

GRIP INSERTS - RANSOM GRIP INSERTS FOR CANIK SFX S

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CANIK SFX S
- Manufacturer: RANSOM
- Product no.: 430119548
- Mfr. No.: 30-300-45-03
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580543

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS für CANIK SFX S

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, speziell entwickelt für den Canik SFX S. Diese Anleitung bietet dir wichtige Informationen, um die Sicherheit bei der Nutzung dieses Produkts zu gewährleisten. Bitte lies die folgenden Hinweise sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Verwende die GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest.
- Achte darauf, keine harten Griffenlagen oder 3Dgedruckten Kunststoffgriffenlagen zu verwenden, da diese die Waffe schädigen können.
- Halte die Inserts und alle Zubehörteile außerhalb der Reichweite von Kindern.
- Informiere dich regelmäßig über Rückrufmeldungen und Sicherheitshinweise auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Stelle sicher, dass die GRIP INSERTS korrekt installiert sind, um Verletzungen zu vermeiden.
- Vermeide den Einsatz von harten oder 3Dgedruckten Einsätzen, da sie nicht realistische Rückstoßbedingungen simulieren.
- Achte darauf, dass der Einsatz die Vibrationen und Rückstoßkräfte richtig absorbiert, um eine präzise Nutzung zu gewährleisten.
- Führe regelmäßig Sicherheitsüberprüfungen durch, um sicherzustellen, dass das Produkt in gutem Zustand ist.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS

- Entferne die bestehende Griffschale des Canik SFX S.
- Setze die GRIP INSERTS gemäß den beiliegenden Anweisungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du die Griffschale wieder anbringst.

2. Nutzung der GRIP INSERTS

- Führe einen Testschuss durch, um sicherzustellen, dass der Rückstoß realistisch simuliert wird.
- Achte darauf, dass die Vibrationen und der Rückstoß auf die richtige Weise übertragen werden.
- Vermeide es, die Waffe über längere Zeiträume ohne Überprüfung der Inserts zu nutzen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den lokalen Vorschriften für Elektroschrott.
- Achte darauf, dass keine Teile in die Umwelt gelangen, die schädlich sein könnten.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit der GRIP INSERTS, wende dich bitte an den Hersteller oder die zuständige Verkaufsstelle.

Bitte beachte, dass die Sicherheit und ordnungsgemäße Nutzung der GRIP INSERTS in deiner Verantwortung

liegt. Befolge diese Hinweise, um ein sicheres und effektives Nutzungserlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CANIK SFX S

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and understand these instructions before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** In the event of a safety recall, follow the instructions provided for returning or replacing the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using the product around vulnerable groups, including children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can damage the firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be stopped; they can only be controlled. Using inappropriate inserts may lead to unsafe conditions.
- **Absorption of Forces:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration to prevent damage to the firearm.
- **Potential for Injury:** Using a hard insert may result in decreased firearm lifespan and could potentially cause injury or death.
- **Testing Accuracy:** For accurate testing, it is crucial to replicate humanlike recoil. Using hard or 3Dprinted inserts may lead to flawed test results.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and in a safe condition before installing the grip inserts.
- Remove any existing grip inserts if applicable.
- Carefully place the Ransom grip inserts into the designated area, ensuring a snug fit.
- Verify that the inserts are properly seated and secure before proceeding.

2. Usage:

- Always follow the manufacturer's guidelines when using the Ransom Rest with the grip inserts.
- Monitor the condition of the grip inserts regularly for wear and tear.
- If any damage is observed, discontinue use and replace the inserts immediately.
- Avoid using the Ransom Rest in conditions that may cause excessive force or stress on the grip inserts.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom International Grip Inserts, please refer to the designated EU contact point for this product.

By following these safety instructions, you can help ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to these important guidelines.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per Canik SFX S

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo prestazioni ottimali e sicurezza. Ti invitiamo a seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM con il tuo Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente il tuo Ransom Rest e i grip inserts per eventuali segni di usura o danni.
- Segui sempre le normative locali e nazionali riguardanti l'uso delle armi da fuoco.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma.
- Evita di utilizzare grip inserts che non siano progettati specificamente per il tuo modello di arma.
- Non tentare di modificare o riparare i grip inserts. In caso di danno, sostituiscili con nuovi inserti RANSOM.
- Mantieni i grip inserts e il Ransom Rest puliti e privi di detriti per garantire il corretto funzionamento.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts RANSOM:

- Assicurati che il Ransom Rest sia spento e scollegato da eventuali fonti di alimentazione.
- Rimuovi eventuali grip inserts esistenti seguendo le istruzioni del produttore.
- Posiziona i Grip Inserts RANSOM nel supporto, assicurandoti che siano allineati correttamente.
- Fissa gli inserti in posizione secondo le istruzioni fornite con il prodotto.

2. Utilizzo dei Grip Inserts RANSOM:

- Posiziona l'arma correttamente nel Ransom Rest, seguendo le indicazioni di allineamento.
- Esegui un controllo di sicurezza per assicurarti che l'arma sia scarica prima di iniziare.
- Utilizza il Ransom Rest secondo le istruzioni del produttore, seguendo le migliori pratiche di tiro.
- Monitora costantemente le prestazioni e il comportamento dell'arma durante l'uso.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM possono essere smaltiti con i rifiuti domestici, a meno che non siano stati danneggiati o contaminati.
- Segui le normative locali per lo smaltimento dei materiali di plastica e dei componenti dell'arma.
- Non gettare i grip inserts in fiamme o in ambienti non autorizzati.

Informazioni di Contatto per Ulteriore Supporto

Per domande o dubbi riguardanti l'uso dei Grip Inserts RANSOM, ti invitiamo a contattare il produttore. Assicurati di avere a disposizione il numero di modello e la data di acquisto per una migliore assistenza.

Avvertenze Finali

Ricorda che la sicurezza è la tua responsabilità. Rispetta sempre le normative e le linee guida di sicurezza per garantire un'esperienza di tiro sicura e piacevole. In caso di incidenti o problemi, contatta immediatamente le autorità competenti.

Grazie per aver scelto i Grip Inserts RANSOM. Buon tiro!
