

GRIP INSERTS - RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69 22LR OLD MODEL

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69 22LR OLD MODEL
- Manufacturer: RANSOM
- Product no.: 430119511
- Mfr. No.: 30-300-30-07
- Delivery weight: 0.907kg
- UPC: 810132583186

Item details

Made in USA

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS. Diese Inserts sind speziell für die Verwendung mit dem Ransom Rest konzipiert und bieten eine sichere und effektive Lösung zur Verbesserung deiner Schießergebnisse. Bitte beachte die folgenden Sicherheitsrichtlinien, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit dem vorgesehenen Ransom Rest verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass alle Teile des Ransom Rest in gutem Zustand sind und keine sichtbaren Mängel aufweisen.
- Halte dich an die Anweisungen zur Nutzung und Pflege der Inserts, um ihre Lebensdauer und Effektivität zu maximieren.
- Informiere dich regelmäßig über Rückrufe oder Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende die Inserts nur für die vorgesehenen Waffenmodelle und kaliber.
- Überprüfe vor jedem Gebrauch die Inserts auf Risse, Abnutzung oder andere Schäden.
- Achte darauf, dass die Inserts korrekt im Ransom Rest installiert sind, um eine sichere Nutzung zu gewährleisten.
- Halte die Arbeitsumgebung sauber und frei von Ablenkungen, während du mit dem Ransom Rest arbeitest.
- Bei der Durchführung von Tests oder Schießübungen achte darauf, dass keine unbefugten Personen in der Nähe sind.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest auf einer stabilen Oberfläche steht.
- Entferne alle alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und keine Spielräume aufweisen.

2. Nutzung der Inserts:

- Platziere dein Gewehr sicher im Ransom Rest.
- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Führe die Schießübungen gemäß den Anweisungen des Herstellers durch.
- Beobachte die Leistung der Inserts und notiere eventuelle Anomalien.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Überprüfe, ob es spezielle Programme in deiner Region gibt, die eine umweltfreundliche Entsorgung von Kunststoffprodukten anbieten.

- Halte die Inserts und andere Teile des Ransom Rest von Kindern fern, um versehentliche Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder die Verkaufsstelle, bei der du die GRIP INSERTS erworben hast. Es ist wichtig, dass du alle Fragen oder Bedenken bezüglich der Sicherheit und Nutzung der Inserts klärst.

Bitte beachte, dass die Sicherheit deiner Ausrüstung und deines Wohlbefindens bei der Nutzung von Schießgeräten von größter Bedeutung ist. Halte dich an diese Richtlinien, um eine sichere und effektive Nutzung der GRIP INSERTS RANSOM GRIP INSERTS zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69

22LR OLD MODEL

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safe and effective use. This guide provides important safety instructions, installation guidelines, and information on proper usage to ensure your safety and the longevity of your equipment.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts as they can damage your firearm.
- Be aware that hard inserts can generate destructive recoil energy, leading to potential harm to both the firearm and the user.
- Understand that the inserts are designed to mimic the human hand, absorbing recoil and vibration effectively.
- Regularly inspect your grip inserts for wear and tear to ensure they are functioning correctly.
- Follow all local laws and regulations regarding the use and handling of firearms.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:**

- Hard grip inserts can cause damage to your firearm by not absorbing recoil properly.
- They may lead to decreased barrel life and potential injury.

- **Avoid 3DPrinted Inserts:**

- These inserts are often poorly engineered and fail to replicate humanlike recoil.
- Using them can invalidate test data and lead to unsafe conditions.

- **Inspect Before Use:**

- Check for any visible damage or wear on the grip inserts before each use.
- Replace any damaged inserts immediately to maintain safety.

- **Mimic Human Recoil:**

- Ensure that testing mimics human handling to achieve accurate results.
- If using alternative inserts, be aware they may not provide consistent test results.

