

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERETTA 8000 / UNIQUE DES 69-U32U

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERETTA 8000 / UNIQUE DES 69-U32U
- Manufacturer: RANSOM
- Product no.: 430119508
- Mfr. No.: 30-300-30-05
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580208

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR BERETTA 8000 / UNIQUE DES 69U32U

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS! Diese Inserts sind speziell für die Verwendung mit dem Master Series Ransom Rest konzipiert, um deine Schussgenauigkeit zu verbessern. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Personen.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder andere Schäden.
- Berichte unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen zur Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffgriffe, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um Vibrationen und Rückstoß zu absorbieren.
- Vermeide es, die Inserts zu verwenden, wenn sie sichtbare Schäden aufweisen.
- Teste die Inserts in einer sicheren Umgebung und halte dich an die Sicherheitsbestimmungen für den Umgang mit Feuerwaffen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die GRIP INSERTS in die vorgesehenen Halterungen des Ransom Rest ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Stelle deine Waffe sicher auf den Ransom Rest.
- Überprüfe vor jedem Schuss, dass die Inserts ordnungsgemäß installiert sind.
- Achte darauf, dass du beim Schießen in einer kontrollierten Umgebung bist.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, während du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Unterstützung oder Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst und die Inserts sachgemäß verwendest.

Bitte beachte, dass die Verwendung von harten Inserts die Lebensdauer deines Laufs und Gewehrs verringern kann und möglicherweise zu Verletzungen führen kann. Sei vorsichtig und achte darauf, dass du die oben genannten Sicherheitsvorkehrungen einhältst.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR BERETTA 8000 / UNIQUE DES 69U32U

Introduction

Thank you for choosing Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. Please read this safety instruction guide thoroughly before use to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of all nonfood products, including using the grip inserts with your Master Series Ransom Rest.
- Be aware of risks associated with improper use of grip inserts not addressed by other EU laws.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about any safety notices related to this product.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can damage the firearm and produce invalid test data.
- Understand that hard inserts generate destructive recoil energy that can harm the frame and barrel of the gun.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Be aware that using hard inserts can decrease the life of the barrel and gun, and may potentially cause injury or death.
- Always mimic humanlike recoil during testing to avoid flawed results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the Ransom Rest is securely positioned before installing grip inserts.
- Remove any existing grip inserts if applicable.
- Insert the Ransom grip inserts into the designated slots on the Ransom Rest, ensuring a snug fit.

2. Usage of Grip Inserts:

- Place the firearm securely in the Ransom Rest.
- Conduct your tests, ensuring that the grip inserts are absorbing recoil as designed.
- Monitor the firearm for any unusual vibrations or damages during use.

3. PostUsage:

- After testing, remove the firearm from the Ransom Rest carefully.
- Inspect both the firearm and the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local waste disposal regulations.
- Do not dispose of grip inserts in regular household waste if they are made of materials that require special handling.

Contact Information for Further Support

For any inquiries or support regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts, enhancing your shooting experience while protecting your firearm. Thank you for your attention to safety.

Istruzioni di Sicurezza per l'Utilizzo degli Grip Inserts RANSOM

Introduzione

Benvenuto! Questo documento fornisce importanti istruzioni di sicurezza per l'uso degli Grip Inserts RANSOM progettati per il Beretta 8000 e il Unique DES 69U32U. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e ottimale del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM, poiché altri inserti rigidi o in plastica stampata in 3D possono danneggiare l'arma.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Non utilizzare grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma.
- Non utilizzare mai il prodotto se presenta segni di usura o danni.
- In caso di problemi o malfunzionamenti, interrompi immediatamente l'uso e contatta un esperto.

Precauzioni di Sicurezza Specifiche per l'Uso

- I grip inserts RANSOM sono progettati per assorbire il rinculo e la vibrazione. Non utilizzare inserti che non replicano il comportamento della mano umana.
- Durante l'installazione, assicurati che l'inserto sia fissato correttamente per evitare movimenti indesiderati durante il tiro.
- Non tentare di modificare o riparare gli grip inserts. Qualsiasi modifica potrebbe compromettere la sicurezza e l'efficacia del prodotto.
- Fai attenzione a non sovraccaricare l'arma durante l'uso. Segui sempre le raccomandazioni del produttore dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.
- Rimuovi eventuali inserti esistenti dall'arma.

2. Installazione:

- Posiziona l'inserto RANSOM nell'arma seguendo le istruzioni specifiche fornite dal produttore.
- Assicurati che l'inserto sia ben fissato e che non ci siano spazi vuoti o movimenti.

3. Uso:

- Utilizza l'arma in un ambiente sicuro e controllato.
- Monitora attentamente il comportamento dell'arma durante il tiro. Se noti vibrazioni eccessive o comportamenti anomali, interrompi immediatamente l'uso.

Istruzioni per lo Smaltimento

- Gli grip inserts RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale spazzatura se presentano segni di usura o danni.
- Contatta un centro di smaltimento autorizzato per garantire che il prodotto venga smaltito in modo sicuro e responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per domande relative alla sicurezza o per segnalare un prodotto non sicuro, contatta il tuo rivenditore o un esperto nel settore.

Ricorda: la sicurezza è una responsabilità condivisa. Segui sempre queste linee guida per garantire un'esperienza di tiro sicura e soddisfacente!
