

GRIP INSERTS - RANSOM GRIP INSERTS FOR SPRINGFIELD ARMORY ECHELON

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SPRINGFIELD ARMORY ECHELON
- Manufacturer: RANSOM
- Product no.: 430119496
- Mfr. No.: 30-300-27-22
- Delivery weight: 0.907kg
- UPC: 810132582912

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM GRIP INSETS FÜR SPRINGFIELD ARMORY ECHELON

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSETS für deine Springfield Armory Echelon! Diese Inserts sind speziell entwickelt, um die Leistung deines Ransom Rest zu optimieren und die Sicherheit während des Schießens zu gewährleisten. Bitte lies die folgenden Sicherheitsanweisungen sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur gemäß den Anweisungen verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfe regelmäßig auf sichtbare Schäden oder Abnutzung an den Inserts.
- Berichte unsichere Produkte oder Unfälle sofort den zuständigen Behörden.
- Informiere dich über Rückrufupdates auf der Plattform Safety Gate der EU.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese Schäden an deinem Gewehr verursachen können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide den Einsatz von Inserts, die nicht von Ransom International stammen, um Sicherheitsrisiken zu minimieren.
- Sei dir bewusst, dass falsche Handhabung zu Verletzungen oder sogar Todesfällen führen kann.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.
- Überprüfe die Installation vor dem Schießen auf korrekten Sitz.

2. Nutzung der Inserts:

- Achte darauf, dass die Inserts während des Schießens nicht verrutschen.
- Teste die Inserts in einer sicheren Umgebung, um sicherzustellen, dass sie ordnungsgemäß funktionieren.
- Vermeide übermäßige Belastung der Inserts, um deren Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du die Inserts gekauft hast. Sie können dir bei Fragen zur Sicherheit oder zur Verwendung der Inserts helfen.

Bitte beachte, dass die Sicherheit beim Schießen von größter Bedeutung ist. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SPRINGFIELD ARMORY ECHELON

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Springfield Armory Echelon. This guide is designed to provide you with essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- Ensure that all users are aware of the safety guidelines outlined in this document.
- Always use the grip inserts in compliance with the manufacturer's instructions.
- Inspect the grip inserts regularly for any signs of wear or damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm and create unsafe conditions.
- Be aware of the physics of recoil and vibration when using the grip inserts. Proper installation and use are critical to avoid damage and ensure safety.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts, as they can damage your firearm and lead to inaccurate test results.
- **Proper Fit:** Ensure that the grip inserts are properly fitted to your firearm to avoid any movement during use.
- **Controlled Environment:** Use the grip inserts in a controlled environment where you can monitor the conditions of use.
- **User Awareness:** Ensure that all users understand how to properly handle and operate the firearm with the grip inserts attached.
- **Vulnerable Individuals:** Keep the grip inserts out of reach of children and other vulnerable individuals to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition before installing the grip inserts.
- Gather all necessary tools for installation.

2. Installation:

- Align the grip inserts with the designated areas on your firearm.
- Firmly attach the grip inserts, ensuring that they are secure and properly fitted.
- Doublecheck the fitment to ensure there is no movement.

3. Usage:

- Begin using the firearm with the grip inserts in place.
- Monitor the performance of the grip inserts during use. Pay attention to any unusual vibrations or

movements.

- After each use, inspect the grip inserts for signs of wear or damage.

4. PostUse Care:

- Clean the grip inserts as per the manufacturer's recommendations.
- Store the grip inserts in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Avoid discarding grip inserts in regular household waste. Check for recycling options or hazardous waste disposal guidelines in your area.

Contact Information for Further Support

For any inquiries or further assistance regarding the Ransom International Grip Inserts, please consult the manufacturer's contact information or your local dealer. Ensure that you have the product details available for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others are of utmost importance when using firearms and related accessories.

Guida alla Sicurezza del Prodotto: GRIP INSERTS RANSOM per Springfield Armory Echelon

Introduzione

Benvenuto nella guida alla sicurezza per i GRIP INSERTS RANSOM progettati per il Springfield Armory Echelon. Questa guida ti fornirà informazioni essenziali per garantire un utilizzo sicuro e ottimale del prodotto, rispettando le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare i GRIP INSERTS RANSOM solo con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui tutte le istruzioni di installazione e utilizzo per evitare incidenti.
- Tieni i prodotti fuori dalla portata di bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Non utilizzare inserti rigidi:** Gli inserti rigidi possono generare energia di rinculo distruttiva che danneggia l'arma.
- **Controllo delle forze:** Gli inserti Ransom sono progettati per assorbire vibrazioni e rinculo, emulando la mano umana.
- **Verifica dei danni:** Controlla regolarmente l'arma e gli inserti per segni di usura o danni.
- **Uso responsabile:** Utilizza sempre l'arma in modo sicuro e responsabile, seguendo le normative locali.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.
- Segui le istruzioni specifiche del produttore per installare gli inserti nel Master Series Ransom Rest.
- Controlla che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Utilizzo degli Inserti:

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Esegui i test di tiro seguendo le procedure standard di sicurezza.
- Osserva sempre le condizioni di utilizzo e non forzare l'arma in situazioni anomale.

Istruzioni per lo Smaltimento

- Smaltisci gli inserti e qualsiasi materiale di imballaggio in modo responsabile, seguendo le normative locali per il riciclaggio e lo smaltimento dei rifiuti.
- Non gettare gli inserti o parti dell'arma in luoghi non autorizzati o in natura.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni e supporto sulla sicurezza del prodotto, consulta il sito web ufficiale del produttore o contatta il rivenditore autorizzato. Assicurati di segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.

Conclusione

Seguendo queste linee guida e precauzioni di sicurezza, potrai utilizzare i GRIP INSERTS RANSOM in modo sicuro e responsabile. Ricorda che la sicurezza è la priorità numero uno quando si maneggia un'arma.
