

GRIP INSERTS - RANSOM GRIP INSERTS S&W 1010,4013,4014,4053,4054,4510,4516

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W 1010,4013,4014,4053,4054,4510,4516
- Manufacturer: RANSOM
- Product no.: 430119469
- Mfr. No.: 30-300-26-17
- Delivery weight: 0.907kg
- UPC: 810132582707

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS S&W 1010, 4013, 4014, 4053, 4054, 4510, 4516

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS! Diese Inserts sind speziell für den Einsatz mit deinem Ransom Rest konzipiert und bieten eine sichere und effektive Möglichkeit, um präzise Tests durchzuführen. Bitte beachte die folgenden Sicherheitshinweise, um die sichere Verwendung des Produkts zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Stelle sicher, dass das Produkt sicher verwendet wird, um Verletzungen oder Schäden zu vermeiden.
- **Rückrufinformationen:** Halte dich über Rückrufinformationen auf dem Laufenden. Überprüfe regelmäßig die EU Safety Gate Plattform auf Updates.
- **OnlineEinkäufe:** Wenn du das Produkt online kaufst, achte darauf, dass der Verkäufer alle Sicherheitsanforderungen erfüllt.
- **Besondere Verbraucherfokussierung:** Achte darauf, dass das Produkt nicht von Kindern oder anderen schutzbedürftigen Gruppen verwendet wird, sofern nicht ausdrücklich angegeben.
- **EUKontaktstelle:** Bei Sicherheitsanfragen solltest du dich an den EUKontaktpunkt wenden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Verwende keine harten oder 3Dgedruckten Inserts, da diese deine Waffe beschädigen können.
- **Rückstoßenergie:** Sei dir bewusst, dass harte Inserts destruktive Rückstoßenergie erzeugen können, die durch den Rahmen und den Lauf wandert.
- **Testbedingungen:** Achte darauf, dass die Testbedingungen so gestaltet sind, dass sie den menschlichen Rückstoß nachahmen, um valide Testergebnisse zu erhalten.
- **Verletzungsrisiko:** Ein hartes Insert kann Verletzungen oder sogar den Tod verursachen, wenn es zu einem Vorfall kommt.

Anweisungen zur Installation und Nutzung

- **Vorbereitung:** Stelle sicher, dass der Ransom Rest und die Inserts sauber und in gutem Zustand sind, bevor du mit der Installation beginnst.
- **Installation der Inserts:**
 1. Entferne die alten Inserts, falls vorhanden.
 2. Setze die neuen GRIP INSERTS in die vorgesehenen Halterungen ein.
 3. Stelle sicher, dass die Inserts fest und sicher sitzen.
- **Nutzung des Ransom Rest:**
 1. Positioniere deine Waffe sicher im Ransom Rest.
 2. Stelle sicher, dass der Rest stabil auf einer ebenen Fläche steht.
 3. Führe deine Tests durch, während du die korrekten Sicherheitsvorkehrungen beachtest.

Entsorgungsanweisungen

- **Umweltgerechte Entsorgung:** Entsorge die Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- **Sicherheitsbewusstsein:** Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn

du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung wende dich bitte an den Händler, bei dem du das Produkt erworben hast, oder besuche die EU Safety Gate Plattform für aktuelle Sicherheitsinformationen.

Bitte beachte, dass die Sicherheit deines Produkts von deiner sorgfältigen Verwendung abhängt. Halte dich an diese Richtlinien, um die besten Ergebnisse zu erzielen und mögliche Risiken zu vermeiden.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS S&W 1010, 4013, 4014, 4053, 4054, 4510, 4516

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safe and effective use. This guide provides essential safety instructions, precautions, and recommendations for the proper installation and use of the grip inserts.

General Safety Guidelines

- Always follow the instructions provided in this guide to ensure safe use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and lead to inaccurate test results.
- Be aware that improper use of grip inserts may result in injury or damage to the firearm.
- Ensure that the grip inserts are maintained in good condition and replaced if damaged.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not use hard or 3Dprinted inserts, as they can generate destructive recoil energy that may harm your firearm.
- Understand that vibration and recoil cannot be eliminated; they must be controlled. Using the correct grip inserts helps manage these forces.
- Monitor for any signs of wear or damage to the grip inserts after each use.
- Avoid using the grip inserts in conditions that may compromise their integrity, such as exposure to extreme temperatures or moisture.
- Always perform a visual inspection of the grip inserts before each use to ensure they are functioning correctly.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is unloaded and in a safe condition before handling.
- Gather all necessary tools for installation.

2. Installation of Grip Inserts

- Remove any existing grip inserts from your Ransom Rest.
- Carefully position the Ransom Grip Inserts into the designated slots, ensuring a snug fit.
- Verify that the inserts are securely in place before proceeding.

3. Usage of Grip Inserts

- Place the firearm in the Ransom Rest with the installed grip inserts.
- Ensure that the firearm is stable and properly aligned before conducting any tests.
- Monitor the performance of the grip inserts during use to ensure they are absorbing recoil effectively.

4. PostUse Care

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the grip inserts according to the manufacturer's recommendations to maintain their effectiveness.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they are made from materials that require special disposal methods.
- Consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Ransom Grip Inserts, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more resources.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your Ransom International Grip Inserts. Always prioritize safety and proper handling to maximize the performance of your equipment. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per l'Uso degli Inserto Grip Ransom

Introduzione

Grazie per aver scelto gli Inserto Grip Ransom per il tuo Master Series Ransom Rest. Questo prodotto è progettato per garantire prestazioni ottimali durante i test di tiro, migliorando la sicurezza e l'affidabilità. È fondamentale seguire queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserto Grip Ransom con il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per segni di usura o danni.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano dalla portata dei bambini.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificare o riparare gli inserti.
- Assicurati che l'arma sia sempre in una posizione sicura e stabile durante l'uso.
- Non utilizzare l'arma se ci sono segni di danno o malfunzionamento.
- Utilizza sempre occhiali di protezione e altri dispositivi di sicurezza appropriati durante il tiro.
- Segui sempre le istruzioni del produttore per l'uso del tuo Ransom Rest e degli inserti grip.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma:

- Assicurati che l'arma sia scarica e in sicurezza prima di iniziare.

2. Installazione degli Inserti Grip:

- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Posiziona gli Inserto Grip Ransom nel supporto del Ransom Rest seguendo le istruzioni specifiche del produttore.
- Assicurati che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

3. Utilizzo del Ransom Rest:

- Posiziona l'arma sul Ransom Rest in modo che sia stabile e sicura.
- Esegui il test di tiro seguendo le procedure standard di sicurezza.
- Monitora l'arma e il Ransom Rest durante l'uso per eventuali segni di malfunzionamento.

Istruzioni per lo Smaltimento

- Gli inserti grip non devono essere smaltiti con i rifiuti domestici. Segui le normative locali per lo smaltimento dei materiali di plastica e dei componenti dell'arma.
- Contatta il tuo comune per informazioni sui punti di raccolta per il materiale da smaltire.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni o domande sulla sicurezza, fai riferimento al contatto fornito dal tuo rivenditore o consulta il sito ufficiale di Ransom Rest. Assicurati di seguire tutte le normative locali e nazionali riguardanti l'uso e la manutenzione dell'arma.

Seguire queste istruzioni contribuirà a garantire la tua sicurezza e quella degli altri durante l'uso degli Inserto Grip Ransom. Grazie per la tua attenzione e per aver scelto un prodotto Ransom.
