

GRIP INSERTS - RANSOM GRIP INSERTS P226 SELECT,NITRON,CLASSIC,MK25 W/NO GRIP PANEL

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS P226 SELECT,NITRON,CLASSIC,MK25 W/NO GRIP PANEL
- Manufacturer: RANSOM
- Product no.: 430119434
- Mfr. No.: 30-300-25-04
- Delivery weight: 0.907kg
- UPC: 810132582172

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung von GRIP INSERTS RANSOM GRIP INSERTS P226 SELECT, NITRON, CLASSIC, MK25 W/NO GRIP PANEL

Einleitung

Willkommen! Die GRIP INSERTS von RANSOM sind speziell entwickelt, um dein Schießerlebnis zu verbessern. Diese Anleitung bietet wichtige Sicherheitshinweise und Anweisungen zur sicheren Verwendung der Inserts. Bitte lese die folgenden Informationen sorgfältig durch, um mögliche Risiken zu vermeiden und die Sicherheit während der Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit geeigneten Waffen verwendest, die mit den Inserts kompatibel sind.
- Verwende niemals harte Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts der DurometerHärte der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitsupdates auf der EU Safety Gate Plattform.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Inserts, da sie zerstörerische Rückstoßenergie erzeugen können.
- Achte darauf, dass die Inserts richtig installiert sind, um Vibrationen und Rückstoß korrekt zu absorbieren.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Halte die Inserts und die Maschinenkomponenten sauber und frei von Schmutz oder Ablagerungen.
- Verwende die Inserts nur in einer sicheren Umgebung und halte dich an alle geltenden Sicherheitsvorschriften für den Umgang mit Feuerwaffen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet, bevor du mit der Installation beginnst.

2. Installation der Inserts:

- Entferne vorsichtig die vorhandenen Grip Panels von der Waffe.
- Setze die GRIP INSERTS an der vorgesehenen Stelle ein und stelle sicher, dass sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind und keine Lücken oder Bewegungen aufweisen.

3. Nutzung der Inserts:

- Beginne mit dem Schießen, nachdem du dich vergewissert hast, dass alles korrekt installiert ist.
- Achte darauf, die Waffe in einer sicheren und kontrollierten Umgebung zu verwenden.
- Beobachte die Leistung der Inserts während des Schießens und achte auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Informiere dich über die umweltfreundliche Entsorgung von Materialien, die nicht mehr verwendet werden können.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zur Sicherheit der GRIP INSERTS, wende dich bitte an den Hersteller oder einen autorisierten Händler, der dir weiterhelfen kann.

Bitte beachte, dass die Sicherheit während der Nutzung von Feuerwaffen oberste Priorität hat. Halte dich an die oben genannten Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS P226 SELECT, NITRON, CLASSIC, MK25 W/NO GRIP PANEL

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance the functionality of your Master Series Ransom Rest while ensuring the safety of both the equipment and the user. This guide provides essential safety instructions and usage guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Use the grip inserts only with compatible firearms as specified in the product description.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce unreliable test results.
- Always follow the manufacturer's recommendations for use and maintenance.
- Regularly inspect the grip inserts for wear and tear before each use.
- Keep the grip inserts out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil, leading to flawed test results.
- **Understand Recoil Dynamics:** The grip inserts are designed to absorb recoil and vibration, preventing damage to the gun. Ensure that you understand how these forces interact during shooting.
- **Monitor for Damage:** Inspect your firearm and the grip inserts after each use. Look for signs of damage or excessive wear that may compromise safety.
- **Use Only Approved Inserts:** Do not attempt to modify or create your own grip inserts. Use only Ransom International products designed for your specific firearm model.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip panels from the firearm.
- Align the grip inserts with the firearm's grip frame.
- Securely attach the grip inserts according to the manufacturer's instructions.

2. Usage:

- Place the firearm in the Ransom Rest with the grip inserts properly installed.
- Conduct your shooting tests in a controlled environment to minimize external influences.
- Monitor the performance of the grip inserts during use. If you notice any irregularities, stop using them immediately.

3. PostUse Care:

- After use, clean the grip inserts and the firearm as per the manufacturer's recommendations.
- Store the grip inserts in a cool, dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations for plastic waste.
- Do not incinerate or dispose of the inserts in a manner that could harm the environment.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the product, please contact the appropriate local authorities or the designated EU contact point for assistance.

By following these guidelines, you can ensure a safer experience while using the Ransom International Grip Inserts. Thank you for your attention to safety as you enjoy your shooting activities.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Questi inserti sono progettati per migliorare le prestazioni e la sicurezza durante l'uso del tuo sistema di tiro. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto degli inserti.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima di utilizzare il prodotto.
- Utilizza solo gli inserti RANSOM progettati specificamente per il tuo modello di Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Tieni gli inserti e il Ransom Rest lontani dalla portata di bambini e animali domestici.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire vibrazioni e rinculo. Non utilizzare inserti non approvati che non offrono le stesse caratteristiche.
- Non forzare l'arma o il Ransom Rest oltre le specifiche del produttore.
- Controlla regolarmente gli inserti per segni di usura o danni. Sostituisci gli inserti danneggiati immediatamente.
- Segui sempre le istruzioni del produttore per l'uso dell'arma e del Ransom Rest.
- Non utilizzare gli inserti in condizioni estreme o in situazioni di tiro pericolose.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi il pannello dell'impugnatura dell'arma, se presente.
- Inserisci gli inserti RANSOM seguendo le indicazioni specifiche per il tuo modello.
- Assicurati che gli inserti siano saldamente in posizione prima di utilizzare l'arma.

2. Uso degli Inserti:

- Posiziona l'arma correttamente sul Ransom Rest.
- Verifica che gli inserti siano allineati correttamente e che non ci siano spazi vuoti.
- Inizia a sparare seguendo le procedure di sicurezza standard e controllando il comportamento dell'arma.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per il corretto smaltimento di prodotti in plastica e metallo.
- Contatta il tuo comune per informazioni sui punti di raccolta o sui programmi di riciclo disponibili.

Informazioni di Contatto per Ulteriori Supporto

Per domande o problemi relativi agli Inserti GRIP RANSOM, contatta il rivenditore o il produttore per ricevere

assistenza. Assicuratevi di avere a disposizione il numero di modello e la prova di acquisto.

Ricorda che la sicurezza è fondamentale. Segui sempre queste istruzioni e utilizza gli Inserti GRIP RANSOM in modo responsabile.
