

GRIP INSERTS - RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ;380 EZ W/CRIMSON TRACE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ;380 EZ W/CRIMSON TRACE
- Manufacturer: RANSOM
- Product no.: 430119482
- Mfr. No.: 30-300-26-34
- Delivery weight: 0.907kg
- UPC: 810132582806

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ; 380 EZ W/CRIMSON TRACE

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für die S&W M&P Shield 9/40 EZ; 380 EZ mit Crimson Trace! Diese Inserts sind speziell entwickelt, um die Sicherheit und Leistung deines Gewehrs zu maximieren. Bitte lies diese Sicherheitshinweise sorgfältig, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit kompatiblen Gewehren verwendest.
- Verwende die Inserts nicht, wenn sie beschädigt oder abgenutzt sind.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern.
- Beachte alle lokalen Gesetze und Vorschriften bezüglich Waffen und Zubehör.
- Berichte unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung harter Grip Inserts oder 3Dgedruckter Kunststoffgrip Inserts, da diese deinem Gewehr schaden können.
- Harte Inserts können schädliche Rückstoßenergien erzeugen, die durch den Rahmen und den Lauf des Gewehrs übertragen werden.
- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um Rückstoß und Vibrationen effektiv zu absorbieren.
- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest, um die besten Ergebnisse zu erzielen.

Anweisungen für Installation und Nutzung

1. **Vorbereitung:** Stelle sicher, dass das Gewehr entladen ist und sicher aufbewahrt wird.
2. **Installation:**
 - Entferne die bestehenden Inserts, falls vorhanden.
 - Setze die RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
 - Stelle sicher, dass die Inserts fest und sicher sitzen.
3. **Nutzung:**
 - Teste die Inserts mit einem sicheren und stabilen Ransom Rest.
 - Achte darauf, dass die Inserts korrekt arbeiten und keine Vibrationen oder Rückstoß auf das Gewehr übertragen.
 - Überwache die Inserts regelmäßig auf Abnutzung oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Richtlinien für die sichere Entsorgung von Waffen und Schießzubehör.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung kannst du dich an den Hersteller wenden. Stelle sicher, dass du alle relevanten Informationen zu deinem Produkt bereithältst.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner Ausrüstung von größter Bedeutung ist. Folge diesen Richtlinien sorgfältig, um eine sichere und effektive Nutzung deiner GRIP INSERTS zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ; 380 EZ W/CRIMSON TRACE

Introduction

Thank you for choosing the Ransom International Grip Inserts for your S&W M&P Shield 9/40 EZ and 380 EZ with Crimson Trace. This guide provides important safety instructions and precautions to ensure the safe use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model.
- Always follow the manufacturer's instructions for use and maintenance.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can generate destructive recoil energy that may damage your firearm.
 - They fail to replicate humanlike recoil, rendering test data invalid.
- **Understand Vibration and Recoil:**
 - Vibration and recoil cannot be stopped; they must be controlled. The grip inserts are designed to absorb these forces, preventing them from transferring to the firearm.
- **Monitor for Damage:**
 - Damage from using hard inserts may not be immediately visible but can accumulate over time, affecting the lifespan of your firearm.
- **Safety First:**
 - Using hard or 3Dprinted inserts can lead to serious injury or death. Always prioritize safety in your testing and usage.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove any existing grip inserts or accessories from the firearm.
- Align the Ransom grip inserts with the grip of your firearm.
- Securely attach the inserts, ensuring they fit snugly without any gaps.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the setup mimics the natural handling of a firearm.
- Monitor the performance of the grip inserts during use. If you notice any signs of wear, discontinue use immediately.
- Always conduct tests in a safe environment, following all local laws and regulations regarding firearm usage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not attempt to recycle hard grip inserts as they may contain materials that are not suitable for recycling.

Contact Information for Further Support

- For any safety inquiries or concerns regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure the effective and safe use of the Ransom International Grip Inserts for your firearm. Always prioritize safety and compliance with local regulations when handling firearms and related accessories. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM

Introduzione

Benvenuto nel manuale di sicurezza per gli inserti per impugnatura RANSOM GRIP INSERTS S&W M&P SHIELD 9/40 EZ; 380 EZ W/CRIMSON TRACE. Questo documento fornisce informazioni importanti per garantire un uso sicuro e responsabile del prodotto. Si prega di leggere attentamente le istruzioni e di seguire tutte le linee guida di sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per lo scopo previsto.
- Controlla sempre il prodotto per eventuali segni di danni prima dell'uso.
- Non utilizzare inserti rigidi o stampati in 3D con il tuo Master Series Ransom Rest.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano dalla portata dei bambini.
- Segnala eventuali prodotti pericolosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le forze di rinculo e vibrazione, evitando danni all'arma.
- Non utilizzare inserti non autorizzati, poiché potrebbero compromettere la sicurezza e le prestazioni del tuo sistema di tiro.
- Assicurati di utilizzare sempre la giusta impugnatura per il tuo Master Series Ransom Rest.
- Segui le istruzioni di installazione e utilizzo per garantire un funzionamento corretto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dalla tua impugnatura.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Inserisci gli inserti RANSOM seguendo le indicazioni specifiche del tuo modello di impugnatura.
- Assicurati che gli inserti siano ben fissati e non si muovano.

2. Uso degli Inserti:

- Posiziona il tuo Master Series Ransom Rest su una superficie stabile e piana.
- Assicurati che l'arma sia correttamente montata nel supporto.
- Esegui i test di tiro seguendo le pratiche di sicurezza standard.
- Monitora le prestazioni e controlla frequentemente gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non sono progettati per essere smaltiti in modo tradizionale. Contatta un centro di smaltimento autorizzato per le istruzioni specifiche.
- Non gettare gli inserti nel normale rifiuto domestico.
- Assicurati di seguire le normative locali per lo smaltimento dei materiali.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare un problema, contatta il tuo rivenditore autorizzato o visita il sito ufficiale del produttore. Assicurati di avere il numero di modello a portata di mano per facilitare il processo.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste linee guida, puoi garantire un uso sicuro e efficace degli inserti RANSOM. Grazie per aver scelto i nostri prodotti e per il tuo impegno nella sicurezza.
