

GRIP INSERTS - RANSOM GRIP INSERTS FOR SMITH & WESSON 22A

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SMITH & WESSON 22A
- Manufacturer: RANSOM
- Product no.: 430119474
- Mfr. No.: 30-300-26-24
- Delivery weight: 0.907kg
- UPC: 810132582592

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR SMITH & WESSON 22A

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deine Smith & Wesson 22A. Diese Inserts sind speziell entwickelt, um die Leistung deiner Waffe zu maximieren und sicherzustellen, dass du sie effizient und sicher nutzen kannst. Bitte lies diese Sicherheitshinweise sorgfältig durch, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Übereinstimmung mit den Anweisungen des Herstellers verwendest.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigung.
- Lagere die Inserts an einem sicheren Ort, der für Kinder unzugänglich ist.
- Melde unsichere Produkte und Unfälle an die zuständigen Behörden.
- Halte dich über Rückrufaktionen auf der EU Safety GatePlattform auf dem Laufenden.

Spezifische Sicherheitshinweise zur Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffgrip Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand entsprechen, um die Rückstoßdynamik korrekt zu simulieren.
- Vermeide den Einsatz von Inserts, die nicht speziell für die Smith & Wesson 22A entwickelt wurden.
- Bei der Verwendung der Inserts darauf achten, dass sie fest und sicher im Ransom Rest platziert sind.
- Achte darauf, dass du beim Testen der Waffe in einem sicheren Bereich bist und geeignete Schutzmaßnahmen triffst.

Anweisungen zur Installation und Benutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Setze die Grip Inserts vorsichtig in den vorgesehenen Bereich des Ransom Rest ein.
- Überprüfe, ob die Inserts sicher und ohne Spiel sitzen.

2. Benutzung der Waffe mit den Inserts:

- Führe einen Funktionstest durch, um sicherzustellen, dass die Inserts korrekt installiert sind.
- Achte darauf, dass du die Waffe in einem kontrollierten Umfeld abfeuerst.
- Beobachte die Rückstoßdynamik und die Vibrationen, um sicherzustellen, dass die Inserts ihre Funktion erfüllen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Halte dich an die Empfehlungen deiner Gemeinde zur umweltgerechten Entsorgung.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich an den Hersteller oder einen autorisierten Händler. Stelle sicher, dass du alle relevanten Informationen über das Produkt bereithältst.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner Umgebung von größter Bedeutung ist. Halte dich an diese Richtlinien, um ein sicheres Schießen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR SMITH & WESSON 22A

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Smith & Wesson 22A. These grip inserts are designed to enhance your shooting experience by mimicking the natural feel of the human hand. However, it is essential to use these inserts safely and correctly to avoid potential hazards. This guide provides important safety information and instructions for proper use.

General Safety Guidelines

- Ensure the product is suitable for your firearm model before use.
- Always handle firearms with care and follow standard firearm safety practices.
- Regularly inspect the grip inserts for wear and damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest, as they may damage your firearm.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic inserts as they generate destructive recoil energy that can damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the correct grip inserts will help absorb these forces effectively.
- **Inspect for Damage:** Before each use, check the grip inserts for any signs of wear or damage. Replace them if necessary.
- **Follow Proper Usage:** Ensure that the grip inserts are installed correctly and securely before using your Ransom Rest.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your Ransom Rest.
- Align the Ransom Grip Inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are secure.
- Ensure that the inserts fit snugly and do not move when pressure is applied.

2. Usage:

- Place your firearm in the Ransom Rest, ensuring it is stable and secure.
- Aim your firearm according to standard shooting practices.
- Fire the weapon while observing the behavior of the Ransom Rest and grip inserts.
- After each shooting session, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they are made from materials that require

special disposal methods.

- Check with local waste management authorities for proper disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or performance of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines and precautions, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Thank you for prioritizing safety and responsible firearm handling.

Istruzioni di Sicurezza per gli Inserti Grip Ransom per Smith & Wesson 22A

Introduzione

Grazie per aver scelto gli inserti grip Ransom per la tua Smith & Wesson 22A. Questo prodotto è progettato per migliorare le prestazioni della tua arma e garantire un utilizzo sicuro. È fondamentale seguire queste istruzioni di sicurezza per evitare incidenti e garantire un funzionamento ottimale.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip Ransom specificamente progettati per il tuo modello di arma.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono causare danni all'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore e le normative locali relative all'uso delle armi.
- Tieni gli inserti e le armi fuori dalla portata dei bambini e di persone non autorizzate.
- Controlla regolarmente l'integrità degli inserti grip e della tua arma per eventuali segni di usura o danni.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare mai gli inserti grip Ransom con armi che non siano compatibili.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e controllata.
- Non tentare di modificare gli inserti grip o l'arma stessa.
- In caso di malfunzionamenti o comportamenti imprevisti dell'arma, interrompi immediatamente l'uso e consulta un esperto.
- Se l'arma viene utilizzata in un contesto di tiro sportivo, segui sempre le regole di sicurezza del campo di tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip

- Rimuovi l'arma dalla custodia e assicurati che sia scarica.
- Segui le istruzioni specifiche per l'installazione degli inserti grip Ransom, disponibili con il prodotto.
- Verifica che gli inserti siano saldamente installati e che non ci siano movimenti o giochi.

2. Uso degli Inserti Grip

- Tieni sempre l'arma in una posizione sicura durante l'uso.
- Assicurati che gli inserti grip siano correttamente posizionati prima di iniziare a sparare.
- Monitora il comportamento dell'arma durante l'uso e presta attenzione a qualsiasi vibrazione o comportamento anomalo.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom non devono essere smaltiti come rifiuti normali.
- Segui le normative locali per lo smaltimento di prodotti di arma e accessori.
- Contatta un centro di smaltimento autorizzato per la corretta eliminazione degli inserti grip usati.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto e per segnalare eventuali problemi, consulta il sito ufficiale

del produttore o il rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altri dettagli pertinenti quando richiedi assistenza.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace degli inserti grip Ransom per la tua Smith & Wesson 22A. La tua sicurezza è la nostra massima priorità.