- **Caution with Recoil:**

- Understand that vibration and recoil cannot be stopped; they must be controlled.
- Improper handling can lead to severe consequences, including potential accidents.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that the Ransom Rest is turned off and safely positioned.
- Remove any existing grip inserts following the manufacturer's guidelines.
- Align the new grip insert with the designated area and gently press it into place until secure.
- Verify that the insert is properly seated and does not move.

2. Using the Ransom Rest:

- Place your firearm securely in the Ransom Rest, ensuring it is stable.
- Conduct a preliminary check to ensure all components are functioning correctly.
- When ready to test, load your firearm as per standard safety protocols.
- Monitor the performance of the grip inserts during use to ensure they are absorbing recoil effectively.

3. PostUse Maintenance:

- After each use, inspect the grip inserts for signs of wear or damage.
- Clean the grip inserts according to the manufacturer's recommendations.
- Store the inserts in a safe, dry place to prevent deterioration.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are made from materials that can be recycled.
- Check with local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom International Grip Inserts, please refer to the manufacturer's customer service resources for assistance.

This safety instruction guide is designed to ensure the safe and effective use of your Ransom International Grip Inserts. By following these guidelines, you can help prevent accidents and ensure the longevity of your equipment. Always prioritize safety and consult with professionals if you have any uncertainties regarding the use of your firearm and accessories.

Guida alla Sicurezza per gli Grip Inserts Ransom

Introduzione

Benvenuti nella guida alla sicurezza per i Grip Inserts Ransom, progettati per migliorare la vostra esperienza di tiro. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e responsabile del prodotto. Si prega di leggere attentamente tutte le istruzioni e le precauzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurarsi di utilizzare i Grip Inserts Ransom solo con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Seguire sempre le istruzioni del produttore per l'installazione e l'uso.
- Tenere i grip inserts lontano dalla portata di bambini e gruppi vulnerabili.
- Segnalare prodotti non sicuri o incidenti alle autorità competenti.
- Controllare regolarmente le notifiche di richiamo sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts che non siano specificamente progettati per il Ransom Rest.
- Assicurarsi che l'inserto sia correttamente installato prima di ogni utilizzo.
- Evitare di forzare o danneggiare l'inserto durante l'installazione.
- Non utilizzare l'arma se si notano segni di danno all'inserto o al Ransom Rest.
- Monitorare attentamente le condizioni dell'arma e dell'inserto durante l'uso.
- Non ignorare vibrazioni anomale o rumori provenienti dall'arma durante il tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Grip Insert

- Rimuovere eventuali inserti precedenti dal Ransom Rest.
- Pulire la superficie di contatto per garantire una buona aderenza.
- Posizionare il Grip Insert in modo che sia allineato correttamente.
- Fissare l'inserto seguendo le istruzioni specifiche fornite dal produttore.

2. Utilizzo del Grip Insert

- Assicurarsi che l'arma sia in posizione di sicurezza prima di iniziare.
- Posizionare l'arma nel Ransom Rest senza forzare il grip insert.
- Eseguire il tiro seguendo le tecniche di tiro sicuro.
- Monitorare la risposta dell'arma durante il tiro e apportare le necessarie regolazioni.

Istruzioni per lo Smaltimento

- Gli inserti non più utilizzabili devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale spazzatura; verificare se esistono centri di raccolta specifici per materiali di tiro.
- Assicurarsi che gli inserti non possano essere riutilizzati in modo improprio.

Informazioni di Contatto per Ulteriori Supporto

Per domande o chiarimenti riguardanti la sicurezza dei Grip Inserts Ransom, si prega di contattare il produttore.

o un rivenditore autorizzato. Verificare sempre che le informazioni siano aggiornate e conformi alle normative vigenti.

Nota Finale

La sicurezza è una responsabilità condivisa. Utilizzando i Grip Inserts Ransom in modo corretto e seguendo queste linee guida, contribuirai a garantire un'esperienza di tiro sicura e soddisfacente.
