

GRIP INSERTS - RANSOM GRIP INSERTS SMITH & WESSON M&P 45

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS SMITH & WESSON M&P 45
- Manufacturer: RANSOM
- Product no.: 430119476
- Mfr. No.: 30-300-26-27
- Delivery weight: 0.907kg
- UPC: 810132582745

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der RANSOM GRIP INSERTS SMITH & WESSON M&P 45

Einführung

Die RANSOM GRIP INSERTS sind speziell für den Master Series Ransom Rest entwickelt worden, um deine Schießpraxis zu optimieren. Diese Anleitung soll dir helfen, die Sicherheit bei der Verwendung der Inserts zu gewährleisten und mögliche Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass die RANSOM GRIP INSERTS nur in Verbindung mit dem vorgesehenen Ransom Rest verwendet werden.
- Überprüfe regelmäßig die Inserts auf sichtbare Schäden oder Abnutzung.
- Halte die Inserts von Kindern fern und verwende sie nur unter Aufsicht von Erwachsenen.
- Beachte die örtlichen Gesetze und Vorschriften bezüglich des Schießens und der Verwendung von Waffen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffgriffstücken, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um die Rückstoßenergie korrekt zu absorbieren.
- Verwende die Inserts nur in der vorgesehenen Anwendung, um unvorhergesehene Gefahren zu vermeiden.
- Informiere dich über die richtige Handhabung und Wartung des Ransom Rest, um optimale Ergebnisse zu erzielen.

Anweisungen zur Installation und Verwendung

1. Installation der RANSOM GRIP INSERTS:

- Stelle sicher, dass der Ransom Rest sicher auf einer stabilen Oberfläche platziert ist.
- Wähle das passende Insert für dein Gewehrmodell aus.
- Setze das Insert gemäß den Anweisungen des Herstellers in den Ransom Rest ein.
- Überprüfe, ob das Insert richtig sitzt und keine Bewegungen zulässt.

2. Verwendung der RANSOM GRIP INSERTS:

- Stelle sicher, dass das Gewehr korrekt im Ransom Rest positioniert ist.
- Führe einen Testschuss durch, um sicherzustellen, dass das Insert die Vibrationen und Rückstoßkräfte korrekt absorbiert.
- Überwache die Leistung des Inserts während des Schießens und wechsele es bei Anzeichen von Abnutzung oder Beschädigung aus.

Entsorgungsanweisungen

- Entsorge beschädigte oder nicht mehr verwendbare Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Achte darauf, dass die Inserts sicher verpackt sind, um Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Anliegen zur Sicherheit der RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Schlussfolgerung

Die Sicherheit bei der Verwendung der RANSOM GRIP INSERTS ist von größter Bedeutung. Durch die Beachtung dieser Sicherheitsrichtlinien und Anweisungen kannst du das Risiko von Verletzungen oder Schäden minimieren und deine Schießpraxis optimieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS SMITH & WESSON

M&P 45

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides essential safety instructions and precautions for the proper use of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions provided. The inserts are designed to minimize risks associated with recoil and vibration.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding the grip inserts. If a recall is issued, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using these products around vulnerable groups, including children. Keep the inserts out of reach of children.
- **EU Contact Point:** For any safety inquiries, please consult your local authorities or the relevant EU contact points.
- **Rapid Alerts:** Monitor updates on unsafe products via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic inserts with your Master Series Ransom Rest. They can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Remember that vibration and recoil cannot be stopped; they can only be controlled. Using proper inserts will help manage these forces effectively.
- **Monitor for Damage:** Inspect your firearm regularly for signs of damage that may result from improper use of grip inserts.
- **Use as Intended:** Only use the grip inserts for their intended purpose. Misuse may lead to injuries or accidents.
- **Follow Testing Protocols:** When conducting tests, ensure that the conditions mimic humanlike recoil to obtain valid results.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and safe to handle before attaching the grip inserts.
- Clean the grip area of your firearm to ensure a secure fit.

2. Installation:

- Align the grip inserts with the grip area of your firearm.
- Firmly press the inserts into place until they are securely fitted. Ensure there are no gaps between the insert and the firearm.

3. Usage:

- Once installed, the grip inserts should absorb recoil and vibration effectively during shooting.
- Regularly check the fit of the inserts to ensure they remain secure and functional.

4. PostUsage Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- If any damage is observed, remove the inserts immediately and replace them with new ones.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Do not dispose of the inserts in fire, as they may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom International Grip Inserts, please consult your local authorities or relevant support channels.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting practices.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS SMITH & WESSON M&P 45

Introduzione

Benvenuto nel manuale di sicurezza per i GRIP INSERTS RANSOM GRIP INSERTS SMITH & WESSON M&P 45. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest, garantendo al contempo la sicurezza dell'arma. È fondamentale seguire le istruzioni di sicurezza e utilizzo per prevenire incidenti e danni.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i grip inserts RANSOM con il tuo Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segui tutte le istruzioni di installazione e utilizzo fornite.
- In caso di dubbi o domande, contatta un esperto prima di utilizzare il prodotto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il prodotto in condizioni di umidità eccessiva o temperature estreme.
- Assicurati che il tuo Master Series Ransom Rest sia correttamente montato e stabile prima di utilizzare il grip insert.
- Evita di esercitare una pressione eccessiva sui grip inserts durante l'uso.
- Non utilizzare il prodotto con munizioni non conformi o danneggiate.
- Tieni il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovere eventuali grip inserts precedenti dal Master Series Ransom Rest.
- Posizionare il grip insert RANSOM in modo che si adatti perfettamente al telaio del Ransom Rest.
- Assicurati che l'inserto sia saldamente fissato prima di procedere all'uso.

2. Uso:

- Prima di ogni utilizzo, verifica che il grip insert sia in buone condizioni.
- Durante il tiro, osserva attentamente le reazioni dell'arma e del grip insert.
- Dopo ogni sessione di tiro, controlla nuovamente il grip insert per segni di usura o danni.

Istruzioni per lo Smaltimento

- Non gettare il prodotto insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta le autorità locali per informazioni su come smaltire in modo sicuro il prodotto.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o richiesta di supporto riguardo ai GRIP INSERTS RANSOM, si consiglia di contattare un

esperto del settore o il rivenditore presso cui è stato acquistato il prodotto.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un utilizzo sicuro e efficace dei GRIP INSERTS RANSOM GRIP INSERTS SMITH & WESSON M&P 45. La tua sicurezza e quella del tuo equipaggiamento sono la nostra priorità.
