

GRIP INSERTS - RANSOM GRIP INSERTS FOR S&W 2200,2213,2214,422,522,622

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR S&W 2200,2213,2214,422,522,622
- Manufacturer: RANSOM
- Product no.: 430119465
- Mfr. No.: 30-300-26-11
- Delivery weight: 0.907kg
- UPC: 810132582639

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine S&W Modelle! Diese Griffeinsätze sind speziell entwickelt worden, um die Sicherheit und Leistung deiner Waffe zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur mit den kompatiblen S&W Modellen (2200, 2213, 2214, 422, 522, 622) verwendest.
- Verwende die Einsätze nicht in Verbindung mit harten oder 3Dgedruckten Kunststoffgriffeinsätzen.
- Halte die Griffeinsätze und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Überprüfe regelmäßig den Zustand der Griffeinsätze und der Waffe auf Abnutzung oder Beschädigungen.
- Berücksichtige die spezifischen Sicherheitsanforderungen bei der Verwendung von Waffen.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Einsätzen, da diese die Waffe beschädigen können.
- Achte darauf, dass die Griffeinsätze richtig installiert sind, um eine sichere Nutzung zu gewährleisten.
- Halte beim Schießen immer eine sichere Schussposition ein und achte auf deine Umgebung.
- Informiere dich über den richtigen Umgang mit deiner Waffe und nimm an Schulungen teil, wenn du neu im Umgang mit Schusswaffen bist.
- Beachte, dass ein harter Einsatz die Lebensdauer des Laufs und der Waffe verringern kann und möglicherweise zu Verletzungen führen kann.

Anweisungen zur Installation und Nutzung

1. Installation der Griffeinsätze:

- Entferne die bestehenden Griffeinsätze vorsichtig.
- Setze die RANSOM GRIP INSERTS an die vorgesehenen Stellen ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Spielbewegung zulassen.

2. Nutzung der Griffeinsätze:

- Überprüfe vor jedem Schießen die Griffeinsätze auf Beschädigungen.
- Achte darauf, dass die Einsätze die Rückstoßenergie absorbieren, bevor du mit dem Schießen beginnst.
- Halte die Waffe immer in einer sicheren Position und richte sie niemals auf Personen oder Tiere.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Griffeinsätze gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass alle Teile der Griffeinsätze sicher entsorgt werden und nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS kontaktiere bitte den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Fragen oder Bedenken zur Sicherheit immer einen Fachmann konsultierst.

Wichtiger Hinweis

Die RANSOM GRIP INSERTS sind so konzipiert, dass sie die menschliche Hand simulieren und Rückstoßkräfte absorbieren. Achte darauf, dass du die Sicherheitshinweise stets befolgst, um mögliche Schäden an der Waffe oder Verletzungen zu vermeiden.

Bitte beachte, dass die Nichteinhaltung dieser Sicherheitsrichtlinien zu schweren Verletzungen oder sogar zum Tod führen kann. Sei vorsichtig und informiere dich gut über den Umgang mit deiner Waffe.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR S&W 2200, 2213, 2214, 422, 522, 622

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are designed to enhance your shooting experience while ensuring safety and accuracy. This guide provides essential safety instructions and precautions to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure that all safety precautions are followed when using the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause damage to your firearm and affect performance.
- Always inspect your equipment before use to ensure it is in proper working condition.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can generate destructive recoil energy that may damage your firearm.
 - They do not accurately replicate humanlike recoil, leading to invalid test results.
- **Proper Functionality:**
 - The inserts are designed to absorb the initial recoil and vibration, mimicking the human hand's natural response.
 - Using improper inserts can lead to premature wear of your firearm and potential injury.
- **Follow Testing Protocols:**
 - For accurate results, always use inserts that mimic humanlike behavior during testing.
 - Destructive testing or accuracy testing should always consider the humanlike response.

Instructions for Installation and Usage

1. Installation:

- Ensure your Ransom Rest and firearm are securely positioned before installing the grip inserts.
- Insert the grip inserts according to the manufacturer's instructions, ensuring a snug fit.
- Doublecheck that the inserts are properly installed before proceeding with shooting.

2. Usage:

- Position your firearm correctly in the Ransom Rest, ensuring all components are aligned.
- Begin shooting with a focus on maintaining a steady hand and observing the behavior of the firearm.
- Monitor the performance of the grip inserts during use, looking for any signs of wear or malfunction.

3. PostUsage Care:

- After use, remove the grip inserts and inspect them for any damage.
- Clean the inserts as necessary to remove debris and ensure they remain in good condition.

- Store the inserts in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly, following local regulations for disposal of plastic and materials.
- Do not throw inserts into regular waste if they are considered hazardous; check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or support related to the Ransom Grip Inserts, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to safety and best practices.

Istruzioni di Sicurezza per l'Uso dei GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per i modelli S&W 2200, 2213, 2214, 422, 522 e 622. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo un uso sicuro e efficace. Ti invitiamo a leggere attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Leggi e segui tutte le istruzioni fornite con il prodotto.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata di bambini e animali.
- In caso di incidenti o malfunzionamenti, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che il tuo Master Series Ransom Rest sia compatibile con i GRIP INSERTS RANSOM.
- Non utilizzare il prodotto se noti segni di danno o usura.
- Non tentare di riparare o modificare gli inserti; utilizza solo parti originali Ransom.
- Durante l'uso, presta attenzione ai segnali di vibrazione o rinculo e interrompi l'uso se noti anomalie.
- Non utilizzare il prodotto in condizioni meteorologiche avverse che potrebbero compromettere la sicurezza.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e non pronta per il fuoco prima di iniziare l'installazione.
2. **Installazione:**
 - Rimuovi eventuali inserti precedenti dal tuo Master Series Ransom Rest.
 - Posiziona i GRIP INSERTS RANSOM nel supporto secondo le istruzioni fornite.
 - Verifica che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.
3. **Uso:**
 - Posiziona l'arma sul Master Series Ransom Rest con i GRIP INSERTS RANSOM installati.
 - Assicurati che l'arma sia stabilizzata prima di iniziare a sparare.
 - Monitora costantemente la stabilità e le vibrazioni durante l'uso.
4. **Dopo l'Uso:**
 - Rimuovi gli inserti e pulisci il supporto e gli inserti secondo le istruzioni del produttore.
 - Controlla gli inserti per eventuali segni di usura o danno.

Istruzioni per lo Smaltimento

- Gli inserti devono essere smaltiti in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare gli inserti nel normale pattume; verifica se ci sono punti di raccolta specifici per materiali di questo tipo.
- Assicurati di smaltire il prodotto in modo sicuro per evitare rischi per l'ambiente e la salute pubblica.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

relative al prodotto.

Ti ringraziamo per aver scelto i GRIP INSERTS RANSOM. La tua sicurezza è la nostra priorità.
