

GRIP INSERTS - RANSOM GRIP INSERTS FOR SQUARE BUTT S&W N-FRAME/TAURUS 44 MAGNUM

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SQUARE BUTT S&W N-FRAME/TAURUS 44 MAGNUM
- Manufacturer: RANSOM
- Product no.: 430119459
- Mfr. No.: 30-300-26-05
- Delivery weight: 0.907kg
- UPC: 810132582554

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS von RANSOM! Diese Einsätze sind speziell für deinen Master Series Ransom Rest entwickelt worden und bieten optimalen Schutz für deine Waffe. Bitte beachte die folgenden Sicherheitshinweise, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest.
- Verwende keine harten oder 3Dgedruckten Einsätze, da diese der Waffe schaden können.
- Überprüfe regelmäßig auf Rückrufe oder Sicherheitswarnungen über die EU Safety Gate Plattform.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Achte darauf, dass die GRIP INSERTS richtig installiert sind, um die Sicherheit zu gewährleisten.
- Vermeide es, die Waffe während des Gebrauchs unsachgemäß zu halten oder zu manipulieren.
- Halte die Griffeinsätze und die Maschine sauber und in gutem Zustand, um optimale Leistung zu gewährleisten.
- Verwende die Einsätze nur mit kompatiblen Waffenmodellen, um Verletzungen zu vermeiden.

Anleitung zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Griffeinsätze, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Einsätze fest sitzen und sicher sind.

2. Nutzung der GRIP INSERTS:

- Halte die Waffe mit einer stabilen Griffhaltung.
- Achte darauf, dass der Rückstoß gleichmäßig verteilt wird, um die Sicherheit zu maximieren.
- Beobachte die ersten Millisekunden des Schusses und achte darauf, dass die Maschine korrekt reagiert.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für gefährlichen Abfall.
- Halte die Umwelt im Blick und vermeide die Entsorgung in regulären Mülltonnen.

Kontaktinformationen für weitere Unterstützung

Für Sicherheitsanfragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler.

Fazit

Die GRIP INSERTS von RANSOM bieten eine hervorragende Lösung zur Verbesserung der Sicherheit und Leistung deiner Waffe. Befolge diese Sicherheitsrichtlinien sorgfältig, um ein sicheres und effektives Schießen zu gewährleisten. Sei vorsichtig und halte dich an die besten Praktiken, um Verletzungen zu vermeiden und die Lebensdauer deiner Waffe zu verlängern.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR SQUARE BUTT S&W NFRAME/TAURUS 44 MAGNUM

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS FOR SQUARE BUTT S&W NFRAME/TAURUS 44 MAGNUM. This product is designed to enhance the performance of your Master Series Ransom Rest safely and effectively. Please read this safety instruction guide carefully to ensure proper use and to avoid potential hazards.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage the firearm.
- Be aware that improper use of grip inserts may lead to inaccurate test results and potential injury.
- Always check for product recalls and safety alerts through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted inserts:
 - These can generate destructive recoil energy that may damage the gun.
 - Hard inserts fail to replicate humanlike recoil, leading to invalid test data.
- Understand the physics of recoil:
 - Every action has an equal and opposite reaction; vibrations and recoil cannot be stopped but can be controlled.
- Recognize the importance of the grip inserts:
 - They are designed to mimic the human hand, absorbing recoil and vibration.
- Be cautious of potential longterm damage:
 - Using hard inserts can decrease the lifespan of the barrel and firearm.
 - Damage may not be immediately visible but will accumulate over time.
- Ensure correct installation and usage:
 - Follow the installation instructions carefully to avoid improper setup.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Ransom Rest is on a stable surface before installation.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully insert the Ransom Grip Inserts into the designated slots, ensuring a snug fit.
- Doublecheck that the inserts are secure and properly aligned before use.

2. Usage:

- Always confirm that your firearm is unloaded before placing it in the Ransom Rest.
- Position the firearm in the rest, ensuring that it is stable and secure.
- Perform test shots only when the setup is verified to be safe.
- Monitor the condition of the inserts regularly for wear and tear.
- Replace the inserts if they show signs of damage or degradation.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw grip inserts in regular trash if they are made from materials that require special handling.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding the safety and use of the GRIP INSERTS RANSOM GRIP INSERTS FOR SQUARE BUTT S&W NFRAME/TAURUS 44 MAGNUM, please refer to the manufacturer's contact details provided with the product packaging.

By following these guidelines and precautions, you can safely enjoy the benefits of your Ransom Grip Inserts while ensuring the longevity and performance of your firearm. Thank you for your attention to safety.

Guida alla Sicurezza per l'Utilizzo dei Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Ransom Rest della Master Series. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e efficace del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Utilizzare i Grip Inserts RANSOM esclusivamente come indicato nel presente manuale.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma e compromettere la sicurezza.
- Assicurarsi che il prodotto sia utilizzato solo da adulti o sotto la supervisione di un adulto responsabile.
- Segnalare immediatamente eventuali malfunzionamenti o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo della Compatibilità:** Verificare che i Grip Inserts RANSOM siano compatibili con il modello della tua arma.
- **Manutenzione:** Ispezionare regolarmente gli inserti per segni di usura o danni. Sostituire gli inserti danneggiati immediatamente.
- **Condizioni di Utilizzo:** Utilizzare gli inserti in condizioni di temperatura e umidità normali. Evitare l'uso in condizioni estreme che potrebbero compromettere le prestazioni.
- **Sicurezza del Tiratore:** Assicurarsi che la posizione di tiro sia sicura e che non ci siano persone non autorizzate nelle vicinanze durante l'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere eventuali inserti precedentemente installati.
- Pulire la superficie di contatto dell'arma per garantire una buona aderenza.
- Posizionare i Grip Inserts RANSOM nel loro alloggiamento seguendo le istruzioni specifiche del produttore.
- Assicurarsi che gli inserti siano saldamente in posizione prima di utilizzare l'arma.

2. Utilizzo del Prodotto:

- Posizionare l'arma sul Ransom Rest con gli inserti installati.
- Eseguire un controllo finale per garantire che tutto sia correttamente posizionato.
- Procedere con il tiro, mantenendo sempre la sicurezza come priorità principale.
- Monitorare le prestazioni e l'usura degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici.
- Seguire le normative locali per il corretto smaltimento dei materiali plastici e degli accessori per armi.
- Contattare le autorità locali per informazioni sullo smaltimento sicuro e responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, si prega di contattare il proprio rivenditore autorizzato o consultare il sito web del produttore.

Conclusione

La sicurezza è fondamentale quando si utilizza un'arma da fuoco e i suoi accessori. Seguendo queste linee guida e precauzioni, puoi garantire un'esperienza di tiro sicura e soddisfacente. Grazie per aver scelto i Grip Inserts RANSOM!
