

GRIP INSERTS - RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G1

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G1
- Manufacturer: RANSOM
- Product no.: 430119505
- Mfr. No.: 30-300-29
- Delivery weight: 0.907kg
- UPC: 810132583124

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR THOMPSON CENTER CONTENDER G1

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für die Thompson Center Contender G1 entwickelt wurden. Diese Anleitung soll dir helfen, das Produkt sicher und effektiv zu verwenden und potenzielle Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Verwendung.
- Überprüfe regelmäßig den Zustand der Griffeinsätze auf Abnutzung oder Beschädigungen.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Griffeinsätzen oder 3Dgedruckten Kunststoffgriffen, da diese deinem Gewehr schaden können.
- Harte Einsätze können zerstörerische Rückstoßenergie erzeugen, die die Leistung deines Gewehrs negativ beeinflusst.
- Achte darauf, dass die RANSOM Griffeinsätze richtig installiert sind, um die besten Ergebnisse zu erzielen.
- Wenn du während des Schießens ungewöhnliche Geräusche oder Vibrationen bemerkst, stoppe sofort die Verwendung und überprüfe die Einsätze.

Anweisungen zur Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass dein Gewehr sicher und stabil auf einem geeigneten Schießstand platziert ist.
2. **Installation:**
 - Entferne die alten Griffeinsätze vorsichtig aus deinem Gewehr.
 - Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
 - Stelle sicher, dass die Einsätze fest sitzen und keine Bewegungen oder Spiel haben.
3. **Verwendung:**
 - Halte das Gewehr mit beiden Händen fest und achte darauf, dass deine Hände die RANSOM Griffeinsätze berühren.
 - Schieße wie gewohnt und achte darauf, dass du die Rückstoßenergie spürst, ohne dass schädliche Kräfte auf das Gewehr übertragen werden.
 - Nach dem Schießen, überprüfe die Griffeinsätze auf Abnutzung und Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Einsätze nicht im normalen Hausmüll entsorgt werden, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Anliegen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Diese Sicherheitsanweisungen sind wichtig für die sichere Verwendung der RANSOM GRIP INSERTS und helfen dir, das Beste aus deinem Schießerlebnis herauszuholen. Achte immer auf deine Sicherheit und die Sicherheit anderer.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G1

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Thompson Center Contender G1. These grip inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, it is important to use them safely and correctly to ensure optimal performance and prevent damage to your firearm.

General Safety Guidelines

- Follow all manufacturer instructions for the use of the grip inserts.
- Always treat firearms with respect and follow proper firearm safety practices.
- Ensure that the grip inserts are compatible with your specific firearm model.
- Regularly inspect the grip inserts for wear and tear.
- Store the grip inserts in a safe, dry place when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce invalid test results.
- **Recoil Management:** Understand that every action has an equal and opposite reaction. The grip inserts are designed to absorb recoil and vibration, preventing damage to the gun.
- **Repeatability of Tests:** Ensure that your testing mimics humanlike recoil. Hard inserts will not provide accurate or repeatable test results.
- **Monitor for Damage:** Regularly check your firearm and inserts for signs of damage. A hard insert may reduce the barrel and gun life and could lead to injury.
- **Caution for Users:** If you are new to using grip inserts, seek guidance or training to ensure proper usage.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before handling.
- Gather all necessary tools and components.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Clean the grip area of your firearm to ensure a secure fit.
- Align the Ransom grip inserts with the grip area of your firearm.
- Press the inserts firmly into place until fully seated.

3. Usage:

- When using the firearm with the grip inserts, maintain a firm but relaxed grip.
- Monitor the firearm's performance during use. If you notice any unusual behavior, cease use immediately and inspect the inserts.

- After use, remove the grip inserts and clean them as necessary.

4. PostUsage Care:

- Store the grip inserts in a protective case to prevent damage.
- Inspect the inserts for wear before each use.

Disposal Instructions

- When disposing of the grip inserts, do so in accordance with local regulations.
- Avoid disposing of inserts in regular household waste if they are damaged or worn.
- Consider recycling options if available, or consult your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please consult the manufacturer's website or contact your local dealer for assistance. Always ensure you have access to current safety information and product updates.

Thank you for prioritizing safety and performance in your shooting activities. Enjoy your experience with Ransom International Grip Inserts!

Guida alle Istruzioni di Sicurezza per i Grip Inserts Ransom per Thompson Center Contender G1

Introduzione

Questa guida è stata redatta per garantire un uso sicuro dei Grip Inserts Ransom progettati per il Thompson Center Contender G1. È fondamentale seguire tutte le istruzioni e le linee guida di sicurezza per evitare danni all'arma e garantire la sicurezza dell'utente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts Ransom progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Segui attentamente tutte le istruzioni di installazione e utilizzo fornite.
- Se noti comportamenti anomali durante l'uso, interrompi immediatamente l'uso e verifica l'arma e gli inserti.
- Tieni lontano l'arma e gli inserti da bambini e gruppi vulnerabili.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti non progettati per questo scopo.
- Evita di forzare l'arma durante il caricamento o lo scarico.
- Non tentare di modificare o riparare gli inserti. In caso di danno, sostituisci gli inserti con nuovi.
- Non utilizzare l'arma in condizioni meteorologiche avverse, come pioggia o neve, che possono influenzare le prestazioni degli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi gli inserti esistenti, se presenti.
- Posiziona i Grip Inserts Ransom nell'alloggiamento previsto, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti o movimenti degli inserti una volta installati.

2. Uso:

- Quando utilizzi l'arma, assicurati di mantenere una presa salda e controllata.
- Sii consapevole delle forze di rinculo e vibrazione e come gli inserti assorbono queste forze.
- Monitora le condizioni di utilizzo e verifica frequentemente gli inserti per eventuali segni di usura o danno.

Istruzioni per lo Smaltimento

- Gli inserti danneggiati o usurati devono essere smaltiti in modo responsabile, seguendo le linee guida locali per il riciclaggio dei materiali plastici.
- Non gettare gli inserti nel normale rifiuto domestico.
- Contatta il tuo centro di raccolta locale per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sui Grip Inserts Ransom e per domande relative alla sicurezza, contattare il produttore o il rivenditore autorizzato.

Conclusione

Seguendo queste linee guida di sicurezza, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts Ransom per il tuo Thompson Center Contender G1. Ricorda che la sicurezza è la priorità principale quando si maneggia qualsiasi arma da fuoco.
