

GRIP INSERTS - RANSOM GRIP INSERTS FOR STI GP5

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STI GP5
- Manufacturer: RANSOM
- Product no.: 430119492
- Mfr. No.: 30-300-27-10
- Delivery weight: 0.907kg
- UPC: 810132583001

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR STI GP5

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deinen STI GP5! Diese Inserts sind speziell entwickelt worden, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Grip Inserts korrekt installiert sind, um das Risiko von Verletzungen oder Schäden zu minimieren.
- Verwende ausschließlich die RANSOM GRIP INSERTS und vermeide harte oder 3Dgedruckte Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfe regelmäßig den Zustand der Inserts und des Gewehrs auf Anzeichen von Abnutzung oder Beschädigung.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um den Rückstoß zu absorbieren und die Sicherheit zu erhöhen.
- Vermeide es, das Gewehr in einer Position zu verwenden, in der es zu unkontrolliertem Rückstoß kommen könnte.
- Halte beim Schießen immer eine sichere Haltung ein und achte auf deine Umgebung.
- Verwende Schutzausrüstung, wie z.B. Gehörschutz und Schutzbrille, um Verletzungen zu vermeiden.

Anweisungen zur Installation und Nutzung

1. Installation der Grip Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß den beiliegenden Anweisungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du das Gewehr verwendest.

2. Nutzung des Gewehrs:

- Überprüfe vor jedem Gebrauch, ob die Inserts korrekt installiert sind.
- Schieße in einer kontrollierten Umgebung und achte auf die richtige Handhabung des Gewehrs.
- Achte darauf, dass die Inserts die Vibrationen und den Rückstoß effektiv absorbieren, um wiederholbare Testergebnisse zu gewährleisten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, nachdem sie entsorgt wurden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der RANSOM GRIP INSERTS wende dich an den Hersteller oder deinen Händler. Sie stehen bereit, um dir bei Fragen oder Problemen zu helfen.

Fazit

Die Verwendung der RANSOM GRIP INSERTS kann die Lebensdauer deines Gewehrs verlängern und die Sicherheit beim Schießen erhöhen. Achte darauf, alle Sicherheitsrichtlinien zu befolgen, um ein sicheres und effektives Schießerlebnis zu gewährleisten. Sei vorsichtig und lerne aus den Erfahrungen anderer, um die bestmögliche Nutzung deines Gewehrs zu erreichen.

GRIP INSERTS RANSOM GRIP INSERTS FOR STI GP5 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for STI GP5. These inserts are designed to enhance your shooting experience while ensuring safety and performance. This guide provides important safety instructions and precautions to help you use the product effectively and safely.

General Safety Guidelines

- Ensure proper handling of firearms and accessories at all times.
- Always follow the manufacturer's instructions and guidelines for use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your equipment for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Ransom Rest, as they can damage your firearm.
- Hard inserts can generate destructive recoil energy, which may harm the gun and affect performance.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Avoid using any inserts that do not replicate humanlike recoil, as this may lead to invalid test results.
- Understand that using hard or poorly engineered inserts can lead to decreased lifespan of your firearm and potential injury.

Instructions for Installation and Usage

1. Installation:

- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Ensure the firearm is unloaded before installation.
- Place the firearm in the Ransom Rest with the grip inserts properly aligned.
- Conduct your shooting tests in a controlled environment.
- Monitor the performance of the grip inserts during use, and replace them if any signs of wear or damage are observed.

3. Maintenance:

- Regularly check the grip inserts for any signs of deterioration.
- Clean the inserts with a soft cloth to remove any debris or residue.
- Store the Ransom Rest and inserts in a dry, cool place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw the inserts in regular household waste. Check for recycling options in your area.
- Ensure that all components are disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's support resources.

Thank you for prioritizing safety and performance while using the Ransom International Grip Inserts for STI GP5. Enjoy your shooting experience responsibly!

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM per STI GP5

Introduzione

Benvenuto nella guida agli inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti per garantire un uso sicuro e efficace del prodotto. È fondamentale seguire queste istruzioni per evitare danni all'arma e garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti RANSOM progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare materiali alternativi che non siano stati testati.
- Non tentare di modificare gli inserti o il Ransom Rest in alcun modo.
- Utilizza il Ransom Rest solo in ambienti sicuri e controllati, lontano da persone non autorizzate.
- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e sicura prima dell'uso.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere gli inserti vecchi o non conformi dal Ransom Rest.
- Posizionare gli inserti RANSOM nel supporto, assicurandosi che siano ben fissati.
- Verificare che non ci siano spazi o movimenti indesiderati tra l'inserto e il Ransom Rest.

2. Uso del Ransom Rest:

- Posizionare l'arma nel Ransom Rest in modo sicuro, assicurandosi che sia ben bilanciata.
- Effettuare un test di sparo iniziale per assicurarsi che l'inserto funzioni correttamente.
- Monitorare il comportamento dell'arma durante il tiro e fare attenzione a eventuali vibrazioni o rumori anomali.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM e i materiali di imballaggio devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel cestino se sono danneggiati o usurati. Contatta un centro di raccolta rifiuti per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare un prodotto difettoso, si prega di contattare il produttore o il rivenditore autorizzato.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un uso efficace e sicuro degli inserti GRIP RANSOM per il tuo Master Series Ransom Rest. Ricorda che la sicurezza è la priorità principale e che l'uso corretto del prodotto può prevenire danni all'arma e garantire la tua sicurezza.
