

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PPQ 45

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PPQ 45
- Manufacturer: RANSOM
- Product no.: 430119528
- Mfr. No.: 30-300-31-21
- Delivery weight: 0.907kg
- UPC: 810132583452

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM für Walther PPQ 45

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS von RANSOM für die Walther PPQ 45. Diese Inserts sind speziell entwickelt worden, um eine sichere und präzise Schussabgabe zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit der Walther PPQ 45 verwendet werden.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Verwende keine harten Inserts oder 3Dgedruckte KunststoffInserts, da diese Schäden an der Waffe verursachen können.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide den Einsatz der Waffe, wenn die Inserts beschädigt oder abgenutzt sind.
- Teste die Inserts zunächst in einer kontrollierten Umgebung, um sicherzustellen, dass sie ordnungsgemäß funktionieren.
- Verwende die Inserts nicht für destruktive Tests oder unter extremen Bedingungen.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die Waffe aus dem gesicherten Zustand.
- Stelle sicher, dass die Waffe entladen ist.
- Setze die Inserts gemäß der beiliegenden Anleitung in die vorgesehenen Bereiche ein.
- Überprüfe die Passform und stelle sicher, dass die Inserts fest sitzen.

2. Nutzung der GRIP INSERTS:

- Halte die Waffe mit beiden Händen fest, um die Kontrolle zu maximieren.
- Achte darauf, dass du die Waffe in einer stabilen Position hältst, während du schießst.
- Vermeide es, die Waffe während des Schusses zu bewegen, um die Präzision zu erhöhen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott oder Kunststoffabfälle.
- Informiere dich über die richtigen Entsorgungsmethoden in deiner Region.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du die Inserts erworben hast.

Bitte beachte, dass die Sicherheit der Nutzer und der ordnungsgemäße Gebrauch der Inserts von größter Bedeutung sind. Halte dich an die oben genannten Richtlinien, um das Risiko von Verletzungen oder Schäden zu minimieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR WALTHER PPQ 45

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Walther PPQ 45. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. This guide provides essential safety information to ensure the safe use of this product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Be aware of potential risks associated with improper use of grip inserts, including damage to your firearm and personal injury.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can generate destructive recoil energy that may damage your firearm.
- **Monitor for Damage:** Inspect your firearm regularly for any signs of wear or damage that may be attributed to improper use of grip inserts.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that you are using the grip inserts to replicate humanlike recoil accurately.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the correct inserts is crucial for effective recoil management.
- **Be Cautious of Repeated Use:** Damage from hard inserts may not be immediately visible but will accumulate over time, potentially leading to decreased lifespan of the barrel and firearm.

Instructions for Installation and Usage

- **Installation:**

1. Ensure your firearm is unloaded and in a safe condition before proceeding.
2. Remove any existing grip inserts from the Ransom Rest.
3. Carefully align the Ransom Grip Inserts with the designated slots on the Ransom Rest.
4. Press the inserts firmly into place until they are secure.

- **Usage:**

1. Place your firearm in the Ransom Rest with the new grip inserts installed.
2. Conduct your shooting tests as needed, ensuring to monitor the firearm for any signs of damage.
3. After use, remove the firearm from the Ransom Rest and inspect both the firearm and the inserts for any wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Do not attempt to reuse or repair damaged grip inserts, as this can compromise safety.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts, please refer to the manufacturer's customer support resources available on their website or through other official channels.

Istruzioni di Sicurezza per gli Inserti Ransom per Walther PPQ 45

Introduzione

Grazie per aver scelto gli Inserti Ransom per il tuo Walther PPQ 45. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest, garantendo un'esperienza di tiro sicura e precisa. È fondamentale seguire attentamente le istruzioni di sicurezza e utilizzo per garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati che il tuo arma sia sempre in buone condizioni e che sia stata sottoposta a controlli di sicurezza regolari.
- Utilizza esclusivamente gli inserti Ransom progettati per il tuo modello specifico. Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma.
- Mantieni gli inserti e il tuo arma lontani dalla portata di bambini e persone non autorizzate.
- Segnala immediatamente qualsiasi prodotto o accessorio che sembri difettoso o che causi malfunzionamenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi o in plastica stampata in 3D, poiché possono generare forze distruttive che danneggiano l'arma.
- Gli inserti Ransom sono progettati per assorbire il rinculo e le vibrazioni. Assicurati che siano installati correttamente per evitare danni.
- Non tentare di modificare gli inserti o l'arma in alcun modo. Le modifiche possono compromettere la sicurezza e le prestazioni.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse o in ambienti che potrebbero compromettere la sicurezza.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi il caricatore e assicurati che l'arma sia scarica.
- Segui le istruzioni specifiche fornite con gli inserti Ransom per installarli correttamente nel Master Series Ransom Rest.
- Verifica che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Utilizzo:

- Posiziona l'arma nel Ransom Rest con gli inserti installati.
- Assicurati che la macchina sia in posizione di batteria corretta prima di iniziare il tiro.
- Monitora attentamente le prestazioni e le vibrazioni durante l'uso. Se noti anomalie, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti Ransom non devono essere smaltiti insieme ai rifiuti domestici. Segui le normative locali per lo smaltimento dei prodotti in plastica e materiali compositi.
- Contatta il tuo comune per informazioni sullo smaltimento corretto e sulle opzioni di riciclaggio disponibili.

Informazioni di Contatto per Ulteriori Supporto

Per domande o preoccupazioni relative alla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti pronte per facilitare il supporto.

Ti ringraziamo per aver scelto gli Inserti Ransom. La tua sicurezza è la nostra priorità. Segui sempre queste istruzioni e utilizza il prodotto in modo responsabile.
