

GRIP INSERTS - RANSOM GRIP INSERTS FOR SMITH & WESSON 3900

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SMITH & WESSON 3900
- Manufacturer: RANSOM
- Product no.: 430119475
- Mfr. No.: 30-300-26-26
- Delivery weight: 0.907kg
- UPC: 810132582677

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der GRIP INSERTS von RANSOM

Einführung

Die GRIP INSERTS von RANSOM sind speziell für die Verwendung mit dem Master Series Ransom Rest entwickelt worden. Diese Anleitung bietet wichtige Sicherheitshinweise, um sicherzustellen, dass du die Inserts sicher und effektiv nutzen kannst.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit dem vorgesehenen Ransom Rest verwendet werden.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Halte die Inserts und den Ransom Rest sauber und frei von Schmutz, um eine optimale Leistung zu gewährleisten.
- Bewahre die Inserts außerhalb der Reichweite von Kindern und Haustieren auf.
- Melde unsichere Produkte und Unfälle den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Griffeinsätzen oder 3Dgedruckten Kunststoffgriffen, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine sichere Nutzung zu gewährleisten.
- Halte den Ransom Rest während des Gebrauchs stabil, um unvorhergesehene Bewegungen zu vermeiden.
- Verwende die Inserts nur für die vorgesehenen Zwecke und in Übereinstimmung mit den Empfehlungen des Herstellers.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts, falls vorhanden.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen des Ransom Rest ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Nutzung des Ransom Rest mit GRIP INSERTS:

- Positioniere das Gewehr sicher im Ransom Rest.
- Stelle die Höhe und den Winkel des Ransom Rest entsprechend deinen Bedürfnissen ein.
- Führe Schüsse gemäß den Sicherheitsrichtlinien durch und beobachte die Reaktion des Ransom Rest.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder für weitere Informationen über die GRIP INSERTS von RANSOM wende dich bitte an den

Hersteller oder einen autorisierten Händler.

Bitte beachte, dass die Sicherheit bei der Verwendung von GRIP INSERTS von RANSOM oberste Priorität hat. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SMITH & WESSON 3900

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions. These inserts are designed to minimize recoil and vibration, enhancing the testing process.
- **Enhanced Recalls:** Stay informed about product recalls. If a safety issue arises, appropriate recall notices will be issued.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra caution is advised for vulnerable groups. Ensure that children do not have access to the product.
- **EU Contact Point:** For safety inquiries, refer to the designated EU-based contact point.
- **Rapid Alerts:** Keep updated on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. They can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the correct inserts will help manage these forces effectively.
- **Monitor for Damage:** Regularly check your firearm for signs of damage. Hard inserts may not show immediate effects but can lead to longterm issues.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that the testing method mimics humanlike recoil. This is critical for obtaining valid results.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Ransom Rest is securely set up before inserting the grip inserts.
- Carefully place the grip inserts into the designated slots of the Ransom Rest, ensuring a snug fit.
- Verify that the inserts are properly aligned to avoid any misalignment during use.

2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Position the firearm in the Ransom Rest, ensuring that it is stable and secure.
- Begin testing by firing the firearm, allowing the grip inserts to absorb the initial recoil and vibration.
- After each session, inspect the grip inserts for wear and tear.

Disposal Instructions

- Dispose of used grip inserts according to local regulations. Do not dispose of them in regular household waste if they are damaged or worn out.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the designated EUbased contact point for assistance.

By adhering to these guidelines, you can ensure the safe and effective use of the Ransom International Grip Inserts, thereby enhancing your shooting experience while maintaining the integrity of your firearm. Thank you for your attention to safety.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per Smith & Wesson 3900

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questi inserti sono progettati per migliorare la tua esperienza di tiro, offrendo performance elevate e sicurezza. È fondamentale seguire attentamente queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima di utilizzare i Grip Inserts RANSOM.
- Non utilizzare grip inserts rigidi o stampati in 3D. Questi possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo equipaggiamento per eventuali segni di usura o danni.
- Conserva i Grip Inserts RANSOM in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- I Grip Inserts RANSOM sono progettati per assorbire le forze di rinculo in modo simile alla mano umana.
- Non tentare di modificare o adattare gli inserti per altri scopi.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Segui sempre le istruzioni del produttore per l'uso dell'arma in combinazione con i Grip Inserts RANSOM.
- Non utilizzare mai grip inserts rigidi, in quanto possono causare danni irreparabili alla tua arma e potenzialmente provocare infortuni.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia completamente scarica e in sicurezza prima di procedere.
2. **Installazione:**
 - Rimuovi eventuali grip inserts esistenti o componenti dell'arma che potrebbero ostacolare l'installazione.
 - Posiziona i Grip Inserts RANSOM nel punto designato, assicurando una corretta aderenza e stabilità.
 - Fissa gli inserti seguendo le istruzioni specifiche fornite con il prodotto.
3. **Uso:**
 - Utilizza i Grip Inserts RANSOM solo in condizioni di tiro appropriate.
 - Monitora costantemente le prestazioni e l'integrità degli inserti durante l'uso.
 - In caso di vibrazioni eccessive o segni di usura, interrompi immediatamente l'uso e verifica gli inserti.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei materiali non più utilizzabili.
- Non gettare i Grip Inserts RANSOM nell'ambiente. Se sono danneggiati, smaltiscili in modo responsabile.
- Contatta i servizi locali di smaltimento dei rifiuti per ulteriori informazioni sulle procedure corrette.

Informazioni di Contatto per Ulteriori Supporto

Per domande o chiarimenti sui Grip Inserts RANSOM, ti incoraggiamo a contattare il produttore o il rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza.

Grazie per aver scelto i Grip Inserts RANSOM. La tua sicurezza e soddisfazione sono la nostra priorità.
