

GRIP INSERTS - RANSOM GRIP INSERTS S&W 1000,1006,1026,1046,1066,1076,1086,4500

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W 1000,1006,1026,1046,1066,1076,1086,4500
- Manufacturer: RANSOM
- Product no.: 430119468
- Mfr. No.: 30-300-26-16
- Delivery weight: 0.907kg
- UPC: 810132582691

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der RANSOM GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS. Diese Anleitung soll dir helfen, die Vorteile unserer Produkte sicher zu nutzen und potenzielle Risiken zu vermeiden. Bitte lese die folgenden Informationen sorgfältig durch, um eine sichere Anwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Die RANSOM GRIP INSERTS sind speziell für den Einsatz mit der Master Series Ransom Rest entwickelt worden.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Die Inserts sind so konzipiert, dass sie die Durometrie der menschlichen Hand nachahmen und Rückstoßenergie effizient absorbieren.
- Achte darauf, die Inserts regelmäßig auf Abnutzung oder Beschädigungen zu überprüfen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts können eine zerstörerische Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- **Richtige Handhabung:** Stelle sicher, dass du die Inserts so verwendest, wie es in dieser Anleitung beschrieben wird, um die Sicherheit zu gewährleisten.
- **Beobachte die Vibrationen:** Achte darauf, wie die Inserts Vibrationen und Rückstoß absorbieren. Dies ist entscheidend für die Leistung deines Gewehrs.
- **Achte auf deine Umgebung:** Stelle sicher, dass du in einer sicheren Umgebung schießst, in der keine unbefugten Personen anwesend sind.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Überprüfe, ob alle Teile der RANSOM GRIP INSERTS intakt und unbeschädigt sind.
- Stelle sicher, dass dein Gewehr ordnungsgemäß gewartet und einsatzbereit ist.

2. Installation:

- Befolge die Anweisungen des Herstellers zur Installation der Inserts. Achte darauf, dass sie fest und sicher sitzen.
- Stelle sicher, dass die Inserts richtig positioniert sind, um die bestmögliche Leistung zu erzielen.

3. Nutzung:

- Führe dein Schießtraining gemäß den empfohlenen Richtlinien durch.
- Achte darauf, dass du die Inserts nicht überlastest oder über einen längeren Zeitraum hinweg unter extremen Bedingungen verwendest.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.

- Stelle sicher, dass die Inserts nicht im normalen Haushaltsmüll entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den zuständigen Händler.

Wichtiger Hinweis

- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.
- Überprüfe regelmäßig die Rückrufupdates auf der EU Safety Gate Plattform, um über mögliche Sicherheitsrisiken informiert zu bleiben.

Vielen Dank, dass du die Sicherheitshinweise befolgst! Deine Sicherheit und die Sicherheit deines Gewehrs sind uns wichtig.

Safety Instruction Guide for Ransom Grip Inserts

Introduction

Thank you for choosing Ransom Grip Inserts for your firearm. These inserts are specifically designed to enhance your shooting experience while ensuring safety and accuracy. This guide provides essential safety instructions and guidelines for the proper use of the Ransom Grip Inserts. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and installation.
- Ensure that the firearm is unloaded before attaching or removing the grip inserts.
- Inspect the grip inserts regularly for signs of wear or damage.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may cause damage to your firearm.
- Store the grip inserts in a safe, dry place away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy, leading to potential damage to your firearm. Always use Ransom Grip Inserts.
- **Proper Handling:** Ensure that the firearm is in a safe position when using the grip inserts. Follow all standard firearm safety practices.
- **Recoil Management:** Understand that vibration and recoil are inherent in shooting. The inserts are designed to absorb these forces, but proper handling is still essential.
- **Regular Maintenance:** Check the grip inserts for any signs of damage or excessive wear before each use. Replace them if necessary.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Remove any existing grip inserts from your firearm.
- Align the Ransom Grip Inserts with the grip area of your firearm.
- Securely attach the inserts according to the manufacturer's specifications.

2. Usage:

- Once installed, ensure that the grip inserts are properly fitted and secure.
- Fire your weapon as you normally would, observing how the inserts absorb recoil.
- Monitor the performance of the inserts during use; if you notice any issues, stop using them immediately.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the Ransom Grip Inserts, please reach out to your local retailer or the manufacturer's customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of Ransom Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per gli Inserti GRIP RANSOM

Introduzione

Grazie per aver scelto gli inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Questo documento fornisce importanti istruzioni di sicurezza e linee guida per garantire un utilizzo sicuro e corretto del prodotto. È fondamentale seguire queste istruzioni per evitare danni all'arma e garantire la tua sicurezza durante l'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo modello di Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, in quanto possono causare danni all'arma.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Non utilizzare gli inserti se noti deformazioni o segni di rottura.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni, simili a come la mano umana lo farebbe.
- Assicurati che gli inserti siano installati correttamente prima di utilizzare il Ransom Rest.
- Non tentare di modificare o adattare gli inserti in alcun modo.
- Evita di utilizzare gli inserti con munizioni che superano i limiti raccomandati dal produttore.
- Non lasciare mai il Ransom Rest incustodito durante l'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Seleziona l'inserto RANSOM appropriato per il tuo modello di arma.
- Inserisci l'inserto nel Ransom Rest seguendo le istruzioni specifiche del produttore.
- Assicurati che l'inserto sia ben fissato e non si muova.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma in modo sicuro nel Ransom Rest.
- Controlla che l'arma sia in posizione di sicurezza prima di iniziare il test di tiro.
- Esegui il test di tiro seguendo le procedure di sicurezza standard.
- Dopo il test, rimuovi l'arma e controlla gli inserti per eventuali danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di materiali plastici e altri rifiuti.
- Contatta il tuo comune per informazioni sul corretto smaltimento dei prodotti non più utilizzabili.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore di

fiducia o a consultare il sito web ufficiale del produttore.

Ricorda: la sicurezza è fondamentale. Segui sempre queste istruzioni per garantire un uso sicuro e efficace degli inserti GRIP RANSOM.
