

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P320 COMPACT, P365 X-MACRO

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P320 COMPACT, P365 X-MACRO
- Manufacturer: RANSOM
- Product no.: 430119449
- Mfr. No.: 30-300-25-15
- Delivery weight: 0.907kg
- UPC: 810132582325

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM für die SIG SAUER P320 COMPACT und P365 XMACRO. Diese Anleitung soll dir helfen, die Produkte sicher zu nutzen und mögliche Risiken zu vermeiden. Bitte lese die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass alle Produkte in Übereinstimmung mit den aktuellen Sicherheitsstandards verwendet werden.
- Verwende die GRIP INSERTS ausschließlich für die vorgesehenen Waffenmodelle.
- Halte die Inserts von Kindern fern und nutze sie nur in einem sicheren und kontrollierten Umfeld.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese die Funktionalität der Waffe beeinträchtigen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Vermeide den Einsatz der Waffe, wenn die Inserts beschädigt oder abgenutzt sind.
- Teste die Waffe nur unter sicheren Bedingungen, um Verletzungen zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Überprüfe, ob du die richtigen GRIP INSERTS für dein Modell hast.
- Stelle sicher, dass alle Teile sauber und trocken sind.

2. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Bereiche der Waffe ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken aufweisen.

3. Nutzung:

- Halte die Waffe immer in einem sicheren Zustand.
- Achte darauf, dass die Inserts während des Schusses die Rückstoßkräfte absorbieren.
- Prüfe regelmäßig den Zustand der Inserts und ersetze sie bei Anzeichen von Abnutzung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den lokalen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts umweltgerecht entsorgt werden, um die Umwelt zu schützen.

Kontaktinformationen für weitere Unterstützung

Bei Fragen oder Anliegen zu den GRIP INSERTS von RANSOM, wende dich bitte an den Hersteller oder einen autorisierten Fachhändler. Sie stehen dir für weitere Unterstützung zur Verfügung.

Bitte beachte, dass die Sicherheit deiner Waffe und der dazugehörigen Komponenten von größter Bedeutung ist. Halte dich an diese Richtlinien, um eine sichere Nutzung zu gewährleisten.

Safety Instructions for GRIP INSERTS RANSOM GRIP INSERTS FOR SIG SAUER P320 COMPACT, P365 XMACRO

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the SIG Sauer P320 Compact and P365 XMacro. These inserts are engineered to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure proper use and maintenance.

General Safety Guidelines

- Always use the grip inserts as intended to avoid potential hazards.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and affect performance.
- Ensure that the grip inserts match the durometer of the human hand for safe and effective recoil absorption.
- Be aware that improper use may result in injury or damage to the firearm.
- Always follow local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard or poorly engineered inserts can generate destructive recoil energy that travels through the frame and barrel, potentially damaging your firearm.
- **Monitor for Damage:** Regularly inspect your firearm for signs of wear or damage, especially after extensive use.
- **Understand Recoil Mechanics:** Recognize that vibration and recoil cannot be entirely stopped; they must be controlled. The inserts are designed to absorb these forces effectively.
- **Use Proper Technique:** Ensure that you are using the Ransom Rest correctly to mimic humanlike recoil for accurate testing.
- **Safety First:** Always handle firearms with care and ensure they are pointed in a safe direction when testing.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts if applicable.
- Carefully place the Ransom Grip Inserts into the designated area of the firearm.
- Ensure that the inserts fit snugly and securely without any gaps.

2. Usage:

- Position the firearm correctly in the Ransom Rest to ensure stability during testing.
- Perform test shots while monitoring the firearm's response to recoil.
- Observe the performance of the grip inserts and ensure they are absorbing recoil as designed.

3. PostUsage Care:

- After use, clean the grip inserts as necessary to maintain their performance.
- Store the inserts in a dry place to prevent deterioration.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not attempt to reuse or repair damaged grip inserts, as this may compromise safety.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Always prioritize safety and proper usage to maximize performance and longevity of your firearm and accessories.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti RANSOM per SIG SAUER

Introduzione

Grazie per aver scelto gli Inserti RANSOM per il tuo SIG SAUER P320 COMPACT e P365 XMACRO. Questo manuale fornisce istruzioni di sicurezza e utilizzo per garantire un'esperienza di tiro sicura e soddisfacente. Gli inserti sono progettati per migliorare le prestazioni e la sicurezza del tuo equipaggiamento.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso degli inserti.
- Tenere gli inserti e l'arma lontano dalla portata di bambini e persone non autorizzate.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Verifica che gli inserti siano installati correttamente prima di ogni utilizzo.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Non utilizzare gli inserti in condizioni meteorologiche estreme (es. pioggia intensa, neve).
- Non superare il numero di colpi raccomandato per sessione di tiro.
- In caso di malfunzionamento dell'arma, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi l'arma dalla custodia e assicurati che sia scarica.
- Segui le istruzioni specifiche per il tuo modello di arma per rimuovere la impugnatura originale.
- Posiziona gli inserti RANSOM nella posizione corretta e assicurati che siano saldamente fissati.
- Rimonta la impugnatura seguendo le istruzioni del produttore.

2. Uso degli Inserti:

- Prima di iniziare a tirare, verifica che gli inserti siano correttamente installati.
- Durante il tiro, mantieni una presa salda sull'arma per garantire il corretto assorbimento del rinculo.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici.
- Contatta il tuo comune per informazioni sullo smaltimento dei materiali plastici e degli accessori per armi.
- Assicurati di seguire le normative locali riguardanti il disposal di componenti per armi.

Informazioni di Contatto per Ulteriore Supporto

Per domande relative alla sicurezza o all'uso degli inserti RANSOM, contatta il supporto del produttore o visita il sito ufficiale di RANSOM. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti

per ricevere assistenza.

Avvertenza Finale

L'uso improprio degli inserti o dell'arma può comportare gravi infortuni o morte. Segui sempre le istruzioni di sicurezza e utilizza solo prodotti approvati. La tua sicurezza è la nostra priorità.

Grazie per aver scelto gli Inserti RANSOM. Buon tiro!
