

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PPS M2

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PPS M2
- Manufacturer: RANSOM
- Product no.: 430119522
- Mfr. No.: 30-300-31-16
- Delivery weight: 0.907kg
- UPC: 810132583407

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR WALTHER PPS M2

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS für die Walther PPS M2! Diese Inserts sind speziell entwickelt worden, um die Leistung deiner Waffe zu verbessern und Schäden zu vermeiden. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um die sichere Verwendung und Wartung deines Produkts zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GRIP INSERTS nur mit der Walther PPS M2 verwendest.
- Überprüfe vor jedem Gebrauch die Inserts auf sichtbare Schäden oder Abnutzung.
- Verwende niemals harte oder 3Dgedruckte Einsätze, da diese die Waffe beschädigen und deine Sicherheit gefährden können.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Beachte alle lokalen Gesetze und Vorschriften zur Verwendung von Schusswaffen und Zubehör.

Spezifische Sicherheitsvorkehrungen bei der Verwendung

- Die Inserts sind so konzipiert, dass sie die Rückstoßenergie absorbieren. Stelle sicher, dass sie korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Lass die Inserts niemals in der Waffe, wenn sie nicht verwendet wird.
- Vermeide es, die Waffe mit harten Griffeneinsätzen zu testen, da dies zu ungenauen Ergebnissen führen kann.
- Achte darauf, dass deine Hände sauber und trocken sind, um einen sicheren Halt zu gewährleisten.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS

- Entferne die Waffe aus dem gesperrten Zustand und überprüfe, ob sie entladen ist.
- Entferne die vorhandenen Griffeneinsätze, falls vorhanden.
- Setze die RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegungsspielräume vorhanden sind.

2. Nutzung der GRIP INSERTS

- Halte die Waffe mit beiden Händen und achte darauf, dass deine Finger nicht den Abzug berühren, solange du nicht bereit bist zu schießen.
- Überprüfe regelmäßig den Zustand der Inserts während des Schießens.
- Nach dem Schießen, reinige die Inserts und die Waffe gemäß den Anweisungen des Herstellers.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.
- Überprüfe die örtlichen Entsorgungsrichtlinien für Schusswaffen und Zubehörteile, um sicherzustellen, dass du alle Vorschriften einhältst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS, wende dich bitte an den Hersteller oder den Verkäufer. Halte alle Kaufbelege bereit, wenn du Unterstützung benötigst.

Bitte beachte, dass die Sicherheit bei der Verwendung von Schusswaffen und Zubehör oberste Priorität hat. Halte dich an alle Anweisungen und Sicherheitsrichtlinien, um ein sicheres Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR WALTHER PPS M2

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Walther PPS M2. This guide provides essential safety instructions and usage guidelines to ensure safe operation and optimal performance of your product. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe use of all products by following the instructions provided in this guide.
- Be aware of potential risks associated with improper use, including damage to the firearm and personal injury.
- Always use the grip inserts as intended and avoid modifications that may compromise safety.
- If you encounter any unsafe conditions or product failures, report them to the relevant authorities.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. Using the correct grip inserts mimics the human hand, absorbing these forces effectively.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of wear or damage that may result from improper use of grip inserts.
- **Safety First:** Always prioritize safety during testing and shooting. A hard insert can lead to decreased barrel life and potentially cause injury.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your firearm is unloaded before installation.
- Carefully follow the manufacturer's instructions for installing the grip inserts.
- Make sure that the grip inserts fit securely and are properly aligned with the firearm.

2. Using the Ransom Rest:

- Position the Ransom Rest on a stable surface to prevent movement during use.
- Load your firearm into the Ransom Rest according to the instructions provided with the rest.
- Conduct tests in a controlled environment to ensure accurate results.

3. Testing with Grip Inserts:

- Use the grip inserts to absorb recoil during shooting tests.
- Avoid using hard or 3Dprinted inserts to ensure proper data collection and test results.
- Monitor your firearm's performance and the condition of the grip inserts after each use.

4. PostUsage Care:

- Clean the grip inserts and firearm after use to maintain performance.
- Store the grip inserts in a dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw away grip inserts in regular household waste. Instead, check for recycling options or designated disposal sites for plastic materials.

Contact Information for Further Support

For questions or concerns regarding the safety and use of the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with your Ransom International Grip Inserts.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per Walther PPS M2

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Walther PPS M2. Questo prodotto è progettato per migliorare la precisione e il controllo durante l'uso del tuo Master Series Ransom Rest. È fondamentale seguire attentamente queste istruzioni di sicurezza per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM esclusivamente con il Walther PPS M2.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Controlla regolarmente l'integrità dei Grip Inserts per assicurarti che non presentino segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del tuo Ransom Rest.

Precauzioni di Sicurezza Specifiche per l'Uso

- I Grip Inserts RANSOM sono progettati per assorbire le vibrazioni e il rinculo. Non tentare di modificarli o adattarli in modo non autorizzato.
- Evita di utilizzare l'arma in condizioni estreme, come temperature elevate o umidità elevata, che potrebbero compromettere le prestazioni degli inserts.
- Mantieni i Grip Inserts e il Ransom Rest puliti e privi di detriti per garantire un funzionamento ottimale.
- Non lasciare mai l'arma incustodita mentre è equipaggiata con i Grip Inserts RANSOM.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts:

- Assicurati che l'arma sia scarica prima di procedere.
- Segui le istruzioni specifiche fornite con il tuo Ransom Rest per installare correttamente i Grip Inserts.
- Verifica che gli inserts siano saldamente fissati prima di utilizzare l'arma.

2. Uso del Ransom Rest:

- Posiziona l'arma sul Ransom Rest in modo che i Grip Inserts siano allineati correttamente.
- Assicurati che l'arma sia stabile prima di effettuare il tiro.
- Dopo ogni sessione di tiro, controlla i Grip Inserts per eventuali segni di usura.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali plastici e dei componenti dell'arma.
- Contatta il tuo comune o un centro di raccolta autorizzato per informazioni sullo smaltimento appropriato.

Informazioni di Contatto per Ulteriori Supporto

Per domande riguardanti la sicurezza o il funzionamento dei Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore autorizzato o a visitare il sito ufficiale del produttore.

Conclusione

Seguendo queste istruzioni di sicurezza, potrai utilizzare i Grip Inserts RANSOM in modo efficace e sicuro. Ricorda che la sicurezza è la priorità principale durante l'uso di qualsiasi attrezzatura per il tiro. Assicurati di rimanere informato sulle migliori pratiche e di segnalare eventuali prodotti non sicuri alle autorità competenti.
