

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER 22/45 MKIV

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER 22/45 MKIV
- Manufacturer: RANSOM
- Product no.: 430119433
- Mfr. No.: 30-300-23-39
- Delivery weight: 0.907kg
- UPC: 810132582097

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER 22/45 MKIV

Einführung

Herzlich willkommen zu deinem neuen GRIP INSERTS für das Ruger 22/45 MKIV. Diese Anleitung bietet wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Grip Inserts. Bitte nimm dir die Zeit, um die folgenden Sicherheitshinweise zu lesen und zu befolgen, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur mit kompatiblen Waffen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Informiere dich über Rückrufaktionen und sichere Produkte über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Achte darauf, dass die Inserts der DurometerHärte der menschlichen Hand entsprechen, um Rückstoß und Vibrationen zu absorbieren.
- Vermeide es, die Inserts zu verwenden, wenn sie sichtbar beschädigt sind.
- Bei der Verwendung des Ransom Rest, stelle sicher, dass die Maschine stabil und korrekt positioniert ist.
- Halte dich an die Anweisungen des Herstellers zur Verwendung und Wartung, um die Sicherheit zu gewährleisten.

Anweisungen zur Installation und Nutzung

1. Vorbereitung

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Grip Inserts beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden, um eine optimale Haftung zu gewährleisten.

2. Installation

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe, ob die Inserts richtig installiert sind und keine Lücken aufweisen.

3. Nutzung

- Nutze die Grip Inserts während des Schießens, um die Rückstoßenergie zu kontrollieren.
- Achte darauf, dass die Inserts bei jedem Schuss die Vibrationen absorbieren, bevor die Maschine zurückschlägt.
- Vermeide es, die Waffe übermäßig zu belasten, um Schäden an den Inserts und der Waffe zu verhindern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und entsorge sie verantwortungsbewusst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinem Produkt, konsultiere bitte die Website des Herstellers oder wende dich an den Einzelhändler, bei dem du das Produkt erworben hast.

Bitte beachte, dass diese Sicherheitshinweise dazu dienen, deine Sicherheit und die Sicherheit anderer zu gewährleisten. Indem du diese Richtlinien befolgst, trägst du dazu bei, ein sicheres Schießerlebnis zu fördern.

GRIP INSERTS RANSOM GRIP INSERTS FOR RUGER 22/45 MKIV Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger 22/45 MKIV. These grip inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. It is essential to follow the safety guidelines and instructions provided in this document to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Always use the grip inserts as intended to avoid potential hazards.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These inserts can damage your firearm and provide inaccurate test results.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Be aware that improper use of grip inserts may lead to decreased firearm performance and potential injury.
- Regularly check for updates on product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard or 3Dprinted inserts can generate destructive recoil energy that damages the gun.
- **Understand Recoil Dynamics:** Recognize that every action has an equal and opposite reaction. The grip inserts are designed to absorb recoil and vibration, preventing them from transferring into the gun.
- **Monitor Wear and Tear:** Damage from improper inserts may not be immediately visible but can accumulate with repeated use, affecting the barrel and overall firearm safety.
- **Follow Testing Protocols:** When conducting tests, ensure that your methods mimic humanlike recoil to avoid flawed results.
- **Stay Informed:** Report any unsafe products or accidents related to the use of this product to the relevant authorities.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before installing the grip inserts.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom International Grip Inserts into the designated slots, ensuring they fit snugly and securely.
- Verify that the inserts are correctly installed before proceeding to use the Ransom Rest.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the machine is stable and positioned correctly.
- Allow the grip inserts to absorb the initial vibrations and recoil upon firing. This will enhance the accuracy of your tests.
- Monitor the condition of the grip inserts regularly. Replace them if signs of wear or damage are evident.
- Do not use the Ransom Rest for testing if hard or 3Dprinted inserts are present, as this may compromise the integrity of your firearm.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste. Instead, follow guidelines for proper disposal of plastic materials or consult local recycling programs.

Contact Information for Further Support

For any inquiries related to safety concerns or product support, please refer to the relevant EUbased contact points or customer service channels provided by the manufacturer.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per Ruger 22/45 MKIV

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Ruger 22/45 MKIV. Questi inserti sono progettati per migliorare la tua esperienza di tiro, garantendo sicurezza e prestazioni ottimali. È fondamentale seguire attentamente le istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano da fonti di calore o umidità.
- Se noti anomalie durante l'uso, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti se danneggiati o deformati.
- Assicurati che gli inserti siano installati correttamente prima di ogni utilizzo.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse che potrebbero influire sulla tua stabilità e controllo.
- Non lasciare mai l'arma incustodita quando è dotata di grip inserts.
- Non tentare di modificare o riparare gli inserti da solo.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dalla tua arma seguendo le istruzioni del produttore.
- Posiziona i Grip Inserts RANSOM nel supporto, assicurandoti che siano allineati correttamente.
- Fissa gli inserti in posizione seguendo le istruzioni specifiche fornite con il prodotto.

2. Uso degli Inserti:

- Prima di ogni utilizzo, verifica che gli inserti siano saldamente fissati.
- Utilizza l'arma con cautela, mantenendo una buona presa e stabilità.
- Segui sempre le linee guida di sicurezza per l'uso delle armi da fuoco.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale rifiuto domestico. Contatta il tuo comune per informazioni sullo smaltimento corretto.
- Se gli inserti sono danneggiati, consulta un professionista per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande relative alla sicurezza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza adeguata.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts RANSOM per il tuo Ruger 22/45 MKIV. Ricorda che il rispetto delle linee guida di sicurezza non solo protegge te, ma anche gli altri intorno a te.
