

GRIP INSERTS - RANSOM GRIP INSERTS FOR SPRINGFIELD ARMORY XDE 45

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SPRINGFIELD ARMORY XDE 45
- Manufacturer: RANSOM
- Product no.: 430119495
- Mfr. No.: 30-300-27-19
- Delivery weight: 0.907kg
- UPC: 810132582899

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SPRINGFIELD ARMORY XDE 45

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für deine Springfield Armory XDE 45 entwickelt wurden. Diese Inserts sind darauf ausgelegt, die Leistung deines Master Series Ransom Rest zu maximieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in der vorgesehenen Waffe verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Informiere dich über die richtige Handhabung und Pflege deines Gewehrs.
- Achte darauf, dass du die Inserts regelmäßig auf Abnutzung oder Beschädigung überprüfst.
- Melde unsichere Produkte oder Vorfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- **Vermeide harte Inserts:** Harte Inserts können schädliche Rückstoßenergien erzeugen, die dein Gewehr beschädigen können.
- **Schutz vor Vibrationen:** Die RANSOM Grip Inserts sind so konzipiert, dass sie Vibrationen und Rückstoß absorbieren und somit die Lebensdauer von Lauf und Waffe verlängern.
- **Realistische Testergebnisse:** Durch die Verwendung der Inserts erhältst du reproduzierbare Ergebnisse, die für dich als Endbenutzer von Bedeutung sind.
- **Vorsicht bei der Anwendung:** Harte oder 3Dgedruckte Inserts können nicht sofort sichtbare Schäden verursachen, aber diese Schäden summieren sich mit jedem Schuss.

Anleitung zur Installation und Nutzung

1. **Überprüfung der Inserts:** Stelle sicher, dass die Inserts unbeschädigt und sauber sind, bevor du sie installierst.
2. **Installation:**
 - Entferne die alten Inserts aus deiner Waffe.
 - Setze die RANSOM Grip Inserts an der vorgesehenen Stelle ein.
 - Achte darauf, dass die Inserts fest sitzen und keine Lücken vorhanden sind.
3. **Nutzung:**
 - Verwende die Inserts nur mit der Springfield Armory XDE 45.
 - Führe regelmäßige Tests durch, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.
 - Überwache die Leistung und die Ergebnisse deiner Schüsse, um sicherzustellen, dass die Inserts ihre Aufgabe erfüllen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder deinen Händler.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner Person von größter Bedeutung ist. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießen zu gewährleisten.

Safety Instructions for GRIP INSERTS RANSOM

GRIP INSERTS FOR SPRINGFIELD ARMORY XDE 45

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the Springfield Armory XDE 45. These grip inserts are engineered to enhance your shooting experience while ensuring the safety and longevity of your firearm. This safety instruction guide provides essential information on safe usage, installation, maintenance, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Be aware of the risks associated with improper use, including damage to the firearm and potential injury.
- Regularly check for updates on safety recalls through the EU's Safety Gate platform.
- If you encounter any unsafe products or accidents, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the proper inserts helps manage these forces effectively.
- **Inspect Inserts Regularly:** Check the condition of your grip inserts before each use to ensure they are functioning as intended.
- **User Responsibility:** Always mimic humanlike recoil during testing to obtain valid results. A hard insert will not provide accurate or repeatable test results.
- **Potential Risks:** Be aware that using inappropriate inserts may decrease the lifespan of your firearm and could lead to injury or death if the situation arises.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Remove any existing grip inserts from the firearm.
- Clean the grip area to ensure proper adhesion and fit.
- Align the Ransom grip inserts with the grip area of the firearm.
- Firmly press the inserts into place until securely fitted.

2. Usage Guidelines:

- Always ensure that the firearm is unloaded before installing or adjusting the grip inserts.
- Use the inserts only for their intended purpose – to absorb recoil and vibration during shooting.
- During testing, monitor the firearm's performance and adjust as necessary to maintain safety and accuracy.

3. PostUse Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the grip area and inserts with a soft cloth to remove any debris or residue.
- Store the firearm and grip inserts in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Do not throw them in regular trash.
- Check local regulations for proper disposal methods of firearm accessories.
- If the grip inserts are beyond use, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's website or customer service for support. It is essential to have access to assistance for any safety inquiries.

Thank you for your attention to these safety guidelines. Your adherence to these instructions will help ensure a safe and enjoyable shooting experience with your Springfield Armory XDE 45.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per Springfield Armory XDE 45

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per la tua Springfield Armory XDE 45. Questo prodotto è progettato per migliorare l'esperienza di tiro, ma è fondamentale seguire le istruzioni di sicurezza per garantire un uso corretto e sicuro. Questa guida fornisce informazioni essenziali sulla sicurezza, l'installazione e l'uso dei Grip Inserts.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati per il tuo modello specifico di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Tieni i Grip Inserts e l'arma lontano dalla portata dei bambini o di persone non autorizzate.
- Controlla regolarmente il prodotto per segni di usura o danni.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Rischio di Danno all'Arma:** L'uso di grip inserts non appropriati può causare danni strutturali all'arma. Assicurati di utilizzare solo inserti progettati per assorbire il rinculo e le vibrazioni.
- **Controllo delle Forze:** Ricorda che vibrazione e rinculo non possono essere fermati, ma solo controllati. Gli inserti RANSOM sono progettati per comportarsi come la mano umana, assorbendo queste forze.
- **Infortuni Potenziali:** Un inserto rigido può ridurre la vita della canna e dell'arma, e potrebbe causare infortuni o morte in caso di malfunzionamento.
- **Test di Precisione:** L'uso di grip inserts non progettati per l'uso umano renderà i risultati dei test non validi.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e priva di munizioni prima di iniziare l'installazione.
2. **Installazione degli Inserts:**
 - Rimuovi eventuali grip inserts esistenti.
 - Posiziona i Grip Inserts RANSOM nel supporto designato.
 - Assicurati che gli inserti siano saldamente in posizione e che non ci siano spazi vuoti.
3. **Verifica:** Controlla che gli inserti siano correttamente installati prima di utilizzare l'arma.
4. **Uso:** Utilizza l'arma come indicato, prestando attenzione alle vibrazioni e al rinculo. Gli inserti dovrebbero assorbire la maggior parte di queste forze.
5. **Manutenzione:** Ispeziona regolarmente gli inserti per segni di usura e sostituiscili se necessario.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nel normale rifiuto domestico.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta un centro di raccolta rifiuti per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriore Supporto

Per domande o informazioni aggiuntive sui Grip Inserts RANSOM, contatta il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per ricevere assistenza rapida.

Avvertenze Finali

- Non utilizzare mai grip inserts rigidi o stampati in 3D.
- Segui sempre le linee guida di sicurezza per garantire un'esperienza di tiro sicura e soddisfacente.
- In caso di dubbi o domande, consulta un esperto prima dell'uso.

Grazie per aver scelto i Grip Inserts RANSOM. La tua sicurezza e quella degli altri sono la nostra priorità.
