

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PPK/S W/WOOD GRIPS VERSION 1

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PPK/S W/WOOD GRIPS VERSION 1
- Manufacturer: RANSOM
- Product no.: 430119530
- Mfr. No.: 30-300-31-25
- Delivery weight: 0.907kg
- UPC: 810132583476

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR WALTHER PPK/S W/WOOD GRIPS VERSION 1

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Walther PPK/S! Diese Inserts sind speziell entwickelt worden, um die Leistung deiner Waffe zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte beachte die folgenden Sicherheitshinweise, um sicherzustellen, dass du das Produkt sicher und effektiv nutzt.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit der vorgesehenen Waffe verwendest.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Abnutzung.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Verwende die Inserts nicht, wenn du unter dem Einfluss von Alkohol oder Drogen stehst.
- Befolge die Anweisungen des Herstellers zur Verwendung und Wartung.

Besondere Sicherheitsvorkehrungen bei der Benutzung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts richtig eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Waffe während des Schießens zu bewegen, um unerwartete Rückstoßkräfte zu minimieren.
- Sei dir bewusst, dass das Schießen mit einer Waffe immer ein gewisses Risiko birgt. Übe stets verantwortungsbewusste Schießpraktiken.

Anweisungen zur Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und korrekt ausgerichtet sind.

2. Nutzung der Grip Inserts:

- Halte die Waffe in der vorgesehenen Schießposition.
- Achte darauf, dass deine Hand die Inserts fest umschließt.
- Führe den Schuss wie gewohnt aus und achte auf die Rückstoßkontrolle.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott.
- Stelle sicher, dass alle Teile umweltgerecht entsorgt werden, um Schäden an der Umwelt zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM GRIP INSERTS, einschließlich Sicherheitsanfragen, wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle Informationen zu deinem Produkt bereithältst, wenn du Unterstützung benötigst.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner Schießpraktiken von größter Bedeutung ist. Halte dich an diese Anweisungen, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR WALTHER PPK/S W/WOOD GRIPS VERSION 1

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Walther PPK/S with wood grips. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the grip inserts are compatible with your specific firearm model.
- Always handle firearms safely and responsibly, following standard safety practices.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm and produce unreliable test results.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard grip inserts can generate destructive recoil energy, which may damage your firearm. These inserts do not replicate humanlike recoil, leading to invalid test data.
- **Physical Forces:** Understand that vibration and recoil cannot be stopped; they can only be controlled. The grip inserts are designed to absorb these forces, preventing them from transferring into the gun.
- **Potential Damage:** Continuous use of hard inserts can decrease the life of your firearm and may cause injury or death in extreme cases.
- **Testing Protocol:** For accuracy testing or destructive testing, it is crucial to mimic humanlike handling to obtain valid results. Hard or 3Dprinted inserts do not provide this capability.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and safe to handle.
- Gather all necessary tools for installation.

2. Installation:

- Remove the existing grip from your firearm.
- Carefully align the grip inserts with the firearm's grip frame.
- Secure the grip inserts according to the manufacturer's instructions, ensuring a snug fit.

3. Usage:

- When using the firearm with the grip inserts, maintain a firm but comfortable grip.
- Monitor the condition of the grip inserts regularly for signs of wear or damage.
- If you notice any issues, discontinue use immediately and replace the grip inserts.

4. PostUsage Care:

- Clean the grip inserts as per the manufacturer's recommendations to maintain their integrity and

- performance.
- Store the firearm safely and securely when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local waste disposal regulations.
- Do not throw grip inserts in regular household waste if they are made of materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use and safety of the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Always prioritize safety and responsible firearm handling.

Guida alla Sicurezza per i Grip Inserts Ransom per Walther PPK/S

Introduzione

Grazie per aver scelto i Grip Inserts Ransom per il tuo Walther PPK/S. Questa guida è progettata per garantire un uso sicuro e efficace del prodotto, conformemente alle normative europee sulla sicurezza dei prodotti (EU GPSR). Leggi attentamente queste istruzioni prima di utilizzare il prodotto.

Linee Guida Generali sulla Sicurezza

- Assicurati che il prodotto sia utilizzato solo per il fine previsto.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare mai grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla regolarmente gli aggiornamenti sulle revoche dei prodotti sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo i Grip Inserts Ransom progettati per il tuo modello di arma.
- Non tentare di modificare o adattare gli inserti in alcun modo.
- Assicurati che gli inserti siano installati correttamente prima dell'uso.
- Evita di utilizzare gli inserti in condizioni atmosferiche estreme che potrebbero influenzarne le prestazioni.
- Non lasciare mai gli inserti in un luogo accessibile ai bambini o a persone non autorizzate.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e in condizioni sicure prima di procedere.
2. **Installazione:**
 - Rimuovi i grip esistenti dalla tua Walther PPK/S.
 - Posiziona i Grip Inserts Ransom all'interno dell'area designata.
 - Fissa gli inserti seguendo le istruzioni specifiche del produttore, assicurandoti che siano ben saldi.
3. **Uso:**
 - Una volta installati, verifica che gli inserti non si muovano durante l'uso.
 - Utilizza il tuo Walther PPK/S con gli inserti in modo responsabile e sicuro.
 - Monitora le prestazioni degli inserti durante l'uso e controlla eventuali segni di usura.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti e dei materiali di imballaggio.
- Non gettare gli inserti nel normale rifiuto domestico se contengono materiali pericolosi.
- Contatta il tuo comune per informazioni sui centri di raccolta per rifiuti speciali.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o per segnalare un problema di sicurezza, ti invitiamo a contattare il tuo rivenditore o un esperto di armi. È importante avere un punto di riferimento per le domande relative alla sicurezza del prodotto.

Grazie per aver scelto i Grip Inserts Ransom. La tua sicurezza è la nostra priorità.
