

GRIP INSERTS - RANSOM GRIP INSERTS FOR FEINWERKBAU AW93

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FEINWERKBAU AW93
- Manufacturer: RANSOM
- Product no.: 430119535
- Mfr. No.: 30-300-33
- Delivery weight: 0.907kg
- UPC: 810132580994

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS FÜR FEINWERKBAU AW93

Einleitung

Willkommen zur Sicherheitsanleitung für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für deinen Feinwerkbau AW93 entwickelt wurden. Diese Anleitung hilft dir, die Inserts sicher zu verwenden und mögliche Risiken zu vermeiden. Bitte lese die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit dem Feinwerkbau AW93 verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte Inserts, da diese die Waffe beschädigen können.
- Achte darauf, die Inserts vor der Verwendung auf sichtbare Schäden zu überprüfen.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Die Inserts sind so konzipiert, dass sie die Vibrationen und den Rückstoß der Waffe absorbieren. Verwende sie nur wie vorgesehen.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Bei Anzeichen von Beschädigungen oder wenn die Inserts nicht mehr ordnungsgemäß funktionieren, stoppe sofort die Nutzung und kontaktiere den Hersteller.
- Vermeide es, die Waffe mit harten Inserts zu testen, da dies zu ungenauen Ergebnissen führen kann.

Anweisungen zur Installation und Nutzung

1. Überprüfung der Inserts:

- Untersuche die Inserts auf Risse oder andere Beschädigungen, bevor du sie verwendest.

2. Installation:

- Stelle sicher, dass die Inserts ordnungsgemäß im Ransom Rest installiert sind.
- Folge dabei den spezifischen Anweisungen des Herstellers, um eine korrekte Ausrichtung zu gewährleisten.

3. Nutzung:

- Verwende die Inserts nur in Kombination mit dem Feinwerkbau AW93.
- Achte darauf, dass die Maschine in der richtigen Position ist, bevor du mit dem Schießen beginnst.
- Beobachte die ersten Millisekunden nach dem Schuss, um sicherzustellen, dass die Inserts die Vibrationen und den Rückstoß absorbieren.

4. Nach dem Gebrauch:

- Überprüfe die Inserts nach jeder Nutzung auf Abnutzung oder Beschädigungen.
- Reinige die Inserts regelmäßig, um ihre Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.

- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller. Stelle sicher, dass du alle Sicherheitsrichtlinien und anweisungen befolgst, um eine sichere Nutzung zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR FEINWERKBAU AW93

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Feinwerkbau AW93. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure your safety and the optimal performance of your product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure that you use the grip inserts as intended to minimize any risk of injury or damage to your firearm.
- **Enhanced Recalls:** Stay informed about any product recalls. If you are notified of a recall, follow the instructions provided.
- **Online Shopping:** If purchased online, verify that the seller complies with safety requirements.
- **Special Consumer Focus:** These grip inserts are designed for adult users. Keep them out of reach of children to avoid accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. They can damage your firearm by causing destructive recoil energy.
- **Understand Recoil Dynamics:** The inserts are designed to absorb recoil and vibration, mimicking the human hand. Using inappropriate inserts may lead to inaccurate test results and potential firearm damage.
- **Monitor for Damage:** Regularly inspect your firearm and grip inserts for signs of wear or damage. Accumulated damage may not be immediately visible but can affect performance and safety.
- **Avoid Injury Risks:** Improper use of grip inserts can lead to injury. Always handle firearms responsibly and in accordance with safety regulations.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded before installation.
- Remove any existing grip inserts from your firearm.
- Align the Ransom grip inserts with the grip frame of your firearm.
- Secure the grip inserts in place, ensuring a snug fit without forcing them.

2. Usage:

- When using the firearm, ensure a proper grip with the installed inserts.
- Avoid using hard or 3Dprinted inserts in conjunction with the Ransom grip inserts, as this may compromise performance.
- After each use, inspect the grip inserts for any signs of wear or damage.

3. Maintenance:

- Clean the grip inserts regularly to maintain optimal performance.
- Store your firearm and grip inserts in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not incinerate the grip inserts, as they may release harmful substances when burned.
- If you are unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For further assistance, please refer to the contact information provided by your retailer or manufacturer. They can assist with any questions or concerns you may have regarding the product.

Thank you for your attention to these safety instructions. Your safety and the performance of your firearm are our top priorities.

Istruzioni di Sicurezza per l'Utilizzo dei Grip Inserts RANSOM per Feinwerkbau AW93

Introduzione

Benvenuto! Questo documento fornisce linee guida di sicurezza essenziali per l'uso dei Grip Inserts RANSOM progettati per il Master Series Ransom Rest. È fondamentale seguire queste istruzioni per garantire la sicurezza durante l'uso del prodotto e per prolungare la vita della tua arma.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM progettati per il Master Series Ransom Rest. L'uso di grip inserts rigidi o stampati in 3D può danneggiare la tua arma.
- Non utilizzare grip inserts non autorizzati o di dubbia provenienza. Questi potrebbero non rispettare gli standard di sicurezza.
- Controlla regolarmente il tuo Grip Insert per segni di usura o danni. Se noti anomalie, interrompi l'uso e sostituisci il prodotto.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi, poiché possono causare danni all'arma e aumentare il rischio di infortuni.
- Evita l'uso di grip inserts in plastica stampata in 3D, in quanto possono generare energia di rinculo distruttiva.
- Assicurati che il Grip Insert sia installato correttamente prima di ogni utilizzo.
- Non tentare di modificare o riparare il Grip Insert. Eventuali modifiche potrebbero compromettere la sicurezza e le prestazioni.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Grip Insert:

- Rimuovi il grip insert precedente, se presente.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Posiziona il Grip Insert RANSOM sulla base del Master Series Ransom Rest.
- Assicurati che il Grip Insert sia allineato correttamente e fissato saldamente.

2. Uso del Grip Insert:

- Prima di ogni sessione di tiro, verifica che il Grip Insert sia in buone condizioni.
- Durante il tiro, mantieni una presa salda ma rilassata sul grip per massimizzare l'assorbimento delle vibrazioni.
- Monitora il comportamento della tua arma durante il tiro. Se noti vibrazioni anomale, interrompi l'uso e controlla il Grip Insert.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei Grip Inserts RANSOM.
- Non gettare i grip inserts nella spazzatura domestica. Contatta un centro di raccolta rifiuti specializzato o un rivenditore autorizzato per informazioni sul corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, contatta il rivenditore presso il quale hai acquistato il prodotto o visita il sito ufficiale del produttore.

Conclusioni

Seguire queste istruzioni di sicurezza è fondamentale per garantire un'esperienza di tiro ottimale e sicura. Ricorda che la sicurezza è la priorità assoluta. In caso di domande o dubbi, non esitare a contattare un esperto o il tuo rivenditore.
