

GRIP INSERTS - RANSOM GRIP INSERTS SIG P320X,P320X5 LEGION,P320 X5,P320M,MAX,RXP

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS SIG P320X,P320X5 LEGION,P320 X5,P320M,MAX,RXP
- Manufacturer: RANSOM
- Product no.: 430119444
- Mfr. No.: 30-300-25-12
- Delivery weight: 0.907kg
- UPC: 810132582264

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einleitung

Die GRIP INSERTS RANSOM GRIP INSERTS sind speziell für die Master Series Ransom Rest konzipiert und bieten eine optimale Lösung für präzises Schießen. Diese Anleitung enthält wichtige Sicherheitshinweise, um sicherzustellen, dass du die Inserts sicher und effektiv verwenden kannst.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Verwende die Inserts nicht in Verbindung mit harten Grip Inserts oder 3Dgedruckten Kunststoffgriffstücken, da dies dein Gewehr beschädigen kann.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Verwendung.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder andere Schäden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Die Inserts sind so gestaltet, dass sie die Duometrie der menschlichen Hand nachahmen. Sie absorbieren Rückstoßenergie und verhindern Schäden am Gewehr.
- Vermeide es, die Inserts zu verwenden, wenn du Anzeichen von Beschädigung oder Abnutzung bemerkst.
- Achte darauf, dass die Inserts korrekt in die Ransom Rest eingesetzt sind, um ihre volle Funktionalität zu gewährleisten.
- Bei der Nutzung der Inserts immer einen sicheren Abstand zu anderen Personen einhalten.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Ransom Rest auf einer stabilen und festen Unterlage steht.
- Entferne die alten Inserts, falls vorhanden, und reinige die Halterung.
- Setze die GRIP INSERTS vorsichtig in die Halterung ein, bis sie sicher sitzen.
- Überprüfe, ob die Inserts fest und stabil montiert sind.

2. Nutzung der Inserts:

- Positioniere dein Gewehr sicher in der Ransom Rest und achte darauf, dass der Lauf in die gewünschte Richtung zeigt.
- Führe Schüsse gemäß den Anweisungen des Gewehrherstellers aus.
- Beobachte die Leistung der Inserts während des Schießens und achte auf ungewöhnliche Vibrationen oder Geräusche.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts vor der Entsorgung gründlich gereinigt werden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Bedenken zur Sicherheit der GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der GRIP INSERTS RANSOM GRIP INSERTS zu gewährleisten. Bitte beachte sie sorgfältig, um mögliche Risiken zu minimieren und die Lebensdauer deines Gewehrs zu verlängern.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS for your Master Series Ransom Rest. This guide provides essential safety instructions and guidelines to help ensure safe and effective use of the product. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions provided in this guide. The inserts are designed to absorb recoil and vibration, mimicking the human hand to protect your firearm.
- **Enhanced Recalls:** Be aware that if any safety issues arise regarding this product, standardized recall notices will be issued, and free remedies will be provided.
- **Online Shopping:** If you purchased this product online, know that you have the same safety protections as if you bought it in a physical store. Always ensure that the online platform meets safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, including children. Ensure that they are supervised and that the product is kept out of their reach.
- **EU Contact Point:** For any safety inquiries related to this product, please refer to the relevant EU-based contact point for assistance.
- **Rapid Alerts:** Stay informed about any updates on unsafe products via the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil are natural forces that must be managed. The grip inserts are designed to absorb these forces effectively.
- **Monitor for Damage:** Be aware that damage from hard inserts may not be immediately visible but can accumulate over time, affecting the longevity of your firearm.
- **Use Proper Inserts Only:** Ensure that you are using the Ransom grip inserts specifically designed for your firearm model (e.g., SIG P320X, P320X5 LEGION, etc.).
- **Testing Accuracy:** For accurate results, always mimic humanlike handling when conducting tests. Hard or 3Dprinted inserts will not provide valid data.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are secure.

2. Usage:

- Place the firearm in the Ransom Rest, ensuring it is stable and secure.
- Begin your testing procedure, keeping in mind the importance of absorbing recoil and vibration.
- Monitor the performance of the grip inserts during use, looking for any signs of wear or damage.

3. PostUsage Care:

- After use, inspect the grip inserts for any signs of damage or wear.
- Clean the inserts as necessary to maintain their effectiveness.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- If the product is recalled, follow the instructions provided in the recall notice for safe disposal.

Contact Information for Further Support

For further support regarding the GRIP INSERTS RANSOM GRIP INSERTS, please refer to the relevant EUbased contact point for assistance.

Thank you for your attention to these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with your Ransom Rest and grip inserts.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts Ransom

Introduzione

Benvenuti nell'uso dei Grip Inserts Ransom per il tuo Master Series Ransom Rest. Questi inserti sono progettati per migliorare le prestazioni del tuo sistema di tiro, garantendo un'esperienza di utilizzo sicura e ottimale. È fondamentale seguire le istruzioni di sicurezza e utilizzo per evitare danni all'arma e garantire la sicurezza dell'utente.

Linee Guida Generali di Sicurezza

- Assicurati che il Grip Insert Ransom sia compatibile con il tuo modello di arma (SIG P320X, P320X5 LEGION, P320 X5, P320M, MAX, RXP).
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e i grip inserts per segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo Grip Inserts Ransom progettati specificamente per il tuo Ransom Rest.
- Assicurati che l'arma sia scarica e in sicurezza prima di installare o rimuovere gli inserti.
- Non forzare l'inserto nel Ransom Rest; segui le istruzioni di installazione per evitare danni.
- Non toccare l'arma durante il caricamento o lo scaricamento degli inserti.
- Evita di utilizzare grip inserts rigidi, poiché possono ridurre la vita dell'arma e causare infortuni.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica. Controlla che non ci siano proiettili nel caricatore e nella camera.
2. **Installazione:**
 - Rimuovi eventuali grip inserts esistenti dal tuo Ransom Rest.
 - Posiziona il Grip Insert Ransom nel supporto del Ransom Rest, assicurandoti che sia allineato correttamente.
 - Spingi delicatamente l'inserto fino a quando non è completamente inserito nel supporto.
3. **Utilizzo:**
 - Posiziona l'arma nel Ransom Rest con il Grip Insert installato.
 - Effettua i tuoi tiri seguendo le pratiche di sicurezza standard.
 - Monitora le prestazioni e controlla regolarmente l'inserto per segni di usura.
4. **Rimozione:**
 - Rimuovi l'arma dal Ransom Rest.
 - Estrai delicatamente il Grip Insert Ransom dal supporto.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali.
- Non gettare gli inserti o i materiali di imballaggio nell'ambiente; utilizza i punti di raccolta per rifiuti speciali.
- Contatta il tuo comune per informazioni sui centri di raccolta.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza dei prodotti o per segnalare un prodotto non sicuro, contatta il tuo punto di riferimento locale per la sicurezza dei consumatori o visita la piattaforma Safety Gate dell'UE.

Conclusione

Utilizzare i Grip Inserts Ransom in modo sicuro è fondamentale per garantire prestazioni ottimali e la sicurezza dell'utente. Segui sempre le linee guida e le istruzioni fornite per un utilizzo corretto e sicuro.
