert werden, um Schmutz und Ablagerungen zu entfernen.

2. Installation:

- Entferne die vorhandenen Inserts vorsichtig, falls vorhanden.
- Setze die RANSOM Grip Inserts gemäß der beiliegenden Anleitung ein. Achte darauf, dass sie fest und sicher sitzen.
- Überprüfe die Installation, indem du leicht auf die Inserts drückst, um sicherzustellen, dass sie nicht wackeln oder locker sind.

3. Nutzung:

- Beginne mit einer niedrigen Schusszahl, um die Funktion der Inserts zu testen.
- Achte beim Schießen darauf, wie sich die Inserts verhalten und ob sie Vibrationen und Rückstoß effektiv absorbieren.
- Bei Anzeichen von Beschädigungen oder unnormalem Verhalten der Inserts, stoppe die Nutzung sofort und überprüfe sie.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den lokalen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, um eine Kontamination zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS für Ruger MAX 9, wende dich bitte an den Hersteller oder deinen Fachhändler.

Diese Sicherheitshinweise sind wichtig, um die Sicherheit und die Lebensdauer deines Ruger MAX 9 und der RANSOM Grip Inserts zu gewährleisten. Achte darauf, alle Anweisungen zu befolgen und im Zweifelsfall professionelle Hilfe in Anspruch zu nehmen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER MAX 9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger Max 9. These inserts are designed to enhance your shooting experience while ensuring the safety of both the user and the firearm. This guide provides essential safety instructions, installation procedures, and disposal information to help you use the product effectively and safely.

General Safety Guidelines

- Always use the grip inserts as intended and follow the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Ensure that the inserts match the durometer of the human hand to absorb recoil effectively.
- Regularly inspect the grip inserts for wear and tear before each use.
- Store the grip inserts in a safe place away from children and pets.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil, resulting in invalid test data.
- **Monitor for Damage:** Damage from improper inserts may not be immediately visible but can accumulate over time, affecting the lifespan of your firearm.
- **Control Recoil:** The inserts are designed to absorb vibration and recoil. Using the wrong type of insert may transfer harmful forces into the gun.
- **Follow Testing Protocols:** For accurate testing, mimic the human hand's absorption of recoil. Avoid using hard or 3Dprinted inserts in any testing scenarios.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your firearm is unloaded and safe to handle.
2. Remove any existing grip inserts from the firearm.
3. Clean the grip area of the firearm to ensure proper fit.
4. Align the Ransom Grip Inserts with the grip area.
5. Firmly press the inserts into place until they are secure.

- **Usage:**

1. Always check that the grip inserts are properly installed before using your firearm.
2. When testing for accuracy or destructive testing, use the grip inserts as specified to ensure valid results.
3. After each use, inspect the grip inserts for any signs of damage or wear.

Disposal Instructions

- Dispose of damaged or worn grip inserts in accordance with local regulations.
- Do not throw the inserts in regular household waste if they contain any hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of your firearm are our top priorities. Enjoy your shooting experience!

Istruzioni di Sicurezza per gli Inserti Grip RANSOM per Ruger MAX 9

Introduzione

Grazie per aver scelto gli inserti grip RANSOM per il tuo Ruger MAX 9. Questo prodotto è progettato per migliorare la tua esperienza di tiro e garantire prestazioni superiori. È fondamentale seguire le istruzioni di sicurezza e utilizzo per evitare incidenti e garantire un uso corretto del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip RANSOM progettati specificamente per il Ruger MAX 9.
- Non utilizzare inserti grip rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni di installazione e utilizzo fornite in questo manuale.
- Tieni gli inserti grip e l'arma lontano dalla portata dei bambini e di gruppi vulnerabili.
- In caso di incidenti o malfunzionamenti, contatta immediatamente un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti grip RANSOM se noti segni di usura o danni.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti grip.
- Non tentare di modificare gli inserti grip o l'arma in alcun modo.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse (ad esempio, pioggia, neve) che possono influenzare le prestazioni degli inserti grip.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali inserti grip precedenti.
- Posiziona gli inserti grip RANSOM sul telaio dell'arma seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati e non si muovano.

2. Utilizzo degli Inserti Grip:

- Quando utilizzi l'arma, tieni sempre una presa salda sugli inserti grip.
- Monitora le prestazioni dell'arma e degli inserti grip durante l'uso.
- Se noti vibrazioni eccessive o altri problemi, interrompi immediatamente l'uso e controlla gli inserti grip e l'arma.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti non più utilizzabili.
- Contatta un centro di smaltimento autorizzato per le istruzioni specifiche.

Contatti per Ulteriori Supporto

Per qualsiasi domanda o necessità di supporto riguardante gli inserti grip RANSOM, ti invitiamo a contattare un

professionista qualificato o il tuo rivenditore di fiducia.

Conclusione

Seguendo queste istruzioni di sicurezza e utilizzo, puoi garantire una esperienza di tiro sicura e soddisfacente con gli inserti grip RANSOM per il tuo Ruger MAX 9. La sicurezza è fondamentale, quindi rimani sempre vigile e informato.
