

GRIP INSERTS - RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ, 380 EZ

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ, 380 EZ
- Manufacturer: RANSOM
- Product no.: 430119481
- Mfr. No.: 30-300-26-32
- Delivery weight: 0.907kg
- UPC: 810132582783

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ

Einführung

Willkommen zu deiner Sicherheitsanleitung für die GRIP INSERTS von RANSOM. Diese Inserts sind speziell für die Verwendung mit der Master Series Ransom Rest entwickelt worden. Es ist wichtig, diese Anleitung sorgfältig zu lesen, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit den dafür vorgesehenen Waffen verwendest.
- Überprüfe regelmäßig die Inserts auf Anzeichen von Verschleiß oder Beschädigung.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Harte Inserts können gefährliche Rückstoßenergien erzeugen, die dein Gewehr beschädigen könnten.
- Die RANSOM Grip Inserts sind so konstruiert, dass sie die Rückstoßenergie absorbieren, um Schäden zu vermeiden.
- Achte darauf, dass die Inserts richtig installiert sind, um die Sicherheit zu gewährleisten.
- Verwende die Inserts nur in einem sicheren und kontrollierten Umfeld.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Setze die Inserts gemäß den Anweisungen des Herstellers in die vorgesehenen Bereiche ein.
- Überprüfe, ob die Inserts fest sitzen und keine Bewegung haben.

2. Nutzung der Inserts:

- Verwende die Inserts nur in Kombination mit der Master Series Ransom Rest.
- Achte darauf, dass die Maschine korrekt positioniert ist, bevor du mit dem Schießen beginnst.
- Beobachte das Verhalten der Waffe während des Schießens und achte auf ungewöhnliche Geräusche oder Vibrationen.

Entsorgungsanweisungen

- Entsorge beschädigte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffmaterialien.
- Halte dich an die Richtlinien für die umweltgerechte Entsorgung von Waffenaccessoires.

Kontaktinformationen für weitere Unterstützung

Für Fragen zur Sicherheit oder zur Verwendung der GRIP INSERTS wende dich bitte an den Hersteller oder einen qualifizierten Fachmann. Stelle sicher, dass du alle sicherheitsrelevanten Informationen bereit hast, wenn du Unterstützung benötigst.

Bitte beachte, dass die Sicherheit bei der Verwendung von Waffen und Zubehör oberste Priorität hat. Halte dich immer an die Anweisungen und Empfehlungen des Herstellers, um ein sicheres Schießen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ, 380 EZ

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. This guide provides essential safety information to ensure the safe and effective use of this product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions provided in this guide. Improper use may lead to damage to your firearm or personal injury.
- **Use Appropriate Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These types of inserts can generate destructive recoil energy that may damage your firearm.
- **Monitor for Damage:** Regularly inspect your firearm and grip inserts for any signs of wear or damage.
- **Be Aware of Recoil:** Understand that recoil is a natural part of shooting. The grip inserts are designed to manage this recoil effectively.
- **Follow Recall Notices:** Stay informed about any recalls related to this product by checking relevant consumer safety platforms.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can lead to increased wear and tear on your firearm.
 - They do not replicate humanlike recoil, which can invalidate test data.
- **Understand Recoil Mechanics:**
 - Every action has an equal and opposite reaction. Vibration and recoil must be managed properly to avoid damage.
- **Use Inserts as Intended:**
 - The grip inserts are specifically designed to absorb vibration and recoil.
 - Ensure that you use them in conjunction with the Ransom Rest system to achieve optimal results.
- **Check Compatibility:**
 - Ensure that the grip inserts are compatible with your specific firearm model.
- **Supervise Use:**
 - If the product is used in environments with children or vulnerable individuals, supervision is advised.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction before installation.
- Remove any existing grip inserts from your Ransom Rest.
- Carefully place the Ransom Grip Inserts into the designated areas of the Ransom Rest.
- Ensure that the inserts are securely fitted and do not move when pressure is applied.

2. Usage:

- Position your firearm in the Ransom Rest with the grip inserts properly aligned.
- Perform a function check to ensure that the firearm is securely held in the rest.

- When firing, observe the behavior of the firearm and the inserts. Ensure that the recoil is absorbed effectively.
- After each use, inspect the grip inserts for wear and tear, and replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of plastic products.
- Do not throw inserts into open flames or expose them to extreme heat.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the manufacturer's contact information provided with your purchase. It is important to have access to support for any questions or concerns you may have.

By following these safety instructions, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Always prioritize safety and proper handling of your firearm.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per S&W M&P SHIELD 9/40 EZ, 380 EZ

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM. Questo prodotto è progettato per migliorare la precisione e la sicurezza durante i test di tiro. È importante seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Segui sempre le normative di sicurezza relative all'uso delle armi da fuoco.
- Controlla frequentemente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e lontano dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il Ransom Rest con grip inserts non approvati, poiché ciò può causare danni all'arma.
- Assicurati che il tuo Ransom Rest sia posizionato su una superficie stabile e sicura durante l'uso.
- Non tentare di modificare o alterare i Grip Inserts RANSOM.
- Quando non in uso, riponi il Ransom Rest e i grip inserts in un luogo sicuro.
- Segnala immediatamente eventuali incidenti o malfunzionamenti al rivenditore o al produttore.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts RANSOM:

- Rimuovi il grip insert esistente dal Ransom Rest.
- Posiziona il Grip Insert RANSOM nel supporto designato del Ransom Rest.
- Assicurati che l'inserto sia ben fissato e allineato correttamente.

2. Utilizzo del Ransom Rest:

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia stabile.
- Prima di iniziare il tiro, verifica che non ci siano ostacoli o rischi nelle vicinanze.
- Durante il test di tiro, osserva attentamente il movimento dell'arma e l'assorbimento del rinculo.

3. Controllo PostUtilizzo:

- Dopo l'uso, controlla il Grip Insert per eventuali segni di usura o danni.
- Pulisci il Ransom Rest e i grip inserts secondo le istruzioni del produttore.

Istruzioni per lo Smaltimento

- Smaltisci i Grip Inserts RANSOM secondo le normative locali per i rifiuti di plastica.
- Non gettare i grip inserts in fiamme o in luoghi non autorizzati.
- Contatta il tuo comune per informazioni specifiche sullo smaltimento dei materiali plastici.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti la sicurezza del prodotto, contatta il rivenditore presso il quale hai acquistato il Grip Insert RANSOM o visita il sito web ufficiale di Ransom Rest per ulteriori informazioni.

Ricorda, la sicurezza è una priorità. Segui queste istruzioni e goditi un'esperienza di tiro sicura e precisa.
