

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PPQ,PPQ9/40

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PPQ,PPQ9/40
- Manufacturer: RANSOM
- Product no.: 430119519
- Mfr. No.: 30-300-31-11
- Delivery weight: 0.907kg
- UPC: 810132583339

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR WALTHER PPQ, PPQ9/40

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die Walther PPQ, PPQ9/40 entwickelt wurden. Diese Anleitung soll dir helfen, die Sicherheit bei der Verwendung der Inserts zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass alle Produkte sicher verwendet werden, um Verletzungen oder Schäden zu vermeiden.
- Überprüfe regelmäßig auf RückrufUpdates über die EU Safety Gate Plattform.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.
- Für OnlineKäufe gelten die gleichen Sicherheitsanforderungen wie für den Einzelhandel.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffInserts, da diese die Waffe schädigen können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um realistische Testergebnisse zu gewährleisten.
- Halte die Inserts und die Waffe sauber und frei von Schmutz oder Ablagerungen, um die Funktionalität zu gewährleisten.
- Lagere die Inserts an einem trockenen Ort, um Materialverschlechterungen zu vermeiden.

Anweisungen für Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Überprüfe die Inserts auf Beschädigungen, bevor du sie verwendest.

2. Installation:

- Setze die Inserts gemäß den Anweisungen des Herstellers in die vorgesehenen Bereiche ein.
- Achte darauf, dass die Inserts fest sitzen und keine Bewegungen zulassen.

3. Verwendung:

- Teste die Waffe mit den Inserts in einer kontrollierten Umgebung.
- Achte darauf, dass die Vibrationen und der Rückstoß richtig absorbiert werden, um die Sicherheit zu gewährleisten.
- Führe keine Tests mit harten Inserts durch, da diese die Waffe beschädigen könnten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und keine Gefahr darstellen.

Kontaktinformationen für weitere Unterstützung

- Für Fragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Diese Sicherheitshinweise sollen dir helfen, die GRIP INSERTS sicher und effektiv zu verwenden. Achte immer auf die Sicherheit und die ordnungsgemäße Verwendung des Produkts.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR WALTHER PPQ, PPQ9/40

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Walther PPQ, PPQ9/40. These inserts are designed to enhance your shooting experience by closely mimicking the human hand's grip and absorbing recoil and vibration during firing. This guide provides essential safety instructions to ensure the safe use of this product and to understand its benefits and limitations.

General Safety Guidelines

- Always use grip inserts specifically designed for your firearm model to avoid damage and ensure safety.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause harm to your firearm and compromise test results.
- Handle all firearms responsibly and according to local laws and regulations.
- Regularly inspect your grip inserts for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts. These can generate destructive recoil energy that can damage your firearm.
- **Understand Recoil Dynamics:** Recognize that recoil and vibration cannot be eliminated; they must be controlled. The inserts are designed to absorb these forces effectively.
- **Monitor for Damage:** Be aware that damage from using inappropriate inserts may not be immediately visible, but can accumulate over time.
- **Follow Testing Protocols:** When conducting accuracy or destructive testing, ensure that your setup mimics humanlike recoil for valid results.
- **Seek Professional Advice:** If unsure about the compatibility of your inserts with your firearm, consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe position.
- Remove any existing grip inserts or accessories that may interfere with the installation.
- Carefully align the Ransom Grip Inserts with the grip area of your firearm.
- Securely attach the inserts according to the manufacturer's instructions, ensuring a snug fit.

2. Usage:

- Use the grip inserts only during controlled shooting practices or testing.
- Monitor the performance of the inserts during use. If any unusual behavior occurs, cease use immediately.
- After each shooting session, inspect the inserts for wear and tear. Replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw inserts into regular trash if they contain materials that may be harmful to the environment. Check for recycling options if applicable.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product. Always ensure that you are using products that meet EU safety regulations, and stay informed about any recalls or safety alerts through the EU's Safety Gate platform.

Thank you for prioritizing safety and enhancing your shooting experience with Ransom Grip Inserts.

Istruzioni di Sicurezza per gli INSERTI PER IMPUGNATURA RANSOM

Introduzione

Grazie per aver scelto gli INSERTI PER IMPUGNATURA RANSOM per il tuo Walther PPQ, PPQ9/40. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo prestazioni ottimali e sicurezza. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli inserti RANSOM esclusivamente con armi compatibili, come specificato.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Conserva gli inserti in un luogo sicuro e fuori dalla portata di bambini o persone non autorizzate.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni. Se noti danni, interrompi immediatamente l'uso.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di utilizzare gli inserti, assicurati che l'arma sia scarica.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso degli inserti.
- Non forzare mai gli inserti durante l'installazione o la rimozione.
- Usa gli inserti solo per il loro scopo previsto e in condizioni appropriate.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse che potrebbero compromettere la sicurezza.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e priva di munizioni.
- Pulisci l'area di contatto dell'impugnatura dell'arma per garantire una buona aderenza degli inserti.

2. Installazione:

- Posiziona l'inserto RANSOM sull'impugnatura dell'arma, assicurandoti che sia allineato correttamente.
- Premi delicatamente l'inserto in posizione fino a quando non è saldamente fissato.
- Controlla che l'inserto sia stabile e non si muova.

3. Uso:

- Utilizza l'arma normalmente, assicurandoti di mantenere una presa salda e controllata.
- Monitora eventuali vibrazioni e assicura che l'inserto funzioni come previsto durante l'uso.

4. Rimozione:

- Per rimuovere l'inserto, segui il processo inverso dell'installazione.
- Non forzare l'inserto durante la rimozione per evitare danni all'arma o all'inserto stesso.

Istruzioni per il Disposizione

- Gli inserti RANSOM non devono essere smaltiti con i rifiuti domestici. Segui le normative locali per il corretto smaltimento dei prodotti di plastica e degli accessori per armi.
- Se non sei sicuro di come smaltire il prodotto, contatta le autorità locali per ricevere indicazioni.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, sulle domande o sulle preoccupazioni, contatta il tuo rivenditore autorizzato o consulta il sito web ufficiale del produttore.

Grazie per aver scelto gli INSERTI PER IMPUGNATURA RANSOM. Seguire queste istruzioni contribuirà a garantire un utilizzo sicuro e soddisfacente del tuo prodotto.
