

GRIP INSERTS - RANSOM GRIP INSERTS FOR S&W M&P SHIELD 9/40 W/CRIMSON TRACE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR S&W M&P SHIELD 9/40 W/CRIMSON TRACE
- Manufacturer: RANSOM
- Product no.: 430119478
- Mfr. No.: 30-300-26-29
- Delivery weight: 0.907kg
- UPC: 810132582769

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM für die S&W M&P Shield 9/40 mit Crimson Trace. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden. Bitte beachte alle Hinweise und Anweisungen, um Risiken zu vermeiden und die Lebensdauer deiner Waffe zu verlängern.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit der S&W M&P Shield 9/40 verwendest.
- Überprüfe vor jedem Gebrauch, ob die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Personen.
- Achte darauf, dass du die Inserts gemäß den Anweisungen verwendest, um Verletzungen und Schäden zu vermeiden.
- Informiere dich regelmäßig über Rückrufaktionen oder Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts. Diese können deine Waffe beschädigen.
- Achte darauf, dass du die Inserts nur in einem stabilen und sicheren Bereich verwendest, um das Risiko von Unfällen zu minimieren.
- Bei der Verwendung der Inserts sollten stets Schutzbrillen getragen werden, um deine Augen zu schützen.
- Halte dich an die empfohlenen Schussbedingungen und umgebungen, um die Sicherheit zu gewährleisten.

Anweisungen zur Installation und Nutzung

1. Überprüfung der Inserts:

- Stelle sicher, dass die Inserts unbeschädigt und sauber sind.
- Prüfe, ob sie korrekt für deine Waffe geeignet sind.

2. Installation:

- Setze die Inserts gemäß der Anleitung in die Waffe ein.
- Achte darauf, dass sie fest sitzen und keine Bewegungsspielräume haben.

3. Nutzung:

- Nutze die Waffe nur mit den korrekt installierten Inserts.
- Achte darauf, die ersten Millisekunden des Schusses zu kontrollieren, um Rückstoß zu minimieren.
- Überwache die Leistung der Inserts während des Schießens und achte auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektronik und Kunststoffabfälle.
- Achte darauf, dass keine Teile in die Umwelt gelangen, die schädlich sein könnten.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit und Nutzung der GRIP INSERTS von RANSOM, kontaktiere bitte den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass diese Sicherheitshinweise regelmäßig aktualisiert werden können, um den neuesten gesetzlichen Anforderungen und Sicherheitsstandards zu entsprechen. Es liegt in deiner Verantwortung, die Informationen regelmäßig zu überprüfen und sicherzustellen, dass du die neuesten Anweisungen befolgst.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR S&W M&P SHIELD 9/40 W/CRIMSON TRACE

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your shooting experience while ensuring the safety and integrity of your firearm. This guide provides essential safety instructions and guidelines to ensure the safe use of these products in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the grip inserts by following all provided instructions.
- Be aware of potential risks associated with improper use of hard or 3Dprinted grip inserts.
- Regularly check for product recalls and safety updates through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Always use the grip inserts in a manner consistent with the manufacturer's recommendations.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Master Series Ransom Rest.
- Hard inserts can damage your firearm by generating destructive recoil energy that travels through the frame and barrel.
- Poorly engineered hard or 3Dprinted inserts fail to replicate humanlike recoil, leading to invalid test data.
- The inserts are specifically designed to mimic the durometer of the human hand to absorb recoil effectively.
- Using hard inserts may decrease the lifespan of your firearm and could potentially cause injury or death.
- Always ensure that the grip inserts are properly installed before use.
- If you experience any unusual sounds or vibrations during use, discontinue use immediately and inspect the product.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and in a safe condition before installation.
- Carefully remove any existing grip inserts if necessary.
- Align the Ransom Grip Inserts with the firearm's grip area.
- Firmly press the inserts into place, ensuring a snug fit.
- Doublecheck that the inserts are securely installed before proceeding.

2. Usage:

- When using the Ransom Rest, ensure that the firearm is properly secured in the rest.
- Avoid using hard or 3Dprinted inserts at any time during testing or shooting.
- Observe the firearm during use for any signs of damage or unusual behavior.
- After each use, inspect the grip inserts for wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.
- Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or designated contact points for assistance. Always ensure that you have the most current information regarding product safety and usage.

By following these guidelines, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per l'Utilizzo dei GRIP INSERTS RANSOM per S&W M&P SHIELD 9/40 con Crimson Trace

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM. Questo prodotto è progettato per migliorare la gestione del rinculo e delle vibrazioni durante il tiro. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza di tiro sicura ed efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i GRIP INSERTS RANSOM solo con armi compatibili e in buone condizioni.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono causare danni all'arma e mettere a rischio la tua sicurezza.
- Controlla sempre il tuo equipaggiamento prima dell'uso per identificare eventuali segni di usura o danni.
- Segui sempre le normative locali e nazionali riguardanti l'uso delle armi.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo del Rinculo:** Gli inserti sono progettati per assorbire le forze di rinculo. Non utilizzare inserti non autorizzati che possono compromettere questa funzione.
- **Assorbimento delle Vibrazioni:** Gli inserti Ransom assorbono le vibrazioni. Non tentare di modificare o sostituire gli inserti con materiali non approvati.
- **Attenzione agli Infortuni:** Un inserto rigido può ridurre la vita della canna e dell'arma, aumentando il rischio di infortuni. Utilizza solo prodotti progettati per il tuo modello di arma.
- **Controllo Visivo:** Prima di ogni sessione di tiro, ispeziona visivamente gli inserti per eventuali segni di danneggiamento o usura.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi l'arma dalla modalità di sicurezza.
- Segui le istruzioni del produttore per installare correttamente i GRIP INSERTS RANSOM.
- Assicurati che gli inserti siano ben fissati e non presentino movimenti o allentamenti.

2. Utilizzo:

- Posiziona l'arma in un'area sicura e controllata per il tiro.
- Utilizza una postura corretta e controllata durante il tiro.
- Dopo ogni colpo, verifica che gli inserti non mostrino segni di danneggiamento.

Istruzioni per lo Smaltimento

- Gli inserti Ransom non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per il corretto smaltimento di prodotti in plastica o materiali compositi.
- Contatta il tuo centro di raccolta rifiuti locale per informazioni specifiche sullo smaltimento di prodotti per armi.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei GRIP INSERTS RANSOM, ti invitiamo a contattare il produttore o il rivenditore presso cui hai acquistato il prodotto. Assicurati di avere a disposizione il numero di serie del prodotto e la prova d'acquisto per ricevere assistenza.

Conclusione

La sicurezza è la tua responsabilità. Segui attentamente queste istruzioni e le linee guida di sicurezza per garantire un uso sicuro ed efficace dei GRIP INSERTS RANSOM. In caso di domande o preoccupazioni, non esitare a cercare assistenza.
