

GRIP INSERTS - RANSOM GRIP INSERTS FOR TAURUS TS9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR TAURUS TS9
- Manufacturer: RANSOM
- Product no.: 430119501
- Mfr. No.: 30-300-28-06
- Delivery weight: 0.907kg
- UPC: 810132583087

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR TAURUS TS9

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für dein Taurus TS9. Diese Inserts sind speziell entwickelt, um die Sicherheit und Leistung deiner Waffe zu verbessern. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass alle Produkte sicher in der Anwendung sind und die geltenden EUVorschriften einhalten.
- Halte dich an die Gebrauchsanweisungen des Herstellers, um Risiken zu vermeiden.
- Überprüfe regelmäßig auf Rückrufinformationen über die EU Safety Gate Plattform.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Grip Inserts dem Durometer der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Vermeide die Verwendung von Inserts, die nicht für dein Modell geeignet sind.
- Halte die Inserts sauber und frei von Schmutz oder Ablagerungen, um eine ordnungsgemäße Funktion zu gewährleisten.

Anweisungen für Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
2. **Installation:**
 - Entferne die alten Inserts, falls vorhanden.
 - Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein. Achte darauf, dass sie fest sitzen.
 - Überprüfe, ob die Inserts richtig installiert sind und keine Lücken aufweisen.
3. **Verwendung:**
 - Teste die Waffe zunächst in einem sicheren und kontrollierten Umfeld.
 - Achte auf das Verhalten der Waffe beim Schießen und stelle sicher, dass die Inserts ihre Funktion erfüllen.
 - Bei Anzeichen von Beschädigung oder Abnutzung der Inserts, ersetze sie umgehend.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und sicher entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS RANSOM GRIP INSERTS für dein Taurus TS9, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Bitte befolge diese Sicherheitshinweise sorgfältig, um die beste Leistung und Sicherheit deiner Waffe zu

gewährleisten. Sicherheit hat immer Vorrang!

GRIP INSERTS RANSOM GRIP INSERTS FOR TAURUS TS9 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Taurus TS9. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or adjusting the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with this product. These materials can damage your firearm and produce unreliable test results.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for wear and tear. Replace them if they show signs of damage.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may harm your firearm. They do not replicate humanlike recoil, leading to flawed test data.
- **Absorption of Forces:** The grip inserts are designed to mimic the human hand. They absorb vibration and recoil, preventing these forces from transferring into the firearm.
- **Potential Damage:** Continuous use of hard inserts can decrease the lifespan of your barrel and firearm. Be aware that damage may not be immediately visible.
- **Testing Accuracy:** For accurate testing results, it is crucial to use inserts that replicate human handling. Hard or 3Dprinted inserts will not provide reliable data.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove any existing grip inserts if applicable.
- Carefully position the Ransom grip inserts into the designated areas of the Ransom Rest.
- Secure the inserts as per the manufacturer's instructions to ensure a snug fit.

2. Usage:

- Place your firearm in the Ransom Rest equipped with the grip inserts.
- Conduct your shooting tests, ensuring that the machine operates correctly and absorbs recoil as intended.
- Monitor the performance of the grip inserts and the firearm throughout the testing process.

3. PostUsage:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the grip inserts according to the manufacturer's recommendations to maintain their performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Ensure that all components are disposed of safely to prevent any harm to the environment.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact details provided by the retailer or manufacturer where you purchased the product.

Thank you for your attention to safety. By following these guidelines, you can ensure a safer and more effective experience with your Ransom International Grip Inserts for Taurus TS9. Stay safe and responsible while using your firearm.

Istruzioni di Sicurezza per gli Inserti Grip RANSOM per Taurus TS9

Introduzione

Benvenuto nella guida di sicurezza per gli Inserti Grip RANSOM progettati per il modello Taurus TS9. Questa guida è stata redatta per garantire un utilizzo sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'Unione Europea. Ti invitiamo a seguire attentamente queste istruzioni per massimizzare le prestazioni della tua arma e garantire la tua sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Grip RANSOM progettati specificamente per il tuo Ransom Rest della Master Series.
- Non utilizzare inserti rigidi o in plastica stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso degli inserti.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o difetti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire vibrazioni e rinculo. Assicurati che siano installati correttamente per massimizzare questo effetto.
- Non tentare di modificare o riparare gli inserti. Qualsiasi modifica può compromettere la loro funzionalità e sicurezza.
- Evita di utilizzare l'arma in condizioni avverse, come pioggia o umidità, che potrebbero influenzare le prestazioni degli inserti.
- Non utilizzare gli inserti se non si è sicuri della loro integrità o se non si ha esperienza nell'uso di armi da fuoco.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.
- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Posiziona gli Inserti Grip RANSOM nel Ransom Rest seguendo le istruzioni specifiche fornite con il prodotto.
- Verifica che gli inserti siano ben fissati e che non ci siano movimenti o giochi.

2. Utilizzo degli Inserti:

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Esegui il tiro seguendo le procedure di sicurezza standard per l'uso di armi da fuoco.
- Monitora le prestazioni dell'arma e degli inserti durante l'uso, prestando attenzione a eventuali vibrazioni eccessive o anomalie.

Istruzioni per lo Smaltimento

- Gli inserti Grip RANSOM non devono essere smaltiti in modo irresponsabile. Segui le normative locali per il corretto smaltimento dei materiali.
- Non gettare gli inserti nella spazzatura comune. Contatta un centro di raccolta rifiuti specializzato per il

corretto smaltimento.

Informazioni per Ulteriori Supporto

Per qualsiasi domanda o per segnalare prodotti non sicuri, ti invitiamo a contattare il servizio clienti del produttore. Assicurati di avere a disposizione le informazioni relative al prodotto, inclusi il nome e il numero di modello.

Ricorda: La sicurezza è fondamentale. Segui sempre queste istruzioni e utilizza il buon senso quando maneggi le armi da fuoco.
