

GRIP INSERTS - RANSOM GRIP INSERTS FOR BERSA THUNDER 9/ WALTHER P88

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR BERSA THUNDER 9/ WALTHER P88
- Manufacturer: RANSOM
- Product no.: 430119514
- Mfr. No.: 30-300-31-07
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132583292

Item details

Made in USA

Sicherheitsanleitung für GRIP INSERTS RANSOM GRIP INSERTS FÜR BERSA THUNDER 9 / WALTHER P88

Einführung

Herzlich willkommen zu deiner neuen RANSOM GRIP INSERTS! Diese Inserts sind speziell für den Einsatz mit deinem Master Series Ransom Rest konzipiert. Um die Sicherheit und die optimale Leistung deiner Waffe zu gewährleisten, ist es wichtig, die folgenden Sicherheitsanweisungen und Richtlinien zu befolgen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit dem vorgesehenen Ransom Rest verwendest.
- Achte darauf, dass die Inserts in einwandfreiem Zustand sind, bevor du sie verwendest.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über die richtige Handhabung deiner Waffe und der Inserts, um Verletzungen zu vermeiden.

Spezifische Sicherheitshinweise für die Nutzung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffgriffen, da diese deiner Waffe schaden können.
- Harte Inserts können destruktive Rückstoßenergien erzeugen, die die Lebensdauer deiner Waffe beeinträchtigen.
- Achte darauf, die Inserts regelmäßig auf Beschädigungen zu überprüfen und sie bei Bedarf auszutauschen.
- Verwende die Inserts nur für die vorgesehenen Waffenmodelle (Bersa Thunder 9 und Walther P88).

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden, um Schmutz und Ablagerungen zu vermeiden.

2. Installation:

- Setze die Grip Inserts vorsichtig in die vorgesehenen Bereiche des Ransom Rests ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken aufweisen.

3. Nutzung:

- Stelle sicher, dass die Inserts korrekt installiert sind, bevor du mit dem Schießen beginnst.
- Teste die Waffe mit den Inserts in einer sicheren Umgebung, um sicherzustellen, dass sie die Rückstoßdämpfung wie vorgesehen bieten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler.

Schlussfolgerung

Die RANSOM GRIP INSERTS bieten eine optimale Lösung zur Dämpfung des Rückstoßes deiner Waffe. Beachte die oben genannten Sicherheitsrichtlinien und Anweisungen, um die Sicherheit und Leistung deiner Waffe zu gewährleisten. Sei vorsichtig und handle verantwortungsbewusst beim Umgang mit deiner Waffe und den Inserts.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR BERSA THUNDER 9/WALTHER P88

Introduction

Thank you for choosing the Ransom International Grip Inserts for your shooting needs. This guide provides important safety instructions and general guidelines to ensure the safe use of the product. Please read this manual carefully to understand how to use the grip inserts safely and effectively.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Be aware that hard inserts can generate destructive recoil energy that may harm your gun.
- Understand that vibration and recoil cannot be eliminated; they must be controlled.
- Always mimic humanlike recoil during testing to ensure valid results.
- Regularly check for updates on safety and recall information.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts, as they may lead to damage or injury.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of damage that may result from improper use of grip inserts.
- **Use Inserts as Intended:** Only use Ransom International Grip Inserts designed specifically for your firearm model.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that all tests mimic humanlike handling.
- **Safety for Vulnerable Users:** Keep grip inserts out of reach of children and inexperienced users to prevent accidents.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the firearm.
- Align the Ransom International Grip Inserts with the grip area of your firearm.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure the machine is correctly positioned.
- Conduct all tests in a controlled environment to minimize risks.
- Observe the first few milliseconds of shot to monitor how the inserts absorb recoil.
- Keep track of test results to ensure they are valid and replicable.

3. PostUsage Care:

- After use, clean the grip inserts to remove any debris or residue.
- Store the grip inserts in a safe, dry place away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not dispose of grip inserts in regular household waste if they contain hazardous materials.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact points for assistance. Always ensure that you are following the most current safety guidelines and recommendations.

By adhering to these safety instructions and precautions, you will ensure the safe and effective use of your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting activities.

Istruzioni di Sicurezza per l'Uso degli Inserti Ransom Grip per Bersa Thunder 9 e Walther P88

Introduzione

Grazie per aver scelto gli Inserti Ransom Grip per il tuo Bersa Thunder 9 e Walther P88. Questo prodotto è progettato per migliorare le prestazioni della tua arma in modo sicuro e efficace. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di leggere e comprendere tutte le istruzioni prima dell'uso.
- Non utilizzare inserti rigidi o inserti stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Mantieni gli inserti e l'arma in un luogo sicuro, lontano dalla portata di bambini e persone non autorizzate.
- Segnala immediatamente eventuali incidenti o prodotti difettosi alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non utilizzare inserti che non siano conformi a questo scopo.
- Non tentare di modificare o riparare gli inserti. Utilizza solo prodotti originali Ransom.
- Assicurati che gli inserti siano ben installati e fissati prima di utilizzare l'arma.
- Non utilizzare l'arma in condizioni avverse, come in presenza di umidità o polvere eccessiva, che potrebbero compromettere le prestazioni degli inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dalla tua arma seguendo le istruzioni del produttore.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Posiziona gli inserti Ransom Grip nella loro sede, assicurandoti che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni fornite, assicurandoti che siano saldamente in posizione.

2. Uso degli Inserti:

- Prima di utilizzare l'arma, verifica che gli inserti siano installati correttamente.
- Durante il tiro, presta attenzione al comportamento dell'arma e agli inserti. Se noti vibrazioni anomale, interrompi immediatamente l'uso.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti Ransom Grip devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale rifiuto domestico. Contatta il tuo comune per informazioni su come smaltire correttamente i prodotti in plastica e metallo.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande sui tuoi inserti Ransom Grip, ti invitiamo a contattare il tuo rivenditore o il

produttore. Assicurati di avere a disposizione il numero di serie del prodotto e dettagli sull'acquisto.

Seguendo queste istruzioni di sicurezza, potrai utilizzare gli Inserti Ransom Grip in modo efficace e sicuro. La tua sicurezza e quella degli altri è la nostra priorità.
