

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PDP-F

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PDP-F
- Manufacturer: RANSOM
- Product no.: 430119527
- Mfr. No.: 30-300-31-20
- Delivery weight: 0.907kg
- UPC: 810132583445

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR WALTHER PDPF

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Walther PDPF! Diese Inserts sind entwickelt worden, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Verwende die GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts regelmäßig auf Abnutzung oder Beschädigungen überprüft werden.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und Haustieren.
- Berichte unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- **Vermeidung von harten Inserts:** Harte Inserts können eine zerstörerische Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- **Vibrationsabsorption:** Die RANSOM Grip Inserts sind so konzipiert, dass sie die DurometerHärte der menschlichen Hand imitieren und Vibrationen absorbieren.
- **Regelmäßige Inspektion:** Überprüfe die Inserts vor jedem Gebrauch auf Risse, Abnutzung oder andere Schäden.
- **Sichere Handhabung:** Halte das Gewehr immer in einem sicheren Zustand und richte es niemals auf Personen oder Tiere.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM Grip Inserts gemäß der Anleitung des Herstellers ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung des Ransom Rest:

- Positioniere das Gewehr sicher auf dem Ransom Rest.
- Stelle sicher, dass der Ransom Rest stabil auf einer ebenen Fläche steht.
- Verwende die Inserts während des Schießens, um die Rückstoßenergie zu absorbieren.

3. Überprüfung nach dem Gebrauch:

- Überprüfe die Inserts nach jedem Gebrauch auf Abnutzung oder Beschädigungen.
- Bei Anzeichen von Schäden sollten die Inserts sofort ersetzt werden.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Informiere dich über die richtigen Entsorgungsmethoden in deiner Region, um sicherzustellen, dass die

Umwelt nicht geschädigt wird.

Kontaktinformationen für weitere Unterstützung

Bei Fragen oder Anliegen zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder an den Einzelhändler, bei dem du das Produkt erworben hast. Achte darauf, dass alle Produkte über einen EUbasierten Kontakt für Sicherheitsanfragen verfügen.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner eigenen Sicherheit von der ordnungsgemäßen Verwendung und Pflege der RANSOM GRIP INSERTS abhängt. Halte dich an die oben genannten Hinweise, um die besten Ergebnisse zu erzielen und das Risiko von Schäden oder Verletzungen zu minimieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR WALTHER PDPF

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Walther PDPF. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and the longevity of your firearm. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- Check for standardized recall notices and remedies for dangerous products.
- Online shopping offers the same protections as physical stores; ensure compliance with safety requirements.
- Extra safeguards are in place for vulnerable groups, including children.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts fail to replicate humanlike recoil, leading to invalid test data and inconsistent results.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate over time, decreasing the lifespan of your firearm.
- **Safety First:** A hard insert may cause injury or death if the firearm malfunctions. Use inserts designed to mimic the human hand.
- **Testing Considerations:** For accurate results, it is crucial to use inserts that simulate human recoil dynamics. Hard or 3Dprinted inserts are not suitable for this purpose.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your firearm is unloaded and pointed in a safe direction.
2. Remove any existing grip inserts from your firearm.
3. Select the appropriate Ransom grip insert that matches your firearm model.
4. Align the grip insert with the firearm's grip and press it into place until it is securely fitted.

- **Usage:**

1. Once installed, check the grip insert to ensure it is secure and properly fitted.
2. When using the firearm, hold it as you normally would, allowing the grip insert to absorb recoil and vibrations.
3. Monitor your firearm for any signs of damage or wear resulting from use. If you notice any issues, discontinue use and consult a qualified professional.

Disposal Instructions

- Dispose of any damaged or unusable grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For further assistance, please refer to your retailer or manufacturer's website for additional support and information regarding product safety and usage.

By following these guidelines, you can ensure safe and effective use of the Ransom International Grip Inserts for your Walther PDPF. Thank you for your attention to safety.

Guida alla Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER WALTHER PDPF

Introduzione

Benvenuto nella guida alla sicurezza per i GRIP INSERTS di RANSOM INTERNATIONAL, progettati per il tuo Ransom Rest. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti progettati da Ransom per garantire prestazioni ottimali e sicurezza.
- Non utilizzare grip insert in plastica dura o stampati in 3D, poiché possono causare danni all'arma.
- Segui sempre le istruzioni per l'installazione e l'uso fornite in questa guida.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti rigidi possono ridurre la vita della canna e dell'arma.
- L'uso di inserti non conformi può portare a malfunzionamenti, infortuni o morte.
- Se noti vibrazioni anomale o malfunzionamenti, interrompi immediatamente l'uso e contatta un esperto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Assicurati che l'arma sia scarica prima di iniziare l'installazione.
- Rimuovi eventuali inserti esistenti dal Ransom Rest.
- Inserisci i GRIP INSERTS di RANSOM nel supporto seguendo le indicazioni fornite.
- Verifica che gli inserti siano saldamente fissati e che non ci siano spazi vuoti.

2. Uso degli Inserti

- Posiziona l'arma nel Ransom Rest con i GRIP INSERTS installati.
- Effettua i tuoi test di tiro seguendo le normali procedure di sicurezza.
- Monitora attentamente le prestazioni dell'arma e degli inserti durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti non più utilizzabili devono essere smaltiti in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare gli inserti nel normale spazzatura; informati sulle opzioni di riciclaggio disponibili.

Informazioni di Contatto per Ulteriori Supporto

Per domande relative alla sicurezza del prodotto o per segnalare prodotti non sicuri, contatta il tuo rivenditore o un esperto del settore. È importante segnalare eventuali incidenti o malfunzionamenti alle autorità competenti.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste linee guida, puoi garantire un uso sicuro e efficace dei GRIP INSERTS RANSOM. Ricorda che la fisica ci insegna che ogni azione ha una reazione; pertanto, è fondamentale utilizzare prodotti progettati per lavorare insieme al tuo Ransom Rest e all'arma.
