

GRIP INSERTS - RANSOM GRIP INSERTS S&W 3910,3913,3914,3953,3954,457 LS,908 LS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W 3910,3913,3914,3953,3954,457 LS,908 LS
- Manufacturer: RANSOM
- Product no.: 430119467
- Mfr. No.: 30-300-26-15
- Delivery weight: 0.907kg
- UPC: 810132582684

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS S&W 3910, 3913, 3914, 3953, 3954, 457 LS, 908 LS

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS! Diese Griffeinsätze wurden speziell entwickelt, um die Leistung deiner Waffe zu optimieren und eine sichere Nutzung zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Produkte sicher und effektiv verwendest.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Griffeinsätze nur gemäß den Anweisungen verwendest.
- Verwende keine harten oder 3Dgedruckten Griffeinsätze, da diese der Waffe schaden können.
- Achte darauf, dass die Griffeinsätze in gutem Zustand sind und keine sichtbaren Schäden aufweisen, bevor du sie verwendest.
- Halte die Griffeinsätze außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitshinweise zur Verwendung

- Die RANSOM GRIP INSERTS sind darauf ausgelegt, die Rückstoßenergie zu absorbieren und die Vibrationen während des Schusses zu kontrollieren.
- Vermeide die Verwendung von harten Einsätzen, da diese die Lebensdauer deiner Waffe verringern und potenziell Verletzungen verursachen können.
- Stelle sicher, dass du die Griffeinsätze vor jedem Gebrauch auf Beschädigungen überprüfst.
- Wenn du während der Nutzung der Griffeinsätze Unregelmäßigkeiten oder Probleme bemerkst, stoppe sofort die Verwendung und kontaktiere einen Fachmann.

Anweisungen für Installation und Nutzung

1. Installation der Griffeinsätze:

- Entferne die alten Griffeinsätze gemäß den Anweisungen des Herstellers.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Lücken oder Spiel haben.

2. Nutzung der Griffeinsätze:

- Halte die Waffe immer mit beiden Händen und achte darauf, dass du einen stabilen Stand hast.
- Teste die Griffeinsätze, indem du einige Schüsse abgibst und auf das Verhalten der Waffe achtest.
- Achte darauf, dass der Schlitten der Waffe nach dem Schuss ordnungsgemäß funktioniert.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Griffeinsätze gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Vermeide es, die Griffeinsätze in den normalen Hausmüll zu werfen, wenn sie als gefährlich eingestuft werden können.

- Informiere dich über Recyclingmöglichkeiten in deiner Nähe, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Sie können dir bei spezifischen Fragen oder Problemen weiterhelfen.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner persönlichen Sicherheit von größter Bedeutung ist. Halte dich immer an die oben genannten Hinweise, um sicherzustellen, dass du die RANSOM GRIP INSERTS sicher und effektiv verwenden kannst.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS S&W 3910,3913,3914,3953,3954,457 LS,908 LS

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Always check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Special care should be taken to ensure safety for vulnerable groups, such as children.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts fail to replicate humanlike recoil, leading to invalid test data and potential harm to both the firearm and the user.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accrue with repeated use, decreasing the life of the barrel and gun.
- **Be Cautious with Testing:** Whether for destructive testing or accuracy testing, it is crucial to mimic human handling to ensure valid results.
- **Seek Alternatives:** If hard or 3Dprinted inserts were effective, manufacturers would already be using them. Choose products designed for safe use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Align the grip inserts with the designated areas on the Ransom Rest.
- Secure the inserts according to the manufacturer's instructions, ensuring a snug fit without excessive force.

2. Usage:

- Position the firearm in the Ransom Rest, ensuring it is stable and secure.
- Conduct tests in a controlled environment, monitoring for any signs of damage or instability.
- After each use, inspect the grip inserts for wear or damage and replace them if necessary.

3. PostUsage Care:

- Clean the grip inserts with a soft, dry cloth to remove any debris.
- Store the inserts in a cool, dry place away from direct sunlight to prevent degradation.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local waste management regulations.
- Do not dispose of inserts in regular household waste if they contain harmful materials; check for appropriate recycling facilities.

Contact Information for Further Support

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's contact details provided with your product packaging.

By adhering to these safety instructions, you can ensure a safer experience while using the GRIP INSERTS RANSOM GRIP INSERTS. Thank you for prioritizing safety and responsible use.

Istruzioni di Sicurezza per l'uso degli Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare l'accuratezza e la sicurezza durante il test delle armi. È fondamentale seguire attentamente le istruzioni di sicurezza per garantire un utilizzo corretto e sicuro. Questo documento fornisce linee guida di sicurezza generali e specifiche, istruzioni per l'installazione e l'uso, e informazioni per lo smaltimento.

Linee Guida di Sicurezza Generali

- Assicurati di utilizzare solo Grip Inserts RANSOM progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o grip inserts in plastica stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e gli inserts per eventuali segni di usura o danni.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla gli aggiornamenti sulle revoche sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserts rigidi possono generare energia di rinculo distruttiva che si propaga attraverso il telaio e la canna dell'arma.
- L'uso di grip inserts non conformi può invalidare i dati dei test e ridurre la vita utile dell'arma.
- Non utilizzare gli inserts per test distruttivi o di precisione se non si imitano le condizioni di un utilizzo umano.
- Un inserto rigido potrebbe causare infortuni o morte in caso di problemi durante l'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali grip inserts precedentemente installati.
- Pulisci l'area di montaggio sul Ransom Rest per garantire una buona aderenza.
- Posiziona il Grip Insert RANSOM nel supporto designato e assicurati che sia fissato saldamente.

2. Uso:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare il test.
- Posiziona l'arma sul Ransom Rest con il Grip Insert RANSOM correttamente installato.
- Esegui il test seguendo le procedure standard per il tuo tipo di test.
- Monitora attentamente il comportamento dell'arma durante il test per eventuali anomalie.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti e dei materiali di imballaggio.
- Non gettare i grip inserts rigidi o danneggiati nei rifiuti domestici; verifica se ci sono centri di raccolta specializzati nella tua area.
- Assicurati di smaltire correttamente qualsiasi materiale potenzialmente pericoloso.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per domande specifiche, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Grazie per aver scelto i Grip Inserts RANSOM. Utilizzali in modo responsabile e sicuro per garantire prestazioni ottimali durante i tuoi test.
