

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P239

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P239
- Manufacturer: RANSOM
- Product no.: 430119440
- Mfr. No.: 30-300-25-07
- Delivery weight: 0.907kg
- UPC: 810132582226

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die RANSOM GRIP INSERTS für SIG SAUER P239

Einleitung

Herzlich willkommen! Du hast die RANSOM GRIP INSERTS für deine SIG SAUER P239 erworben. Diese Inserts sind speziell entwickelt worden, um die Leistung deines Master Series Ransom Rest zu optimieren. Um die Sicherheit und Effektivität bei der Nutzung zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise und Anweisungen zu beachten.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass du die RANSOM GRIP INSERTS gemäß den Anweisungen verwendest, um Risiken zu vermeiden.
- **Rückrufinformationen:** Halte dich über Rückrufupdates auf dem Laufenden, um sicherzustellen, dass du keine gefährlichen Produkte verwendest.
- **OnlineEinkauf:** Wenn du die Inserts online kaufst, achte darauf, dass der Anbieter die Sicherheitsanforderungen erfüllt.
- **Besondere Verbrauchergruppen:** Diese Inserts sind nicht für Kinder geeignet. Halte sie außerhalb der Reichweite von Kindern.
- **EUKontaktstelle:** Bei Fragen zur Produktsicherheit kannst du dich an die zuständige EUKontaktstelle wenden.
- **Schnelle Warnungen:** Informiere dich über unsichere Produkte über das Safety GateSystem der EU.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deiner Waffe schaden können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um eine sichere Nutzung zu gewährleisten.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Bei Anzeichen von Schäden oder unsicherem Verhalten der Inserts, stelle die Nutzung sofort ein und kontaktiere den Hersteller.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß der Anleitung des Herstellers ein.
- Achte darauf, dass die Inserts sicher und fest sitzen.

2. Nutzung der Inserts:

- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest.
- Achte darauf, dass die Inserts die menschliche Hand nachahmen, um optimale Testergebnisse zu erzielen.
- Vermeide es, die Waffe übermäßig zu belasten, um Schäden zu vermeiden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott.
- Informiere dich über die richtige Entsorgung von Kunststoffmaterialien in deiner Region.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der RANSOM GRIP INSERTS kannst du dich an die zuständige EUKontaktstelle wenden.

Vielen Dank, dass du die Sicherheitshinweise befolgst und viel Freude mit deinen RANSOM GRIP INSERTS für die SIG SAUER P239!

GRIP INSERTS RANSOM GRIP INSERTS FOR SIG SAUER P239 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P239. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before using the grip inserts.

General Safety Guidelines

- Ensure the grip inserts are compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the grip inserts and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grip inserts for wear and damage. Replace them if any defects are found.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. The grip inserts are designed to mimic the human hand and absorb these forces.
- **Monitor for Damage:** Damage from improper inserts may not be immediately visible but can accumulate over time, leading to decreased firearm lifespan and potential injury.
- **Testing Accuracy:** For accurate testing, always use inserts that replicate humanlike recoil. Hard or poorly engineered inserts will yield flawed results.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installing the grip inserts.
- Gather all necessary tools required for installation.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Align the Ransom grip inserts with the grip area of your SIG Sauer P239.
- Firmly press the inserts into place, ensuring they fit securely without gaps.
- Doublecheck that the inserts are properly installed and stable before proceeding to use the firearm.

3. Usage:

- Use the grip inserts during shooting sessions to absorb recoil and vibrations.
- Regularly monitor the performance of the grip inserts during use and check for any signs of wear or damage.
- After each shooting session, inspect the grip inserts to ensure they remain in good condition.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts into regular trash; check for recycling options in your area if applicable.
- Ensure that all components are disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or support regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per l'Uso degli Grip Inserts RANSOM per SIG SAUER P239

Introduzione

Benvenuto nel manuale di sicurezza per gli Grip Inserts RANSOM progettati per il SIG SAUER P239. Questo documento fornisce linee guida importanti per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Si prega di leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato esclusivamente per il suo scopo previsto.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.
- Rimani aggiornato su eventuali richiami di prodotto tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo grip inserts RANSOM progettati specificamente per il SIG SAUER P239.
- Non tentare di modificare o adattare il prodotto in alcun modo.
- Assicurati che il grip insert sia installato correttamente prima di utilizzare l'arma.
- Evita di utilizzare grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma.
- Non utilizzare il prodotto in condizioni estreme che potrebbero comprometterne l'integrità.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi qualsiasi grip insert esistente dal tuo Ransom Rest.
- Posiziona il grip insert RANSOM in modo che si adatti perfettamente al telaio del SIG SAUER P239.
- Assicurati che l'inserto sia saldamente fissato e che non ci siano spazi vuoti.

2. Uso:

- Posiziona l'arma nel Ransom Rest con il grip insert installato.
- Controlla che la macchina sia in una posizione di batteria corretta prima di iniziare il tiro.
- Esegui il tiro seguendo le pratiche di sicurezza standard per l'uso delle armi da fuoco.
- Dopo ogni sessione di tiro, controlla il grip insert per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Non smaltire il prodotto in modo irresponsabile. Segui le normative locali per lo smaltimento dei rifiuti.
- Se il grip insert è danneggiato o non più utilizzabile, contatta un centro di smaltimento autorizzato.

Informazioni di Contatto per Ulteriore Supporto

Per domande relative alla sicurezza o all'uso del prodotto, si prega di contattare il supporto clienti del produttore o consultare il sito web ufficiale per ulteriori informazioni.

Si prega di notare che la sicurezza è una priorità assoluta. Seguire queste istruzioni aiuterà a garantire un uso

sicuro e responsabile degli Grip Inserts RANSOM per SIG SAUER P239.
