

GRIP INSERTS - RANSOM GRIP INSERTS FOR STAR 28M,30M,30PK,31

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STAR 28M,30M,30PK,31
- Manufacturer: RANSOM
- Product no.: 430119544
- Mfr. No.: 30-300-42-05
- Delivery weight: 0.907kg
- UPC: 810132582974

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Herzlich willkommen! Diese Sicherheitsanleitung ist für die GRIP INSERTS RANSOM GRIP INSERTS für STAR 28M, 30M, 30PK und 31 gedacht. Die Inserts sind speziell für die Master Series Ransom Rest entwickelt worden, um die Sicherheit und Leistung deiner Waffe zu gewährleisten. Bitte lies diese Anleitung sorgfältig, um sicherzustellen, dass du die Inserts sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Die GRIP INSERTS sind so konzipiert, dass sie die sichere Verwendung deiner Waffe unterstützen. Sie helfen, Rückstoß und Vibrationen zu minimieren.
- **Rückrufinformationen:** Informiere dich regelmäßig über Rückrufaktionen, um sicherzustellen, dass dein Produkt sicher ist.
- **OnlineKauf:** Stelle sicher, dass du die Inserts nur von autorisierten Händlern kaufst, die die Sicherheitsanforderungen erfüllen.
- **Besondere Verbrauchergruppen:** Achte darauf, dass die Inserts nicht von Kindern verwendet werden, da sie möglicherweise nicht die nötige Erfahrung im Umgang mit Waffen haben.
- **EUKontaktstelle:** Bei Fragen zur Sicherheit der Inserts kannst du dich an die zuständigen Behörden wenden.
- **Schnelle Warnungen:** Halte dich über mögliche Sicherheitswarnungen auf dem Laufenden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffInserts, da diese deiner Waffe schaden können.
- **Beachte Rückstoß:** Harte Inserts erzeugen zerstörerische Rückstoßenergie, die gefährlich sein kann.
- **Korrekte Verwendung:** Stelle sicher, dass die Inserts richtig installiert sind, um ihre Funktionalität zu gewährleisten.
- **Überwache den Zustand:** Überprüfe regelmäßig den Zustand der Inserts und ersetze sie bei Anzeichen von Abnutzung.

Anweisungen für Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden sollen.

2. Installation:

- Setze die GRIP INSERTS gemäß den Herstelleranweisungen in die vorgesehenen Bereiche ein.
- Achte darauf, dass die Inserts fest und sicher sitzen.

3. Verwendung:

- Verwende die Waffe nur mit den korrekt installierten Inserts.
- Überwache die Leistung der Waffe während des Gebrauchs und achte auf ungewöhnliche Vibrationen oder Rückstoß.

Entsorgungsanweisungen

- **Umweltgerechte Entsorgung:** Entsorge alte oder beschädigte Inserts gemäß den lokalen Vorschriften für Abfallentsorgung.
- **Recycling:** Wenn möglich, recycle die Inserts, um umweltfreundlich zu handeln.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der GRIP INSERTS kontaktiere bitte die zuständigen Behörden oder deinen Händler.

Bitte beachte, dass die Sicherheit deiner Waffe und die ordnungsgemäße Verwendung der GRIP INSERTS von größter Bedeutung sind. Halte dich an die oben genannten Richtlinien, um ein sicheres und effektives Schießen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR STAR 28M, 30M, 30PK, 31

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and longevity of your firearm. This guide provides essential safety instructions and guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Follow all safety instructions provided in this guide.
- Always handle firearms with care and adhere to standard safety protocols.
- Ensure that the grip inserts are compatible with your specific model of Ransom Rest.
- Inspect the grip inserts regularly for wear and tear. Replace them if they show signs of damage.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of your surroundings when using firearms and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. The grip inserts are designed to absorb these forces, reducing the risk of damage to your firearm.
- **Monitor for Damage:** Be vigilant for signs of damage to your firearm, as issues may not be immediately visible but can accumulate over time.
- **Use Proper Equipment:** Ensure that you use the grip inserts specifically designed for your Ransom Rest model to maintain accuracy and safety during testing.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Ransom Rest is clean and free from debris.
- Remove any existing grip inserts from the rest.
- Align the new grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Before each use, check the grip inserts for any signs of wear or damage.
- Position your firearm in the Ransom Rest according to the manufacturer's guidelines.
- Ensure that the grip inserts are properly absorbing recoil during use. If you notice excessive vibration or movement, discontinue use and inspect the inserts.
- After shooting, remove the firearm and inspect the grip inserts for any signs of damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste. Instead, contact your local waste management

authority for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety, product compatibility, or support, please contact your local distributor or refer to the manufacturer's website for further assistance.

By following these safety guidelines and instructions, you can ensure that your experience with the Ransom International Grip Inserts is safe and effective. Always prioritize safety and take the necessary precautions to protect yourself and your equipment.

Istruzioni di Sicurezza per l'Uso degli GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto gli GRIP INSERTS RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo prestazioni ottimali e sicurezza. È fondamentale seguire attentamente queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli GRIP INSERTS RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del tuo Ransom Rest.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli GRIP INSERTS RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non cercare di sostituirli con inserti diversi.
- Non utilizzare il Ransom Rest in condizioni meteorologiche avverse, come pioggia o neve, per evitare danni al prodotto e all'arma.
- Quando si installano gli inserti, assicurati che siano fissati correttamente per evitare movimenti indesiderati durante l'uso.
- Non sovraccaricare il Ransom Rest oltre le specifiche raccomandate dal produttore.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli GRIP INSERTS RANSOM:

- Rimuovi eventuali inserti esistenti dal tuo Ransom Rest.
- Pulisci l'area di installazione per garantire che non ci siano detriti.
- Inserisci gli GRIP INSERTS RANSOM nel Ransom Rest seguendo le indicazioni del produttore.
- Assicurati che gli inserti siano ben fissati e che non ci siano spazi vuoti.

2. Uso del Ransom Rest:

- Posiziona il Ransom Rest su una superficie stabile e piana.
- Assicurati che l'arma sia correttamente allineata e fissata nel Ransom Rest.
- Esegui un test di tiro a bassa intensità per verificare la stabilità e l'assorbimento delle vibrazioni prima di procedere a tiri più intensi.

Istruzioni per lo Smaltimento

- Gli GRIP INSERTS RANSOM non devono essere smaltiti come rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali in plastica e degli accessori per armi.
- Contatta il tuo comune per informazioni su come smaltire correttamente i prodotti non più utilizzabili.

Informazioni di Contatto per Ulteriori Supporto

Per domande o preoccupazioni relative alla sicurezza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Conclusione

La sicurezza è la nostra priorità. Seguendo queste istruzioni e linee guida, potrai utilizzare gli GRIP INSERTS RANSOM in modo sicuro e efficace, migliorando la tua esperienza di tiro. Ricorda sempre di rimanere informato su eventuali aggiornamenti di sicurezza e richiami attraverso le fonti ufficiali.
